3) Assignor will, from time to time, execute upon request of the Assignee, any and all instruments requested by the Assignee to carry this instrument into effect or to accomplish any other purposes deemed by the Assignee to be necessary or appropriate in connection with this Assignment or the Premises, including, without limitation, specific assignments of any lease or agreement relating to the use or occupancy of the Premises or any part thereof now or hereafter in effect as may be necessary or desirable, in the opinion of Assignee.

6) The Assignee shall be accountable only for such cash as it actually receives under the terms hereof.

7) Failure of the Assignee to do any of the things or exercise any of the rights, interests, powers and/or authorities hereunder shall not be construed to be a waiver of any of the rights, interests, powers or authorities hereby assigned and granted to the Assignee.

8) The Assignee shall assign this Assignment of Rents and Leases and any and all rights accruing thereunder to any subsequent assignee and holder of the Note and Mortgage for which this Assignment of Rents and Leases is given as additional security.

9) It is understood that the assignment of said Leases and of the rents, issues and profits of and from the Premises as effected hereby is an absolute assignment which is effective as at the date hereof and, upon demand by Assignee to the lessee under any said Leases or to any person liable for any of the rents issues, profits and other payments of and from the Premises or any part thereof, such lessee or person liable for any of such rents, issues, payments and profits shall, and is hereby authorized and directed to, pay to or upon the order of Assignee, and without inquiry of any nature, all rents then owing or thereafter accruing, or other payments required to be made, under said Leases or any other instrument or agreement, oral or written, giving rise to an obligation to pay rents, issues, profits or other payments in connection with the Premises.

10) So long as there shall exist no defaults by Assignor in the payment of any indebtedness secured hereby, or in the performance of any obligation, covenant or agreement herein or in the Note or Mortgage contained, Assignee shall not demand from lessees under said Leases or other persons liable therefor, any of the rents, issues, payments and profits hereby assigned but shall permit the Assignor to collect, upon but not prior to accrual, all such rents, issues, payments and profits from the Premises and the said Leases and to retain and enjoy the same; provided that notwithstanding the provisions of this Section 10, all lessees under said Leases and all other persons liable for rents, issues, payments and profits of and from the Premises shall comply with any demands for rents made by Assignee pursuant to the provisions of this Assignment of Rents and Leases without regard to whether or not the same is made in compliance with this Section 10.

11) Upon or at any time after default in the payment of any indebtedness evidenced by the Note or secured hereby or by the Mortgage, or in the performance of any term, provision, condition, obligation, covenant or agreement herein or in the Note or Mortgage contained, and the expiration of any period of grace, if any, with respect to any such default as provided for in the Note or Mortgage contained, the Assignee may declare all sums secured hereby immediately due and payable and may, at Assignee's option, without notice, either in person or by agent with or without bringing any action or proceeding, or by a receiver to be appointed by a court, enter upon, take possession of, and manage and operate the Premises and each and every part and parcel thereof; and in connection therewith, in its own name or the name of Assignor, the Assignee may make, cancel, enforce or modify Leases, fix or modify rents, repair, maintain and improve the Premises, employ contractors, subcontractors and workmen in and about the Premises, obtain

and evict tenants, sue for or otherwise collect or reserve any and all rents, issues, payments and profits, including those past due and unpaid, employ leasing agents, managing agents, attorneys and accountants in connection with the enforcement of Assignee's rights hereunder and pay the reasonable fees and expenses thereof, and otherwise do and perform any and all acts and things which Assignee may deem necessary or appropriate in and about the Premises for the protection thereof or the enforcement of Assignee's rights hereunder or under the Note or Mortgage; and any and all amounts expended by Assignee in connection with the foregoing shall constitute so much additional indebtedness secured hereby. Assignee shall apply any monies collected by Assignee, as aforesaid, less costs and expenses incurred, as aforesaid, upon any indebtedness secured hereby in such order and manner as Assignee may determine. The entering upon and taking possession of the Premises, the collection of rents, issues, payments and profits, the exercise of any of the rights hereinabove specified and the application of collections, as aforesaid, shall not cure, waive, modify or affect any default hereunder or under the Note or Mortgage.

12) Any tenants or occupants of any part of the Premises are hereby authorized to recognize the claims and demands of Assignee hereunder without investigating the reason for any action taken by the Assignee or the validity or the amount of indebtedness owing to the Assignee or the existence of any default hereunder or under the Note or Mortgage or the application to be made by the Assignee of any amounts to be paid to the Assignee. The sole signature of the Assignee shall be sufficient for the exercise of any rights under this Assignment and the sole receipt of the Assignee for any sums received shall be a full discharge and release therefor to any such tenant or occupant of the Premises. Checks for all or any part of the rentals or other payments collected under this Assignment of Rents and Leases shall be drawn to the exclusive order of the Assignee.

13) The Assignee shall not be obligated to perform or discharge, nor does it hereby undertake to perform or discharge any obligation, duty or liability under the said Leases, nor shall this Assignment operate to place upon Assignee responsibility for the control, care, management or repair of the Premises or the carrying out of any of the terms and conditions of the said Leases; nor shall it operate to make the Assignee responsible or liable for any waste committed on the Premises by a lessee or any other party, or for any dangerous or defective condition of the Premises, or for any negligence in the management, upkeep, repair or control of the Premises resulting in loss or injury or death to any tenant, licensee, invitee, employee or stranger.

14) The Assignor shall and does hereby agree to indemnify and to hold Assignee harmless of and from any and all liability, loss or damage which it may or might incur under said Leases or under or by reason of this Assignment and of and from any and all claims and demands whatsoever which may be asserted against it by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in said Leases. Should the Assignee incur any such liability, loss or damage under said Leases or under or by reason of this Assignment, or in the defense of any such

claims or demands, the amount thereof, including costs, expenses and reasonable attorneys' fees, shall be secured hereby, and Assignor shall reimburse the Assignee therefor immediately upon demand, and upon the failure of Assignor so to do the Assignee may declare all sums secured hereby immediately due and payable.

15) The Assignee has not received nor been transferred any security deposited by any lessee with the lessor under the terms of the Leases and the Assignee assumes no responsibility or liability for any security so deposited.

16) Assignor will not modify, change, alter, supplement, amend, surrender or accept surrender of any said Leases without Assignee's prior written consent.

17) Assignor has not, and will not, accept rent in advance under any Leases or other agreement of all or any part of the Premises excepting only monthly rents for current months which may be paid in advance.

18) Assignor shall cause this Assignment, at Assignor's sole cost and expense, to be recorded and filed and rerecorded and refiled in each and every public office in which such filing and recording may be necessary to constitute record notice of this Assignment and the terms and provisions hereof as applicable to the Premises.

19) Upon payment in full of all indebtedness secured hereby, this Assignment of Rents and Leases shall be and become void and of no effect.

20) This Assignment applies to, inures to the benefit of and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. Wherever the term "Assignor" is used herein, such reference shall be deemed to mean each Assignor whose name appears below, severally (and in the case of a land trust assignor, the trust beneficiaries), and all such Assignors, jointly and severally, and their respective heirs, legatees, devisees, executors, successors and assigns. Wherever the term "Assignee" is used herein, such term shall include all successors and assigns, including each and every from time to time owner and holder of the Note, of the Assignee named herein who shall have, hold and enjoy all of the rights, powers and benefits hereby afforded and conferred upon Assignee as fully and with the same effect as if such successors and assigns of Assignee were herein by name designated as Assignee.

21) In the event that Assignor is a trustee, then:

a) As further security for the payment and performance of the Assignor more fully set forth in paragraph 1 hereof, the beneficiaries of the Assignor, by directing Assignor to execute the within and foregoing Assignment, do thereby subject to the lien of this Assignment all of their right, title and interest in and to the rents, issues, leases, profits and avails now due and which may hereafter become due under and by virtue of any Lease, whether written or oral, or any letting of any part of the Premises which may have been heretofore or may be hereafter made or agreed to between the beneficiaries, or any of them, or which may be made or

agreed to by the Assignee or assigns under the powers herein granted with any tenant or occupant of any part of the Premises. The execution hereof by Assignor shall constitute conclusive evidence that such beneficiaries have directed the Assignor and have agreed as aforesaid, and by virtue of such direction have agreed to be bound by the provisions of this paragraph.

b) It is expressly understood and agreed by and between the parties hereto, anything herein to the contrary notwithstanding, that each and all of the warranties, indemnities, representations, covenants, undertakings and agreements herein made on the part of the trustee while in form purporting to be the warranties, indemnities, representations, covenants, undertakings and agreements of said trustee are nevertheless each and every one of them, made and intended not as personal warranties, indemnities, representations, covenants, undertakings and agreements by the trustee or for the purpose or with the intention of binding said trustee personally, but are made and intended for the purpose of binding only the trust property specifically described herein, and this instrument is executed and delivered by said trustee not in its own right, but solely in the exercise of the powers conferred upon it as such trustee; and that no personal liability or personal responsibility is assumed by nor shall at any time be asserted or enforceable against said trustee under said Trust Agreement, on account of this instrument or on account of any warranty, indemnity, representation, covenant, undertaking or agreement of the said trustee in this instrument contained, either expressed or implied, all such personal liability, if any, being expressly waived and released.
