COVENANTS

3. Injuries. I will keep my property measured under normal circumstances. Any unusual property or to you at my expense and for your benefit, you will be informed as far as possible of the damage suffered or to the property or to you require more space than normal. I agree to maintain such insurance for as long as you require.

2. Glutamates aggregate Title I will pay all taxes, assessments, liens and encumbrances on the property within due date and will defend title to the property against any claim which would impair the lien of this mortgage. You may require me to assign any right, title or interest, claims or defenses which I may have against parties who supply labor or materials to improve or maintain the property.

1. **Family-based**: This approach focuses on the genetic variation within families. If two individuals share a common ancestor, they are more likely to have similar genetic variants. This method can identify genes that contribute to complex diseases by comparing the genetic profiles of affected and unaffected family members.
