TO SECURE REVOLVING LINE OF CREDIT

00194710

Beverly Bank, As Trustee, Under

THIS INDENTURE, made April 20, 1987, between TRUST AGREEMENT DATED MARCH 11, 1987 AND KNOWN AS TRUST NUMBER 8-8286, of 1357 W. 103rd St., Chicago IL 60643

(the "Grantor") and BEVERLY BANK (the "Trustee").

Concurrently herewith Grantor has executed a Line of Credit Agreement to open a line of credit (the "Line of Credit"), with Beverly Bank and has executed a Promissory Note made payable to BEVERLY BANK (the "Note") in the principal amount of \$125,000.00, to evidence the maximum loan under the Line of Credit Agreement which shall bear interest on the unpaid principal balance from time to time at a per annum rate as hereinafter described. The Note evidences a revolving credit loan and the Trust Deed secures payment of any existing indebtedness and future advances made pursuant to the Note to the same extent as if such future advances were made on the date hereof and regardless of whether or not any advance has been made as of the date of this Trust Deed or whether there is any outstanding indebtedness at the time of any future advances. Payments of all accrued interest on the then outstanding principal balance of the Note, at 1/2 percent above the Index Rate as hereafter defined, shall commence on the twenty-first (21st) day of the first month after the initial disbursement under the Line of Credit and continue on the 21st day of each month thereafter with a final payment of all principal and accrued interest due on April 20, 1995.

The "Index Rate" of interest is a variable rate of interest and is defined in the Note as the announced prime rate of interest for Large U.S. Money Center Commercial Banks, as published in the Wall Street Journal, as determined on the first day of each month during the term hereof. The prime rate in effect on non-business days shall be the Prime Rate for Large U.S. Money Center Commercial Banks, as published in the Wall Street Journal, on the immediately preceding business day. In the event the Wall Street Journal discontinues announcing or publishing the Prime Rate of Interest for Large U.S. Money Center Commercial Banks, the Trustee will choose a new index rate which is outside of the Trustee's control, is available to the general public and satisfies the requirements of Federal Reserve Board Regulation Z §226.6(b)(3)(ii). The Trustee will notify the Grantor of any new Index Rate implemented under this Line of Credit.

The annual interest rate applicable to the Line of Credit shall not exceed eighteen percent (18%).

To secure the payment of the principal balance of and all interest due on the Promissory Note and performance of the agreements, terms and conditions of the Line of Credit Agreement, and for other good and valuable consideration, the Grantor does hereby grant, remise, mortgage, warrant and convey to the Trustee, its successors and assigns the following described real estate at Oak Forest, County of Cook, and State of IL, to wit:

Lot 46 in La Grande Vista Unit Number 2, A Subdivision of Part of the East 1/2 of the Southwest 1/4 of section 17, Township 36 North, Range 13, East of the third principal meridian, According to the plat thereof recorded February 4, 1976 as Document Number 23380478, In Cook County, Illinois.

 - (iii) Any taking of the Premises through eminent domain.

3. The Trustee or the holder of the Note may, but need not, make any payment or perform any act to be paid or performed by Grantor and, may, but need not, make full or partial payments of principal or interest or prior encumbrances, if any, and purchase, discharge, compromise or settle any tax lien or other lien or title or claim thereon, or redeem from any tax sale or foreclosure affecting the Premises or consent to any tax or assessment upon the failure of Grantor to do so. All monies paid for any of the purposes herein authorized and all expenses paid or incurred in connection therewith, including attorneys' and paralegals' fees, and any other monies advanced by Trustee or the holder of the Note to protect the Premises and the lien hereby shall be additional indebtedness secured hereby and shall become immediately due and payable without notice and with interest thereon at the rate per annum set forth in the Note. The Trustee or the holder of the Note hereby secured making any payment hereby authorized relating to taxes or assessments, may do so according to any bill, statement or estimate prepared from the appropriate public office without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof.

4. When the indebtedness hereby secured shall become due whether by acceleration or otherwise, the holder of the Note or Trustee shall have the right to foreclose the lien hereof. In any suit to foreclose the lien hereof, there shall be allowed and included no additional indebtedness in the decree for sale all expenditures and expenses which may be paid or incurred by or on behalf of Trustee or holder of the Note for reasonable attorneys' and paralegals' fees, Trustee's fees, appraiser's fees, outlays for documentary and export evidence, stenographers' charges, publication costs and costs (which may be estimated as to items to be expended after entry of the decree) of procuring all such abstracts of title, title searches and examinations, grantor's policies, Torrens certificates, and similar data and assurances with respect to title as Trustee or the holder of the Note may deem to be reasonably necessary either to prosecute such suit or to evidence to bidders at any sale which may be had pursuant to such decree the true condition of the title to or the value of the Premises. All expenditures and expenses shall become additional indebtedness secured hereby and immediately due and payable, with interest thereon at the Note rate per annum, when paid or incurred by Trustee or holder of the Note in connection with (a) any proceeding, including probate and bankruptcy proceedings, in which any of them shall be a party, either as plaintiff, claimant or defendant, by reason of this Trust Deed or any indebtedness hereby secured; or (b) preparations for the commencement of any suit for the foreclosure hereof after accrual of such right to foreclose whether or not actually commenced; or (c) following fifteen (15) day written notice by Trustee to Grantor, preparations for the defense of any threatened suit or proceeding which might affect the Premises or the security hereof, whether or not actually commenced.

5. 6. Upon, or at any time after the filing of a bill to foreclose this Trust Deed, the Court in which such bill is filed may appoint a receiver of said Premises. Such appointment may be made either before or after sale, without notice, without regard to the solvency or insolvency of the time of application for such receiver, of the person or persons, if any, liable for the payment of the indebtedness secured hereby, and without regard to the then value of the Premises or whether the same shall be then occupied as a homestead or not and the Trustee hereunder may be appointed as such receiver. Such receiver shall have power to collect the rents, issues and profits of said Premises during the pendency of such foreclosure suit and, in case of a sale and a deficiency, during the full statutory period of redemption, whether there be redemption or not, as well as during any further time when Grantor, its successors or assigns, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management and operation of the Premises during the whole of said period. The Court from time to time may authorize the receiver to apply the net income in his hands in payment in whole or in part of: (1) the indebtedness secured hereby, or by any decree for foreclosing this Trust Deed, or any tax, special assessment or other lien which may be or become superior to the lien hereof or of such decree, provided such application is made prior to foreclosure sale; (2) the deficiency in case of a sale and deficiency.

7. The Trust Deed is given to secure all of Grantor's obligations under both the heretofore described Note and this Line of Credit Agreement (executed by Grantor contemporaneously herewith). All the terms of said Note and Line of Credit Agreement are hereby incorporated by reference herein by reference.

8. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of the Premises, or part thereof, or for conveyance, in lieu of condemnation, are hereby designated and shall be paid to Trustee or the Holder of the Note, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Trust Deed. Grantor agrees to execute such further documents as may be required by the condemnation authority to effectuate this paragraph. Trustee is hereby irrevocably authorized to apply or release such monies received or make settlement for such monies in the same manner and with the same effect as provided in this Trust Deed for disposition or settlement of proceeds of hazard insurance. No settlement for condemnation damages shall be made without Trustee's and the Holder's of the Note consulting as to same.
