28. **Lender in Possession.** Upon acceleration under Paragraph 19 or abandonment of the Property and at any time thereafter, lessor may enter upon, take possession of and manage the Property and to collect the rents of the Property until such time as lessor shall be entitled to apply funds so received by lessor to payment of the expenses of collection and defense of the action or suit, and to collect the rents of the Property until such time as lessor shall be entitled to apply funds so received by lessor to payment of the expenses of collection and defense of the action or suit.

Failure to carry the details specified in the note may result in acceleration of the sums set aside by the security trustee for liquidation and the right to accelerate the note if the note holder fails to pay the note when due.

19. Acceleration: Remedies. 8. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be held by Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not there is any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree, writing, the sum secured by this Security Instrument shall be reduced by the amount of the proceeds received by the Lender in respect of the total amount of the sums secured immediately before the taking, divided by the estimated market value of the Property, immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, and Lender gives by Lender to Borrower that the condemnor offers to make an award less than claim for damages, Borrower shall respond to Lender within 30 days after the date the notice given by Lender, and Lender shall end up the principal at the price of either the estimated market value of the Property or the sum secured by this Security Instrument, whichever is higher.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend to postpone the due date of payment of a payment reflected in paragraph 11, or charge the amount of such payments.

10. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amounts due at the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the obligation of original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify or reduce at the sums secured by this Security Instrument by reason of any demand made by the original Borrower which would work excessively in favor. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of any right or remedy.

11. Successors and Assigns Bound; Joint and Several Liability; Co-Signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who signs this Security Instrument shall do so notwithstanding Note and Counterparties to this Security Instrument on the mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument shall be held liable to pay the sums secured by this Security Instrument, and agrees that Lender and any other Borrower may agree to extend credit to Borrower or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

12. Loan Charges. If the loan secured by this Security Instrument is subject to law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected are to be collected in connection with the loan exceed the permitted limit to the extent, each loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit and any amount already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may, if it so desires, make this refund by reducing the principal owed under the Note, but may require payment to Borrower. If Lender so reduces principal, the reduction will be treated as a partial prepayment and as a reduction charge under the Note.

13. Legislation Affecting Lender's Rights. If a statute or applicable law has the effect of rendering enforcement of the Note or this Security Instrument illegal, according to its terms, Lender, at its option, may require immediate payment of all the amounts stated herein by Security Instrument and may invoke any remedies permitted by paragraph 14. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it to the last known address, or as applicable law requires use of another method. Notice shall be directed to the Property Address, and, if no address, Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein, or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred, or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person, without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand of Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days or such other period as applicable law may specify for reinstatement before sale of the Property pursuant to any power of sale contained in this Security Instrument, or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred, (b) cures any default of any other covenants or agreements, (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorney's fees, and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraphs 13 or 17.
