UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

**1. Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

**2. Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be: (a) Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

**3. Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

**4. Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above with 10 days of the giving of notice.

**5. Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

**6. Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

**7. Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security interest stayed at any time prior to the earliest of: (a) 5 days (or such other period as applicable law specifies for reinstatement) before sale of the property pursuant to any power of sale contained in this Security interest or (b) entry of a judgment forcing sale of the property pursuant to any power of sale or (c) cure of any deficiency under this Security instrument. Those conditions are that Borrower (a) pays Lentander all sums which he would owe under this Security instrument or (b) pays Lentander all sums which he would owe under this Security instrument but for failing to pay Lentander all sums which he would owe under this Security instrument had no acceleration occurred; (b) cures any deficiency of any other conveyances or agreements (c) pays all expenses incurred in enforcing this Security instrument including attorney's fees; and the Note held no acceleration occurred; (d) takes such action as Lentander may reasonably require to assure that the loan of this Security instrument is not limited to, reasonable attorney's fees; and (e) takes such action as Borrower may reasonably require to pay the sums secured by this Security instrument.

If exercise is prohibited by federal law as of the date of this Security Instrument, Lender shall give Borrower notice of acceleration. If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument if Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedy permitted by this Security Instrument without further notice or demand on Borrower.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the property or interest in the beneficial interest in the Borrower is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender

14. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it to the second paragraph of Paragraph 11.

13. **Legislational Affection Lenders' Rights.** It encament of exercisable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19, if Lender shall take the steps specified in its option.

**12. Loan Charges.** If the loan secured by this Security instrument is subject to a law which sets maximum loan charges, and if that law is finally interpreted so that the interest or other loan charges collected do not exceed the maximum set by such law, then the interest or other loan charges collected so far as permitted by law shall be retained by the creditor under the Note or by making a deposit with the trustee, and the remainder may be used to make this principal payment to the borrower. If a regular reduction reduces principal, the principal will be paid down as it is paid off, and the trustee will be entitled to receive the principal payment.

11. Successors and Severed Liabilities; Co-signers. The covenants and agreements of this Security Agreement shall bind and benefit the successors and assigns of Lender and Borrower until paid in full.

10. Be Power Not Released; Forbearance By Lender Not A Waiver. Extension of the time for pay-  
ment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any suc-  
cessor in title, etc. of Borrower shall not operate to release the liability of the original Borrower or Borrower's  
successors in interest, etc., Lender shall not be required to commence proceedings against any successor in interest  
successors in interest, etc., Lender shall not be liable for payment of attorney's fees or other expenses incurred by Lender  
in connection with any action or proceeding taken by Lender to collect any sums secured by this Security Instrument  
unless Lender shall have been negligent or remiss in the exercise of due diligence in the collection of such sums.  
11. Release of Lender. Any demand made by the original Borrower or Borrower's successors in interest, etc., for  
any reason of, or otherwise made by the original Borrower or Borrower's successors in interest, etc., for any re-  
lief, or for any remedy in exercise of any right or remedy shall not be a waiver of or preclude the exercise of any right  
or remedy.

extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemned property is liable for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect the proceeds, either to restore or repair or to take such sums secured by this Security Instrument, whether or not due.

Properly, unless Borrower and Lender otherwise agree in writing, the sums secured by this instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured before the taking, divided by (b) the fair market value of the property immediately before the taking. Any balance shall be paid to Borrower.

3. **Condemnation:** The proceeds of any award or judgment in respect of any claim for damages, costs or expenses shall be paid to the Plaintiff in the event of a partial taking by the State or any other person.

Under section 5(1) of the Protection of Personal Information Act, the Commissioner may issue a notice of contravention to a person who has contravened the Act or its regulations. The notice must specify the nature of the contravention and require the person to take steps to correct it.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

**19. Acceleration.** Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraphs 13 and 17 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 19, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

**20. Lender in Possession.** Upon acceleration under paragraph 19 or abandonment of the Property and at any time prior to the expiration of any period of redemption following judicial sale, Lender (in person, by agent or by judicially appointed receiver) shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property including those past due. Any rents collected by Lender or the receiver shall be applied first to payment of the costs of management of the Property and collection of rents, including, but not limited to, receiver's fees, premiums on receiver's bonds and reasonable attorneys' fees, and then to the sums secured by this Security Instrument.

**21. Release.** Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

**22. Waiver of Homestead.** Borrower waives all right of homestead exemption in the Property.

**23. Riders to this Security Instrument.** If one or more riders are executed by Borrower and recorded together with this Security Instrument, the covenants and agreements of each such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the rider(s) were a part of this Security Instrument. By signing this ADJUSTABLE RATE RIDER TO MORTGAGE, Borrower agrees to all the terms hereof.

The Note Holder will mail me a notice of any rate change at least 25 days but no more than 120 days before there is a change in my monthly payment. This notice will include all information required by law.

### (G) Notice of Changes.

My new interest rate will become effective on each Change Date. I will pay the amount of my monthly payment on the first monthly payment date after each Change Date until the amount of my monthly payment changes again.

### (F) Effective Date of Changes.

During the life of the loan, the interest rate will not increase from the initial rate set forth in Section 2 by more than .5000 percentage points.

On the first Change Date, the interest rate will not increase or decrease from the initial rate set forth in Section 2 by more than .4000 percentage points. On any Change Date after the first Change Date, the interest rate will not increase or decrease from the rate in effect by more than one (.1) percentage point or by less than one-tenth of one (.10) percentage point.

### (E) Limits on Interest Rate Changes.

With each interest rate change, the Note Holder will determine the new amount of the monthly payment necessary to repay my loan in substantially equal payments by the maturity date. I will be notified of each change in my interest rate and loan payment in accordance with Section 4(G).

The Note Holder will then apply the limits in Section 4(E). The result will be my new interest rate until the next Change Date.

### (D) Calculation of Changes.

Beginning with the first Change Date, my interest rate will be based on an index. Although the index value on the first Change Date cannot be predicted, the index value for the month of DECEMBER, 19-89 was 8.120%.

The "index" is the monthly average yield expressed as a percent per annum, for six month certificates of deposit (CDs) traded in the secondary market, as published in the Federal Reserve's statistical release H-15 and the Federal Reserve Bulletin and as available from the Lester and the Federal Reserve Bank of Chicago. The new rate for each six month period will be based on the most recent index available at the end of the month preceding the Change Date. If the index is no longer available, the Note Holder will choose a new index and will give a notice of this choice.

The interest rate paid on my change on the first day of the month following each Change Date, is calculated in arrears. Each day my payment may change on the first day of the month following each Change Date. Since interest is collected in arrears, the amount of my monthly payment is determined by calling a "Change Date".

The interest rate paid on my change based on movements of the index (described in Section 4(C)) and rate change limitations (described in Section 4(E)).

The interest rate paid will change based on movements of the index (described in Section 4(C)) and rate change limitations (described in Section 4(E)).
