8. **Fees.** Lender may collect fees and charges authorized by the Secretary.
9. **Grounds for Acceleration of Debt.**
- (a) **Default.** Lender may, except as limited by regulations issued by the Secretary in the case of payment defaults, require immediate payment in full of all sums secured by this Security Instrument if:
 - (i) Borrower defaults by failing to pay in full any monthly payment required by this Security Instrument prior to or on the due date of the next monthly payment; or
 - (ii) Borrower defaults by failing, for a period of thirty days, to perform any other obligations contained in this Security Instrument.
 - (b) **Sale Without Credit Approval.** Lender shall, if permitted by applicable law and with the prior approval of the Secretary, require immediate payment in full of all the sums secured by this Security Instrument if:
 - (i) All or part of the Property is otherwise transferred (other than by devise or descent) by the Borrower; and
 - (ii) The Property is not occupied by the purchaser or grantee as his or her primary or secondary residence, or the purchaser or grantee does not occupy the Property, but his or her credit has not been approved in accordance with the requirements of the Secretary.
 - (c) **No Waiver.** If circumstances occur that would permit Lender to require immediate payment in full, but Lender does not require such payments, Lender does not waive its rights with respect to subsequent events.
 - (d) **Regulations of HUD Secretary.** In many circumstances regulations issued by the Secretary will require Lender, in the case of payment defaults, to require immediate payment in full and foreclose if not paid. This instrument does not and authorize acceleration or foreclosure if not permitted by regulations of the Secretary.

10. **Reinstatement.** Borrower has a right to be reinstated if Lender has required immediate payment in full of all sums secured by this Security Instrument and if the Note or this Security Instrument. This right applies even after final foreclosure proceedings have been completed if the original note or security instrument is reinstated. If Borrower shall tender in a lump sum all amounts required to reinstate, plus all current and future costs of collection of the amount tendered, to the Secretary, in payment of the amount outstanding under this Security Instrument, all fees and expenses of property associated with the foreclosure proceeding, legal expenses, and costs of this Security Instrument and the obligations that it secures, shall remain in effect as if Lender had not required immediate payment in full. However, Lender is not required to permit reinstatement if (a) Lender has accepted reinstatement after the termination of the original note or security instrument within two years immediately preceding the commencement of a current foreclosure proceeding, or (b) Lender has accepted reinstatement on different grounds in the future, or (c) reinstatement will adversely affect the priority of the lien created by this Security Instrument.

11. **Borrower not Released; Forbearance by Lender not a Waiver.** Every payment made by Borrower in partial or full satisfaction of the sums secured by this Security Instrument, whether by Lender or by another, does not operate to release the liability of the original Borrower or Borrower's heirs, executors, administrators, or successors in interest, or to extinguish any claim against any successor in interest or refuse to extend time for payment or otherwise modify, ameliorate, or reduce the liability of any sum secured by this Security Instrument by reason of any demand made by the original Borrower or by another, and such payment, or any other payment, does not affect Lender in exercising any right or remedy shall not be a Waiver, nor preclude the exercise of any right or remedy.

12. **Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements herein, benefits, burdens, and rights and benefit the successors and assigns of Borrower, and shall bind Borrower's heirs, executors, administrators, and successors in interest, and the covenants and agreements shall be joint and several. A. Borrower and co-signer would like to state that because the Note (a) is cosigning this Security Instrument only to mortgage, grant and convey, that he/she or co-signer is not in any way bound by the terms of this Security Instrument, (b) is not personally obligated to pay the sum secured by this security instrument, and (c) agrees that Lender and any other Borrower may agree to extend, modify, forgive, or make any accommodations with regard to the term of this Security Instrument or the Note without that Borrower's consent.

13. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by Lender by mail, by mailing it by first class mail unless applicable law requires use of air mail or certified. The notice shall be directed to the Property address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this Paragraph.

14. **Governing Law; Severability.** This Security Instrument shall be governed by Federal law, except as to the location in which the Property is located. In the event that any provision of this instrument conflicts with any state or local law, such conflict shall not affect other provisions of this Security Instrument. The invalidity of any provision of this Security Instrument, in the opinion of Lender, shall not affect the validity of the remaining provisions.

15. **Borrower's Copy.** Borrower shall be given one copy of each of the following documents:

16. **Assignment of Rents.** Borrower unconditionally assigns and transfers to Lender all rents and issues from the Property. Borrower authorizes Lender or Lender's agents to collect the rents and issues and to receive and retain the rents and issues of the Property and to Lender or Lender's agents. However, prior to Lender's receipt of the rents and issues, Lender shall not collect or receive the rents and issues in the Security Instrument, Borrower shall collect and receive all rents and issues for the period prior to the date of assignment of the rents and Borrower. This assignment of rents constitutes an absolute assignment and transfer of all rents and issues of the Property.

If Lender gives notice of breach to Borrower, (a) all rents received by Lender shall be held by Borrower for benefit of Lender only, to be applied to the sums secured by the Security Instrument, (b) Lender shall be entitled to collect all rents and issues of the Property, and (c) each tenant of the Property shall pay all rents due and unpaid to Lender until Lender's written demand to the tenant.

Borrower has not executed any prior assignment of the rents and issues and will not perform any act that would prevent Lender from exercising its rights under this Paragraph 16.

Lender shall not be required to enter upon, take control of, or maintain the Property, before or after giving notice of breach to Borrower. However, Lender or a judicially appointed receiver may do so at any time there is a breach. Any application of rents shall not cure or waive any default or invalidate any other right or remedy of Lender. The attorney's fees of collection, the fee for attorney's certificate when the debt secured by the Security Instrument is paid in full.

17. Borrower agrees that should this Security Instrument and the Note secured thereby not be eligible for insurance under the National Housing Act within sixty (60) days from the date hereof, Lender may, at its option and notwithstanding anything in Paragraph 9, require immediate payment in full of all sums secured by this Security Instrument. A written statement of any authorized agent of the Secretary, dated subsequent to sixty (60) days from the date hereof, declining to insure this Security Instrument and the Note secured thereby, shall be deemed conclusive proof of such ineligibility. Notwithstanding the foregoing, this option may not be exercised by Lender when the unavailability of insurance is solely due to Lender's failure to remit a mortgage insurance premium to the Secretary.

Borrower shall insure all improvements on the Property, whether now in existence or subsequently erected, against any hazards, casualties and contingencies, including fire, for which Lender requires insurance, including losses by floods, to the extent required by the Secretary. ADJUSTABLE RATE RIDER

131-6267788-703
60403803

THIS ADJUSTABLE RATE RIDER is made this 21st day of December, 1995, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed ("Security Instrument"), of the same date, given by the undersigned ("Borrower") to secure Borrower's Note ("Note") to the Lender of the same date and covering the property described in the Security Instrument and located at:
1444 W WAGHTENAW AVE., CHICAGO, IL 60622

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

- Under the Note, the initial stated interest rate of

Nine Per Centum

per centum (9%) per annum ("Initial Interest Rate") on the unpaid principal balance is subject to change, as hereinafter described. When the interest rate changes, the equal monthly installments of principal and interest also will be adjusted, as hereinafter provided, so that each installment will be in an amount necessary to fully amortize the unpaid principal balance of the Note, at the new adjusted interest rate, over the remaining term of the Note.

- The first adjustment to the interest rate (if any adjustment is required) will be effective on the first day of April 1, 1992 (which date will not be less than twelve months nor more than eighteen months from the due date of the first installment payment under the Note), and thereafter each adjustment to the interest rate will be effective on that day of each succeeding year during the term of the Security Instrument ("Change Date").

- Each adjustment to the interest rate will be made based upon the following method of employing the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one year ("Index"); the Index is published in the Federal Reserve Bulletin and made available by the United States Treasury Department in Statistical Release H.15 (519). As of each Change Date, it will be determined whether or not an interest rate adjustment must be made, and the amount of the new adjusted interest rate, if any, as follows:

- The amount of the Index will be determined, using the most recently available figure, thirty (30) days before the Change Date ("Current Index").

(b) Two Per Centum

percentage points (2%) the "Margin") will be added to the Current Index and the sum of this addition will be rounded to the nearest one-eighth of one percentage point (0.125%). The rounded sum of the Margin plus the Current Index will be called the "Calculated Interest Rate" for each Change Date.

- The Calculated Interest Rate will be compared to the interest rate being earned immediately prior to the current Change Date (such interest rate being called the "Existing Interest Rate"). Then, the new adjusted interest rate, if any, will be determined as follows:

- If the Calculated Interest Rate is the same as the Existing Interest Rate, the interest rate will not change.
- If the difference between the Calculated Interest Rate and the Existing Interest Rate is less than or equal to one percentage point, the new adjusted interest rate will be equal to the Calculated Interest Rate (subject to the maximum allowable change over the term of the Mortgage of five percentage points, in either direction, from the Initial Interest Rate, herein called the "5% Cap").

- If the Calculated Interest Rate exceeds the Existing Interest Rate by more than one percentage point, the new adjusted interest rate will be equal to one percentage point higher than the Existing Interest Rate (subject to the 5% Cap).

- If the Calculated Interest Rate is less than the Existing Interest Rate by more than one percentage point, the new adjusted interest rate will be equal to one percentage point less than the Existing Interest Rate (subject to the 5% Cap).

- Notwithstanding anything contained in this Adjustable Rate Rider, in no event will any new adjusted interest rate be more than five percentage (5%) points higher or lower than the Initial Interest Rate. If any increase or decrease in the Existing Interest Rate would cause the new adjusted interest rate to exceed the 5% Cap, the new adjusted interest rate will be limited to five percentage (5%) points higher or lower, whichever is applicable, than the Initial Interest Rate.

- Lender will perform the functions required under Subparagraphs 3 (a), (b) and (c) to determine the amount of the new adjusted rate, if any. Any such new adjusted interest rate will become effective on the Change Date and thereafter will be deemed to be the Existing Interest Rate. The new Existing Interest Rate will remain in effect until the next Change Date on which the interest rate is adjusted.

- If the Index is no longer available, Lender will be required to use any index prescribed by the Department of Housing and Urban Development. Lender will notify Borrower in writing of any such substitute index (giving all necessary information for Borrower to obtain such index) and after the date of such notice the substitute index will be deemed to be the Index hereunder.
