If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

8. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award, & settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

10. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

11. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

12. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sum already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. Legislation Affecting Lender's Rights. If enactment or expiration of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraphs 13 or 17.

Rate Adjustment Limitation

The interest rate may not be adjusted to a rate higher than the Maximum Rate or to a rate lower than the Minimum Rate, unless there is a sale or transfer of the real property described in the deed of trust, mortgage or other security instrument securing the Note (the "Security Instrument") which requires Holder's consent. Upon such sale or transfer of said real property, the Holder reserves the right to adjust the Maximum Rate up to five percentage points (5%) above and the Minimum Rate up to five percentage points (5%) below the sum of the Rate Differential and the Current Index most recently published either prior to the date of such sale or transfer or the date this loan obligation is assumed. Holder at its sole option may exercise the rights reserved in this paragraph, or may forego the exercise of such rights, without waiving said rights in connection with future transfers requiring Holder's consent. Such election must be made by Holder for each sale or transfer at the time Holder's consent to that sale or transfer is given.

3. Installment Adjustments

The Initial Monthly Installment amount shall be adjusted commencing on the First Installment Adjustment Date and annually thereafter as follows. Within approximately sixty (60) days prior to each Installment Adjustment Date a review of the loan shall be made for the purpose of calculating the installment adjustment. The loan balance as of the time of the review shall be projected to the Installment Adjustment Date, without regard to any delinquent or prepaid installments, to calculate the installment adjustment. The interest rate in effect at the time of review shall be used for calculation of the adjustment. The monthly installment shall be adjusted to an amount which would be sufficient to then amortize the projected loan balance at said rate over the remaining term of this loan. The projected loan balance shall be that amount projected by the Holder to be outstanding immediately prior to the due date of the next adjusted installment, assuming that no prepayments of principal or changes in the interest rate will be made after the date of determination and disregarding any delinquent or prepaid monthly installments of principal and interest.

Installment Adjustment Limitation. Any monthly installment increase or decrease required under the provisions of this Paragraph 3 shall not exceed 7½% of the monthly installment due prior to the effective date of an installment adjustment except at the end of the tenth (10th) year from the commencement date of the monthly installments due on the Note, and at the end of each fifth (5th) year thereafter, when installments will be adjusted without regard to the 7½% limitation.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. TRANSFER OF THE PROPERTY OR OF A BENEFICIAL INTEREST IN BORROWER

Paragraph 17 of the Security Instrument is amended to read as follows: (Lender means Holder, Borrower means the undersigned.)

17. **LENDER'S CONSENT REQUIRED.** Lender may declare all sums secured hereby immediately due and payable within 30 days after such declaration except as expressly limited by law, if Borrower without Lender's prior written consent, (a) sells, conveys, contracts to sell, assigns, or further encumbers all or any part of the property; or (b) leases all or any part of the property for a term, together with all exercisable options, of 5 years or more; or (c) leases all or any part of the property and, in connection with such lease, grants the lessee an option to purchase all or any part of the property; or (d) suffers the title or any interest in the property to be divested, whether voluntarily or involuntarily; or (e) changes or permits to be changed the character or use of the property; or (f) is a partnership and any of the general partners' interests in the partnership are transferred or assigned whether voluntarily or involuntarily; or (g) is a corporation with fewer than 100 stockholders at the date of execution of this Security Instrument and more than 10% of its capital stock is sold, transferred or assigned during a 12-month period.

B. FUNDS FOR TAXES AND INSURANCE

The third sentence in the second paragraph of Uniform Covenant 2 of the Security Instrument is amended to read as follows:

Lender may not charge for holding and applying the Funds, analyzing the account, or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge, provided however, that Lender may impose upon Borrower at closing a fee to compensate a third party who shall be responsible for the monitoring and payment of real estate taxes without thereby becoming obligated to pay Borrower interest on the Funds.

C. LEGISLATION AFFECTING LENDER'S RIGHTS

Uniform Covenant 13 of the Security Instrument is hereby deleted.

IN WITNESS WHEREOF, the parties hereto have executed this instrument this day of June, 1986, at the place and in the manner specified below:
