said premises; (c) any purchase on conditional sale, lease or agreement under which title is received by the vendor, of any apparatus, fixtures, or equipment to be placed in or upon any buildings or improvements on said premises; (9) To pay the premiums on Mortgagor's Currency Insurance covering this mortgage when required by Mortgagor pursuant to its written commitment; and, (10) To pay when due any indebtedness which may be secured by a lien or charge upon the premises, superior to the lien hereof, and upon receipt, exhibit satisfactory evidence of the discharge of such prior lien to Mortgagor.

2. In addition to any monthly payments of principal and interest payable under the terms of the Note and the discretion of Mortgagor, the Mortgagors agree to pay to the holder of the Note, when requested by the holder of the Note, such sums as may be specified for the purpose of establishing a reserve for the payment of premiums on policies of fire insurance and such other hazards as shall be required hereunder covering the mortgaged property, and for the payment of taxes and special assessments accruing on the property (all as estimated by the holder of the Note); such sums to be held by the holder of the Note without any allowance for interest, for the payment of such premiums, taxes, and special assessments provided that such request whether or not complied with shall not be construed to affect the obligations of the mortgagors to pay such premiums, taxes and special assessments, and to keep the mortgaged premises insured against loss or damage by fire or lightning. If, however, payments made hereunder for taxes, special assessments and insurance premiums shall not be sufficient to pay the amounts necessary as they become due, then the Mortgagors shall pay the necessary amount to make up the deficiency. If amounts collected for the purpose ofresaid exceed the amount necessary to make such payment, such excess shall be credited on subsequent payments for these purposes to be made by Mortgagors.

3. Mortgagors agree that Mortgagor may employ counsel for advice or other legal service at the Mortgagor's discretion in connection with any dispute as to the debt hereby secured, or the lien of this instrument, or any litigation to which the Mortgagor may be made a party on account of this lien or which may affect the title to the property securing the indebtedness hereby secured or which may affect said debt or lien and any reasonable attorney's fees so incurred shall be added to and be a part of the debt hereby secured. Any costs and expenses reasonably incurred in the foreclosure of this mortgage and sale of the property securing the same and in connection with any other dispute or litigation affecting said debt or lien, including reasonably estimated amounts to conclude the transaction, shall be added to and be a part of the debt hereby secured. All such amounts shall be payable by the Mortgagors to the Mortgagor on demand, and if not paid shall be included in any decree or judgment as a part of said mortgage debt and shall include interest at the After Maturity Rate.

4. In case of default therein, Mortgagor may, but need not, make any payment or perform any act herein required of Mortgagor in any sum and manner deemed expedient, and may, but need not, make full or partial payments of principal or interest on prior encumbrances, if any, and purchase, discharge, compromise, settle any tax lien or other, prior lien or title or claim thereto, or redeem from any tax sale or forfeiture affecting said premises or contest any tax or assessment. All moneys and for any of the purposes herein authorized and all expenses paid or incurred in connection therewith, including attorneys' fees, and any other moneys advanced by Mortgagor in its discretion to protect the premises and the lien hereof, shall be so much additional indebtedness secured hereby and shall become immediately due and payable without notice and with interest thereon at the After Maturity Rate. Inaction of Mortgagor shall never be considered as a waiver of any right accruing to it on account of any default hereunder on the part of the Mortgagors.

5. Mortgagor making any payment hereby authorized relating to taxes or assessments, may do so according to any bill, statement or estimate procured from the appropriate public office without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof.

6. At the option of the Mortgagor and without demand upon or notice to Mortgagors, all unpaid indebtedness secured by this Mortgage shall, notwithstanding anything in the Note or in this Mortgage to the contrary, become due and payable when delinquent shall occur and continue for three days in the performance of any other agreement of the Mortgagors herein contained.

13. In case the premises, or any part thereof, shall be taken by condemnation, the Mortgagor is hereby empowered to collect and receive all compensation which may be paid for any property taken or for damages to any property not taken, and all condemnation compensation so received shall be forthwith applied by the Mortgagor as it may elect, to the immediate reduction of the indebtedness secured hereby, or to the repair and restoration of any property so damaged, provided that any excess over the amount of the indebtedness shall be delivered to the Mortgagor or their assignee.

14. All avails, rents, issues and profits of the premises are pledged, assigned and transferred to the Mortgagor, whether now due or hereafter to become due, under or by virtue of any lease or agreement for the use or occupancy of said premises, or any part thereof, whether said lease or agreement is written or verbal, and it is the intention hereof (a) to pledge said rents, issues and profits on a parity with said real estate and not secondarily and such pledge shall not be deemed merged in any foreclosure decree, and (b) to establish an absolute transfer and assignment to the Mortgagor of all such leases and agreements and all the avails thereunder, together with the right in case of default, either before or after foreclosure sale, to enter upon and take possession of, manage, maintain and operate said premises, or any part thereof, make leases for terms deemed advantageous to it, terminate or modify existing or future leases, collect said avails, rents, issues and profits, regardless of when earned, and use such measures whether legal or equitable as it may deem proper to enforce collection thereof, employ renting agents or other employees, alter or repair said premises, buy furnishings and equipment therefor when it deems necessary, purchase adequate fire and extended coverage and other forms of insurance as may be deemed advisable, and in general exercise all powers ordinarily incident to absolute ownership, advance or borrow money necessary for any purpose herein stated to secure which a lien is hereby created on the premises and on the income therefrom which lien is prior to the lien of any other indebtedness hereby secured, and out of the income retain reasonable compensation for itself, pay insurance premiums, taxes and assessments, and all expenses of every kind, including attorney's fees, incurred in the exercise of the powers herein given, and from time to time apply any balance of income not, in its sole discretion, needed for the aforesaid purposes, first on the Interest and then on the principal of the indebtedness hereby secured, before or after any decree of foreclosure; and on the deficiency in the proceeds of sale, if any, whether there be a decree in personam therefor or not.
