1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amount and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Preservation and Maintenance of Property; Leaseholds. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

18. Borrower meets certain conditions, Borrower shall have the right to have enforcement rights to Resale. If Borrower meets certain conditions, Borrower shall have the right to Resale at any time prior to the earlier of: (a) 5 days (or such period as applicable law may specify) for reentry or (b) entry of a judgment pur suant to any power of sale contained in this Security Instrument. Those conditions are that Borrower: (a) pays all sums which would be due under this Security Instrument and the Note had no acceleration occurred; (b) pays all expenses all default of any other this Security Instrument; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorney fees; and (d) takes such action as Lender may reasonably require to pay the sum secured by this Security Instrument. Upon reentry and Borrower's obligation to pay the sum secured hereby shall remain fully effective as if no acceleration had occurred. However, this section shall not apply in the case of acceleration under paragraphs 13 or 17.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Securitization instrument. If Borrower fails to deliver such notice to the expiration of this period, Lender may invoke any remedies permitted by this Securitization instrument without further notice or demand on Borrower.

16. Borrower's Copy. Borrower shall be given one copy of the Note and of this Security Instrument.

17. Transfers of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercisable if exercise is prohibited by federal law as of the date of this Security Instrument.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the state in which the Property is located. In the event that any provision of this Security Instrument or the Note are declared to be severable,

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be delivered in writing in or by mail to the first class address unless applicable law requires otherwise. The notice shall be deemed given to Borrower if delivered to Borrower's address stated herein or any other address Lender designates by notice to Lender. Any notice provided for in this Security Instrument shall be deemed given to Borrower if delivered when given as provided in the first sentence of this paragraph.

particular, it may be necessary to include a provision in the Note of this Security Instrument authorizing Lender to take such steps as may be necessary to collect any sums secured by this Security Instrument if Lender shall take any steps specified in the second paragraph of this option.

12. Loan Charges. If the loan is finally interpreted so that the security instrument is subject to a law which sets maximum loan charges, and that law is interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the loan permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceed the permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower.

11. Successors and Assignees Found; Joint and Several Liability; Co-Signers. The covenants and agreements of this Security Instrument shall bind, and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's successors and assigns shall be joint and several. Any Borrower who co-signs this Security Instrument shall be liable, and liable to the same extent as Lender, for all sums secured by this Security Instrument, and any amounts paid by Lender under this Security Instrument, in accordance with the terms hereof, and shall remain obligated to pay the same to Lender, notwithstanding any agreement to the contrary made by any Borrower or any other person.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend to postpone the due date of the monthly payments referred to in Paragraphs 1 and 2 or change the amount of such payments. 10. Borrower's Note Released; Preference By Lender Not a Waiver. Extension of the time for payment of modification of the note shall not operate to release the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower, nor shall it affect the liability of the original Borrower or his successors in interest for the original amount of the note. Any holder of the note shall have the right to sue for the original amount of the note and the amount paid by him to Lender in payment of the note, and Lender shall be liable to him for the amount so paid.

If the property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condominium offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the property or to the sums secured by this Security Instrument, whether or not then due.

before the taking, divided by (b) the fair market value of the property immediately before the taking. Any balance shall be paid to the Receiver.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security instrument, whether or not there has been a default under the Note.

Holder or beneficiary shall pay the premiums required to maintain the insurance in effect until such time as the premium becomes due in accordance with Borrower's and Lender's written agreement for the benefit of the Borrower.

FIVE YEAR FIXED RATE THIRTY YEAR AMORTIZED LOAN MORTGAGE RIDER

THIS MORTGAGE RIDER is made this 8TH day of MAY, 1990, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Five Year Fixed Rate Thirty Year Amortized Loan Note (the "Note") to BELL FEDERAL SAVINGS AND LOAN ASSOCIATION (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

8516-8518 BROOKFIELD AVENUE, BROOKFIELD, IL 60513

PROPERTY ADDRESS

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT.

Additional Covenants. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 9.250 %. The Note provides for changes in the interest rate and the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the first day of JUNE, 1995, and on that day every sixtieth month thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index." The "Index" is the monthly average yield on actively traded issues of United States Treasury securities adjusted to a constant maturity of five years as made available by the Federal Reserve.

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding TWO percentage points (2.00 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). This rounded amount will be my new interest rate until the next Change Date.

The interest rate on this loan will never exceed 14.500 percent per annum.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to pay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments.

(D) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(E) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

B. ADDITIONAL NON-UNIFORM COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

24. ADDITIONAL INSURANCE. In the event that any, either or all of the undersigned Borrowers shall elect to secure life or disability insurance, or both, or insurance of similar nature, in an amount, form and company acceptable to the Lender as additional security for the indebtedness hereby secured, the Borrowers agree to pay or provide for the payment of all premiums on such insurance policies; and further agree that the Lender may advance any premiums due and payable on such insurance policies, and add the amount so advanced in payment of premiums as additional debt secured hereby, with interest at the Note rate.

25. RELEASE FEE. Notwithstanding Covenant 21 of the Security Instrument to the contrary, this Security Instrument shall be released upon payment to the Lender of the indebtedness secured hereby, pursuant to the terms hereof and the payment of its reasonable release fee.

- 26. ASSUMPTION POLICY.** Notwithstanding Covenant 17 of the Security Instrument, the Lender shall allow assumption by a prospective purchaser of the property securing this loan provided that; (1) The terms of the Note and the Security Instrument are not otherwise in default. (2) The Lender shall have the right to approve or disapprove the creditworthiness of any assuming party or parties and to deny assumption on the basis of lack of qualifications of the assuming party or parties under the Lender's loan underwriting standards. (3) In any and all events, any Lender shall have the right to charge an assumption fee of the greater of \$400.00 or ONE percent (1.00 %) of the then outstanding principal balance of this loan, said assumption fee to be charged to the extent allowed by unpreempted applicable state law.
- 27. STAFF ATTORNEYS' FEE.** The term "attorneys' fees" shall include reasonable fees charged by the Lender for the services of attorneys on its staff.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Mortgage Rider.
