Generally, the time is of the essence of a power of attorney. Therefore, it is important to have the power of attorney in place before any medical or financial decisions need to be made. It is also important to have the power of attorney in writing, as it can be difficult to determine the intent of the principal if the power of attorney is not in writing.

The purpose of all other forms of ownership is to secure the right to use and enjoyment of property or services for the benefit of the owner.

1. **What is the relationship between the two main characters?** The story begins with a man who has just returned from a long journey. He is carrying a large bag and appears to be in a hurry. As he walks through the town, he passes by a woman who is sitting on a bench. She is looking at him with a smile on her face. The man stops and looks back at her. They have a brief conversation, and the man asks if she would like to come with him. The woman agrees, and they walk off together.

It is important to note that the proposed changes do not affect the right of the individual to receive information about his or her personal data and the right to rectify, delete, or oppose such data.

Marketing them properly will ensure that you get the best return on your investment and help to increase the efficiency of your business. It's also important to remember that marketing is not just about advertising; it's about creating a positive image for your brand and building relationships with your customers. By doing this, you can increase customer loyalty and retention, which will ultimately lead to more sales and profits.

K. That upon the commencement of any foreclosure proceeding hereunder, the court in which such bill is filed may at any time, either before or after sale, and without notice to the Mortgagor, or any party claiming under him, and without regard to the solvency of the Mortgagor or the then value of said premises, or whether the same shall then be occupied by the owner of the equity of redemption as a homestead, appoint a receiver with power to manage and rent and to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and the statutory period of redemption, and such rents, issues and profits, when collected, may be applied before as well as after the sale, towards the payment of the indebtedness, costs, taxes, insurance or other items necessary for the protection and preservation of the property, including the expenses of such receivership, or on any deficiency decree, whether there be a decree therefor in personam or not, and if a receiver shall be appointed he shall remain in possession until the expiration of the full period allowed by statute for redemption, whether there be a redemption or not, and until the issuance of deed in case of sale, but if no deed be issued, until the expiration of the statutory period during which it may be issued and no lease of said premises shall be nullified by the appointment or entry in possession of a receiver but he may elect to terminate any lease junior to the tenancy.

ADJUSTABLE RATE LOAN RIDER

NOTICE: THE SECURITY INSTRUMENT SECURES A NOTE WHICH CONTAINS A PROVISION ALLOWING FOR CHANGES IN THE INTEREST RATE. INCREASES IN THE INTEREST RATE WILL RESULT IN HIGHER PAYMENTS. DECREASES IN THE INTEREST RATE WILL RESULT IN LOWER PAYMENTS.

This Rider is made this 13TH day of FEBRUARY, 1990, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note to CBAQIN FEDERAL BANK FOR SAYINGS (the "Lender") of the same date (the "Note") and covering the property described in the Security Instrument and located at 2254 W. ARTHUR, CHICAGO, ILLINOIS 60645.

Property Address

Modifications: In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note has an "Initial Interest Rate" of 7.75%. The Note interest rate may be increased or decreased on the 1ST day of the month beginning on MARCH 01, 1993, and on that day of the month every 36 months thereafter.

Changes in the interest rate are governed by changes in an interest rate index called the "Index". The Index is the:
 (Check one box to indicate Index.)

(1) * "Contract Interest Rate, Purchase of Previously Occupied Homes, National Average for all Major Types of Lenders" published by the Federal Home Loan Bank Board.

(2) NATIONAL MONTHLY MEDIAN COST OF FUNDS

(Check one box to indicate whether there is any maximum limit on changes in the interest rate on each Change Date; if no box is checked there will be no maximum limit on changes.)

(1) There is no maximum limit on changes in the interest rate at any Change Date.

(2) The interest rate cannot be changed by more than 3 percentage points at any Change Date.

If the interest rate changes, the amount of Borrower's monthly payments will change as provided in the Note. Increases in the interest rate will result in higher payments. Decreases in the interest rate will result in lower payments.

B. LOAN CHARGES

It could be that the loan secured by the Security Instrument is subject to a law which sets maximum loan charges and that law is interpreted so that the interest or other loan charges collected or to be collected in connection with the loan would exceed permitted limits. If this is the case, then: (A) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (B) any charges already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower.

C. PRIOR LIENS

If Lender determines that all or any part of the sums secured by this Security Instrument are subject to a lien which has priority over this Security Instrument, Lender may send Borrower a notice identifying that lien. Borrower shall promptly act with regard to that lien as provided in paragraph F of the Security Instrument or shall promptly secure an agreement in a form satisfactory to Lender subordinating that lien to this Security Instrument.

D. TRANSFER OF THE PROPERTY

If there is a transfer of the Property subject to paragraph F & G of the Security Instrument, Lender may require (1) an increase in the current Note interest rate, or (2) an increase in (or removal of) the limit on the amount of any one interest rate change (if there is a limit), or (3) a change in the Base Index figure, or all of these, as a condition of Lender's waiving the option to accelerate provided in paragraph F & G.

By signing this, Borrower agrees to all of the above.

* If more than one box is checked or if no box is checked, and Lender and Borrower do not otherwise agree in writing, the first Index named will apply.
