INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Pates

AUGUST , 19 91 , and on that day every 12th month inherealter. Each date on which my interest rate could change is called a "Change Date" (B) The Index

Beginning with the first Change Diste, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent index figure available as of the date 45 days before each Crisinge Date is called the "Current Index."

If the Index is no longer available, the Noie Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding TWO AND 75/100 percentage points (2 : 750 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the montily payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date infulf on the maturity date at my ne vinterest rate in substantially equal payments. The result of this calculation, will be the new amount of my monthly payment,

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be preater than 10.250 % or less than % Thereafter, my interest rate will riever be increased or decreased on any single Change Date by more than two percentage points (2.0%) from the rate of interest I have been paying for the preceding twelve months. My interest rate will never be greater inan 14.750 %

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again

(F) Natice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the arnor and my monthly payment before the effective date of any change. The notice will include information required by law to be given me and filso the title and telephone number of a person who will answer any question I may have regarding the notice.
