Mortgagor agrees to repay, upon demand by Mortgagee, all sums advanced by Mortgagee to remedy such defaults, together with interest at the rate at which interest accrues on amounts due under the Notes after the same become due. All such sums, together with interest as aforesaid, shall become additional indebtedness secured by this Mortgage and by the Security Documents. No such payment by Mortgagee shall be deemed to relieve Mortgagor from any default or Event of Default hereunder.

2.5 Special Foreclosure. Mortgagor agrees that to the extent permitted by law, this Mortgage may be foreclosed by Mortgagor, at its option, pursuant to the provisions of Section 846.101 or Section 846.103(2) of the Wisconsin Statutes, as the same may be amended or renumbered from time to time.

2.6 Possession by Mortgagor. Upon the happening of an Event of Default, then and in every such case Mortgagor, either itself or by its agents or attorneys, may, in the discretion of Mortgagor, enter upon and take possession of the premises, or any part or parts thereof, and may exclude Mortgagor and its agents and servants wholly therefrom, and having and holding the same, Mortgagor may use, operate, manage, and control the premises or any part thereof, and conduct the business thereof, either personally or by superintendents, managers, agents, employees, and attorneys and, from time to time, by purchase, repair, or construction, may maintain and restore and may insure and keep insured the buildings, structures, improvements, fixtures, and other property, real and personal, comprising the premises. After paying the expenses of operating the premises, Mortgagor shall apply the moneys arising therefrom to the obligations.

2.7 Receiver. At any time after an Event of Default, Mortgagor shall be entitled, as a matter of right, without notice or demand and without giving bond to Mortgagor, or anyone claiming through or under Mortgagor, and without regard to the solvency or insolvency of Mortgagor or any person liable for any indebtedness hereby secured or to the value of the premises or the occupancy thereof as a home-stead, to have a receiver appointed of all or any part of the premises and of the earnings, income, rents, issues, and profits thereof, for such period or periods of time, including any foreclosure proceedings, before and after any judgment of foreclosure, and during the full statutory period of redemption, if any, and with such powers as the court making such appointment shall confer, including application of such earnings, income, rents, issues, and profits to the indebtedness secured hereby.

2.8 Remedies Cumulative. No remedy herein conferred upon or otherwise available to Mortgagor is intended to be or shall be construed to be exclusive of any other remedy or remedies, but each and every such right and remedy shall be cumulative and shall be in addition to every other right and remedy given hereunder and under any of the Security Documents and now or hereafter existing at law, in equity, or by statute. No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or an acquiescence therein; nor shall the giving, taking, or enforcement of any other or additional security, collateral, or guaranty for the payment of the indebtedness secured under this Mortgage operate to prejudice, waive, or affect the security of this Mortgage or any rights, powers, or remedies hereunder; nor shall Mortgagor be required to first look to, enforce, or exhaust, any such other or additional security, collateral, or guaranty.

2.9 Indulgences by Mortgagor. In the event that Mortgagor grants any extension of time or forbearance

MISCELLANEOUS

ARTICLE III

2.11 Completion of Construction. In the event that (a) an Event of Default shall have occurred and be continuing; and (b) work on any construction, remodeling, or improvements to the Premises shall cease before completion thereof; then Mortgagee may, at its option, enter upon the property and complete said construction, remodeling, or improvements, and Mortgagor hereby gives to Mortgagee full power and authority to make such entry and to enter into such contracts or arrangements as Mortgagee may consider necessary or appropriate to complete the same. All moneys expended by Mortgagee in connection with completion of said construction, remodeling, or improvements shall be added to the indebtedness hereby secured and shall be payable by Mortgagor to Mortgagee immediately and without demand, with interest thereon at the rate at which interest accrues on amounts due under the Notes after the same become due.

3.7 Right of Inspection. Mortgagee and its authorized agents, representatives, and employees shall have the right, at the option of Mortgagee, to enter into the premises at all reasonable times for the purpose of inspecting the same and, at the option of Mortgagee, remedying any default or Event of Default hereunder on the part of

3.6 Applicable Law. This Mortgage shall, in all respects, be governed by the internal laws of the State of Wisconsin.

3.5 Waivers by Mortgagor. To the fullest extent permitted by applicable law, Mortgagor, for itself, its successors and assigns, and each and every person with any interest in the premises, or any part thereof, whether now owned or hereafter acquired, hereby waives notice of maturity, demand, presentment for payment, diligence in collection, notice of non-payment and protest, and any and all other notices and defenses, whatsoever, with respect to any and all of the indebtedness hereby secured; hereby consents and agrees to any extension of time, whether one or more, for the payment thereof and/or to any and all renewals thereof; and hereby consents and agrees that Mortgagee may amend the terms thereof, and may release any party liable for the payment thereof, without, in any event, affecting the terms or effect of this Mortgage or the obligations or liabilities hereunder of Mortgagor, its successors or assigns, or any person with any interest in the premises, or any part thereof, whether now owned or hereafter acquired.

3.4 Successors and Assigns. All of the covenants and conditions hereof shall run with the land, shall be binding upon the successors and assigns of Mortgagor, and shall inure to the benefit of the successors and assigns of Mortgagee. This Mortgage and the Security Documents are made and entered into for the sole protection and benefit of Mortgagee and Mortgagor and their respective successors and assigns (but in the case of assigns of Mortgagor, only to the extent permitted hereunder), and no other person or persons shall have any right to action hereon or rights to the loan funds at any time; that the loan funds do not constitute a trust fund for the benefit of any third party; that no third party shall under any circumstances be entitled to any equitable lien on any undistributed loan funds at any time; and that Mortgagee shall have a lien upon and right to direct application of any undistributed loan funds as additional security for the obligations.
