Borrower acknowledges that the Agreement secured by this Mortgage provides for, among other things, a revolving line of credit up to the maximum credit limit amount stated above, a variable interest rate, and the right of Lender to cancel future advances for reasons other than default by the Borrower. Reference is made to the Agreement for the specific terms, covenants, conditions and provisions thereof which are incorporated herein by this reference.

COVENANTS. Borrower and Lender covenant and agree as follows.

1. PAYMENT OF PRINCIPAL AND INTEREST. Borrower shall promptly pay when due in accordance with the terms of the Agreement the principal and interest on the indebtedness evidenced by the Agreement, together with any late charges, membership fees, and other charges imposed under the Agreement and allowed by applicable law.

2. TAXES AND INSURANCE. Borrower shall pay, at least ten calendar days before delinquency, all taxes, assessments (including condominium or planned unit development assessments, if any), and ground rents affecting the Property. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage", and such other hazards (collectively referred to as "Hazards") as Lender may require including but not limited to flood insurance if the Property is located in a designated flood hazard area, and in such amounts and for such periods as Lender may require, but in no event shall such amounts be less than the face amount of any obligation secured by any mortgage or other security agreement which has or appears to have priority over this Mortgage plus the amount of the line of credit secured by this Mortgage.

The insurance carrier providing the insurance shall be chosen by Borrower subject to approval by Lender, provided that such approval shall not be unreasonably withheld. All insurance policies and renewals thereof shall be in a form acceptable to Lender and shall include a standard mortgagee clause in favor of and in a form acceptable to Lender, Lender shall have the right to hold the policies and renewals thereof, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has or appears to have any priority over this Mortgage. If Borrower makes the premium payment directly, Borrower shall promptly furnish to Lender all renewal notices and, if requested by Lender, all receipts of paid premiums. If policies and renewals are held by any other person, Borrower shall supply copies of such to Lender within ten calendar days after issuance.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Subject to the rights and terms of any mortgage, or other security agreement with a lien which has or appears to have any priority over this Mortgage, the amounts collected by Borrower or Lender under any hazard insurance policy may, at Lender's sole discretion, either be applied to the indebtedness secured by this Mortgage and in such order as Lender may determine or be released to Borrower for use in repairing or reconstructing the Property, and Lender is hereby irrevocably authorized to do any of the above. Such application or release shall not cure or waive any default or notice of default under this Mortgage or invalidate any act done pursuant to such notice.

If the Property is abandoned by Borrower or if Borrower fails to respond to Lender in writing within 30 calendar days from the date notice is mailed by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Lender is irrevocably authorized to settle the claim and to collect and apply the insurance proceeds, at Lender's sole option either to restoration or repair of the Property or to the sums secured by this Mortgage.

If the Property is acquired by Lender, all right, title and interest of Borrower in and to any insurance policies and in and to the proceeds thereof resulting from damage to the Property prior to such sale or acquisition shall become the property of Lender to the extent of the sums secured by this Mortgage immediately prior to such sale or acquisition.

Borrower, at the discretion of the Lender, shall pay the cost of an ALTA policy of title insurance, with such endorsements as Lender shall request and subject to such exceptions as Lender may approve in writing, insuring Lender's interest in the Property and shall cause to be provided to Lender at Borrower's expense such further endorsements as Lender may request insuring Lender's continuing lien priority over encumbrances not of record as of the date hereof.

3. APPLICATION OF PAYMENTS. Unless applicable law provides otherwise, all payments received by Lender under the Agreement and this Mortgage shall be applied first in payment of any finance charge payable under the Agreement, then in payment of any other amounts (excluding principal) payable to Lender by Borrower under the Agreement or this Mortgage and then to the principal balance on the line of credit.

4. PRIOR MORTGAGES AND DEEDS OF TRUST; CHARGES; LIENS. Borrower shall fully and timely perform all of Borrower's obligations under any mortgage, or other security agreement with a lien which has or appears to have any priority over this Mortgage, including Borrower's covenants to make any payments when due, Borrower shall pay or cause to be paid all taxes, assessments and other charges, fines and impositions attributable to the Property and all encumbrances, charges, loans and liens (other than any prior first Mortgage) on the Property which may attain any priority over this Mortgage and leasehold payments or ground rents; if any.

5. PRESERVATION AND MAINTENANCE OF PROPERTY; LEASEHOLDS; CONDOMINIUMS; PLANNED UNIT DEVELOPMENTS. Borrower shall use, improve and maintain the Property in compliance with the law, shall keep the Property in good condition and repair, including the repair or restoration of any improvements on the Property which may be damaged or destroyed, shall not commit or permit waste or permit impairment or deterioration of the Property and shall fully and promptly comply with the provisions of any lease if this Mortgage is on a leasehold. If this Mortgage is on a unit in a condominium or planned unit development, borrower shall promptly perform all of Borrower's obligations under the declaration or covenants creating or governing the condominium, or planned unit development, and constituent documents, all as may be amended from time to time. If a condominium or planned unit development rider is executed by Borrower and recorded together with this Mortgage, the covenants and agreements of such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Mortgage as if the rider were a part hereof.

6. PROTECTION OF LENDER'S SECURITY. If Borrower fails to perform the covenants and agreements contained in this Mortgage or in the Agreement, or if any action or proceeding is commenced which affects Lender's interest in the Property or the rights or powers of Lender then Lender without demand upon Borrower, but upon notice to Borrower pursuant to paragraph 11 hereof, may, without releasing Borrower from any obligation in this Mortgage, make such appearances, defend the action or proceeding, disburse such sums, including reasonable attorney's fees and costs incurred at the trial or appellate levels, and take such action as the Lender deems necessary to protect the security of this Mortgage.

Any amounts disbursed by Lender (unless otherwise provided or agreed upon with Borrower) pursuant to this paragraph, 6, with interest thereon at the rate from time to time in effect under the Agreement, shall become additional indebtedness of Borrower secured by this Mortgage. Unless Borrower and Lender agree in writing to other terms of payment, such amounts shall be payable upon notice from Lender to Borrower requesting payment thereof. Nothing contained in this paragraph 6 shall require Lender to incur any expense or take any action hereunder and any action taken shall not release Borrower from any obligation in this Mortgage.

7. INSPECTION: Lender may make or cause to be made reasonable entries upon and inspections of the Property, provided that Lender shall give Borrower notice prior to any such inspection specifying reasonable cause therefor related to Lender's interest in the Property.

8. CONDEMNATION. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of the Property, or part thereof, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender, subject to the terms of any mortgage, or other security agreement with a lien which has priority over the Mortgage. Borrower agrees to execute such further documents as may be required by the condemnation authority to effectuate this paragraph. Lender is hereby irrevocably authorized to apply or release such moneys received or make settlement for such moneys in the same manner and with the same effect as provided in this Mortgage for disposition or settlement of proceeds of hazard insurance.

9. BORROWER NOT RELEASED; FORBEARANCE BY LENDER NOT A WAIVER. Extension of the time for payment, acceptance by the Lender of payments other than according to the terms of the Agreement, or modification in payment terms of the sums secured by this Mortgage granted by Lender to any successor in interest of Borrower shall not operate to release in any manner, the liability of the original Borrower, Borrower's successor in interest or any guarantor or surety thereof. Lender shall not be required to commence proceedings against such successor or refuse to extend time for payment or otherwise modify payment terms of the sums secured by this Mortgage by reason of any demand made by the original Borrower and Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be waiver of or preclude the exercise of any such right or remedy. The procurement of insurance or the payment of taxes or other liens or charges by Lender shall not be a waiver of Lender's right as otherwise provided in this Mortgage to accelerate the maturity of the indebtedness secured by this Mortgage in the event of Borrower's default under this Mortgage or the Agreement which it secures.

DOC. 020

This Mortgage Rider is attached to and made a part of a Mortgage dated DECEMBER 22, 1989, given by the undersigned (the "Borrower") to secure Borrower's obligations to FIRST NATIONWIDE BANK, A Federal Savings Bank (the "Lender") under the Equity Reserve Account Agreement and Disclosure Statement (the "Agreement") of the same date and shall be deemed to amend and supplement said Mortgage.

INTEREST RATE AND PAYMENT ADJUSTMENTS. Paragraph 28 is hereby added to the Mortgage.

28. INTEREST RATE AND PAYMENT ADJUSTMENTS. The Agreement secured by this Mortgage contains the following provisions:

FINANCE CHARGES

Finance Charges for my Credit Line. The "Initial Finance Charge" section and "Periodic Finance Charge" section, including its subsections "How Daily Interest Rate Is Determined," "How Average Daily Balance Is Figured," and "Current Finance Charge Rate" describe the Finance Charges payable in connection with my credit line and how they will be calculated.

A. Initial Finance Charge

To open my credit line I will pay the Loan Origination Fee (Initial Finance Charge) shown above, which is a one-time non-refundable Finance Charge. This amount may be posted to my credit line. If I want to avoid interest charges on this amount, I will pay this amount in cash when I sign this Agreement.

B. Periodic Finance Charges

Periodic Finance Charges, consisting of interest, will be charged on my credit line if there is an outstanding balance owing to the Lender on my credit line at the end of any day of the billing cycle. Interest will begin to accrue on the date a transaction is posted to my credit line. Interest will be calculated by applying the daily interest rate for that billing cycle to the average daily balance for that billing cycle and multiplying the result by the number of actual calendar days in the billing cycle. (See "How Daily Interest Rate Is Determined" and "How Average Daily Balance Is Determined.") This daily interest rate is subject to increase or decrease on the first day of each billing cycle if there has been a change in the "Index" (defined below). If the daily interest rate increases, my minimum monthly payment will also increase (see "Minimum Payment").

1. How Daily Interest Rate Is Determined

To determine the daily interest rate for my credit line for each billing cycle before that billing cycle begins, the Lender will go through the following Step 1 to get the "Index" for the billing cycle and Steps 2 and 3 to get the daily interest rate for the cycle:

Step 1. The Lender will determine the value of the "Index" as of the "Determination Date." The "Index" that will apply to my credit line will be the Prime Rate as quoted and published in the Western Edition of *The Wall Street Journal*, currently published by Dow Jones and Co. The referenced Prime Rate is usually listed under a column entitled Money Rates. In the event that on the Determination Date two or more Prime Rates are published, the Index will be the highest Prime Rate. The Lender will obtain the Prime Rate quoted (using up to the first two decimal places) on the 30th day (Determination Date) of the month preceding the first day of the billing cycle, unless there is no Prime Rate quoted for the 30th day in which event the Lender will obtain the Prime Rate quoted for the next preceding day on which a Prime Rate was quoted.

In the event the Index, as described above, is no longer available, Index shall mean a substitute index selected by the Lender in compliance with federal law.

Step 2. The Lender will then add to the Index an amount referred to as the "Spread." The "Spread" will be 1.70.

Step 3. The Lender will then divide the total of the Index plus the Spread by 365 to determine the daily interest rate that will apply for the next billing cycle.

2. How Average Daily Balance is Calculated

The Lender will calculate the Average Daily Balance by starting with the balance I owe at the beginning of each day in the billing period for that statement. The Lender will add any new loan advances and other charges and will subtract any payments and credits which are posted to my credit line during the day. The Lender subtracts all unpaid interest and late charge(s). This will result in the daily balance for the day. The Lender will then add together the daily balance for each of the days in the billing period and divide the total by the number of days in the billing period, which will result in my Average Daily Balance.

Interest will continue to accrue until my credit line balance is paid in full. I understand that I may receive a final billing statement showing only the interest which accrued from the closing date of the previous statement to the date on which the Lender received my payment of my remaining principal balance.

3. Current Finance Charge Rate

Based upon the Index in effect on the date this Agreement was prepared for signing, the current daily interest rate and the corresponding Annual Percentage Rate are as shown on the first page of this Agreement.

These rates are subject to increase or decrease at the beginning of the next and subsequent billing cycles based on increases and/or decreases in the Index.

IN WITNESS WHEREOF, Borrower has executed this Mortgage Rider.
