TO SECURE TO LENDER in (a) the repayment of the indebtedness evidenced by the Note, with interest thereon, and all renewals, extensions and modifications thereof; (b) the repayment of any future advances, with interest thereon, made by Lender to Borrower pursuant to paragraph 29 hereof (herein "Future Advances"); (c) the payment of all other sums, with interest thereon, advanced in accordance herewith to protect the security of this instrument; and (d) the performance of the covenants and agreements of Borrower herein contained or of the beneficiary or guarantor (if applicable), set forth in any related agreement or document. Borrower does hereby mortgage, grant, convey and assign to Lender the following described property located in the County of Cook

State of Illinois, as legally described on Exhibit "A" attached hereto and made part hereof.

TOGETHER with all buildings, improvements, and tenements now or hereafter erected on the property, and all heretofore or hereafter vacated alleys and streets abutting the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water, water rights, and water stock appertaining to the property, and all fixtures, machinery, equipment, engines, boilers, incinerators, building materials, appliances and goods of every nature whatsoever now or hereafter located in, or on, or used, or intended to be used in connection with the property, including, but not limited to, those for the purpose of supplying or distributing heating, cooling, electricity, gas, water, air and light, and all elevators and related machinery and equipment, fire prevention and extinguishing apparatus, security and access control apparatus, plumbing, bathtubs, laundry equipment, water heaters, water closets, sinks, ranges, stoves, refrigerators, dishwashers, disposals, washers, dryers, awnings, storm windows, storm doors, screens, blinds, shades, curtains and curtain rods, mirrors, cabinets, paneling, rugs, attached floor coverings, furniture, pictures, antennas, trees and plants, and

Borrower covenants that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant, convey and assign the Property (and, if this instrument is on a leasehold, that the ground lease is in full force and effect without modification except as noted above and without default on the part of either lessor or lessee thereunder), that the Property is unencumbered, and that Borrower will warrant and defend generally the title to the Property against all claims and demands, subject to any easements and restrictions listed in a schedule of exceptions to coverage in any title insurance policy insuring Lender's interest in the Property.

Borrower covenants and agrees as follows:

1. **PAYMENT OF PRINCIPAL AND INTEREST.** Borrower shall promptly pay when due the principal of and interest on the indebtedness evidenced by the Note, any prepayment and late charges provided in the Note and all other sums secured by this instrument.
2. **FUNDS FOR TAXES, INSURANCE AND OTHER CHARGES.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly installments of principal or interest are payable under the Note (or on another day designated in writing by Lender), until the Note is paid in full, a sum (herein "Funds") equal to one-twelfth of (a) the yearly water and sewer rates and taxes and assessments which may be levied on the Property, (b) the yearly premium installments for fire and other hazard insurance, rent loss insurance and such other insurance covering the Property as Lender may require pursuant to paragraph 5 hereof, (c) the yearly premium installments for mortgage insurance, if any, and (d) if this instrument is on a leasehold, the yearly fixed rents, if any, under the ground lease, all as reasonably estimated initially and from time to time by Lender on the basis of assessments and bills and reasonable estimates thereof. Any waiver by Lender of a requirement that Borrower pay such Funds may be revoked by Lender, in Lender's sole discretion, at any time upon notice in writing to Borrower. Lender may require Borrower to pay to Lender, in advance, such other Funds for other taxes, charges, premiums, assessments and impositions in connection with Borrower or the Property which Lender shall reasonably deem necessary to protect Lender's interests (herein "Other Impositions"). Unless otherwise provided by applicable law, Lender may require Funds for Other Impositions to be paid by Borrower in a lump sum or in periodic installments, at Lender's option.

The Funds shall be held in an institution(s) the deposits or accounts of which are insured or guaranteed by a Federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay said rates, rents, taxes, assessments, insurance premiums and Other Impositions so long as Borrower is not in breach of any covenant or agreement of Borrower in this instrument. Lender shall make no charge for so holding and applying the Funds, analyzing said account or for verifying and compiling said assessments and bills, unless Lender pays Borrower interest, earnings or profits on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing at the time of execution of this instrument that interest on the Funds shall be paid to Borrower, and unless such agreement is made or applicable law requires interest, earnings or profits to be paid, Lender shall not be required to pay Borrower any interest, earnings or profits on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds in Lender's normal format showing credits and debits to the Funds and the purpose for which each debit to the Funds was made.
