(a) to terminate the right and license granted to Assignor hereunder and thereafter, without taking possession, demand, collect, receive, and sue for the rents and other sums payable under the Leases; and

4.2. Application of Rents. After payment of all proper charges and expenses, including the just and reasonable compensation for the services of Assignee, its attorneys, agents, clerks, servants, and others employed by Assignee in connection with the operation, management, and control of the Property and the conduct of the business thereof, and such further sums as may be sufficient to indemnify Assignee from and against any liability, loss, damage, cost, and expense on account of any matter or thing done in good faith in pursuance of the rights and powers of Assignee hereunder, Assignee may, at its option, retain and apply the net amount of rents, revenues, income, issues, and profits arising from the Property, in whole or in part, to any and all amounts due or owing to Assignee from Assignor under the terms and provisions of the Note, this Assignment, the Security Documents, or any other agreement now or at any time hereafter existing between Assignor and Assignee. The manner of the application of such net

amount of rents, revenues, income, issues, and profits and the obligations to which the same shall be applied shall be within the sole discretion of Assignee. The balance of such net amount of rents, revenues, income, issues, and profits shall be released to or upon the order of Assignor.

4.4. Direction to Tenants. Assignor hereby consents to and irrevocably authorizes and directs the tenants under the Leases and any successors to the interest of said tenants, upon demand and notice from Assignee of the right of Assignee to receive the rent and other amounts payable under such Leases, to pay to Assignee the rents and other amounts due or to become due under the Leases, and said tenants shall have the right to rely upon such demand and notice from Assignee and shall pay such rents and other amounts to Assignee without any obligation or right to determine the actual existence of the right of Assignee to receive such rents and other amounts, notwithstanding any notice from or claim of Assignor to the contrary, and Assignor shall have no right or claim against said tenants for any such rents and other amounts so paid by said tenants to Assignee. Assignor hereby agrees that, at the request of Assignee, Assignor will furnish each tenant under any Lease with a true and complete copy of this Assignment. If the Property or any part thereof is now or at any time hereafter used or occupied by Assignor as a homestead or otherwise, then Assignor shall pay to Assignee, upon written demand by Assignee, such sum per month as, in the opinion of Assignee, is reasonable rent for the Property so used or occupied, to be applied by Assignee as herein provided, and, upon demand by Assignee, Assignor shall vacate the Property to Assignee.

4.5. License to Assignor. Notwithstanding the foregoing provisions making and establishing a present and absolute transfer and assignment of the Leases and the rents, earnings, income, and profits arising therefrom, so long as no Event of Activation shall have occurred, Assignor shall have the right and license to occupy the Property as landlord or otherwise, to collect, use, and enjoy the rents, issues, profits, and other sums payable under and by virtue of any Lease, but only as the same become due under the provisions of such Lease, and to enforce the covenants of each Lease.

4.6. Right of Inspection. Assignee and its authorized agents and employees shall have the right, at the option of Assignee and subject to tenant's rights, to enter into the Property at all reasonable times for the purpose of inspecting the same and, at the option of Assignee, remedying any default or Event of Default hereunder on the part of Assignor, including, but not limited to, any failure on the part of Assignor to repair the Property.

4.7. Rights Optional. Assignee shall not be obligated to perform or discharge any obligation, duty, or liability of Assignor, nor shall Assignee be responsible for its failure to exercise or enforce any rights granted to it under this Assignment. Any failure or omission by Assignee to enforce this Assignment for any period of time shall not impair the force or effect hereof or prejudice the rights of Assignee, and Assignee shall not be required under this Assignment to exercise or enforce any of the rights herein granted to it, it being understood that all matters contained herein are strictly within the discretion of Assignee.

4.8. Rights Cumulative. No right or remedy herein conferred upon or otherwise available to Assignee is intended to be or shall be construed to be exclusive of any other right or remedy, but each and every one of the rights and remedies of Assignee hereunder are cumulative and not in lieu of, but in addition to, any rights or remedies which Assignee may have under the Note, the Security Documents, at law, or in equity, any and all of which such rights and remedies may be exercised by Assignee prior to, simultaneously with, or subsequent to any action taken hereunder. Any and all rights and remedies of Assignee may be exercised from time to time and as often as Assignee deems such exercise to be expedient, and the delay or failure of Assignee to avail itself of any of the terms, provisions, and conditions of this Assignment for any period of time, at any time or times, shall not be construed or deemed to be or constitute a waiver or impairment thereof. No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or an acquiescence therein; nor shall the giving, taking, or enforcement of any other or additional security, collateral, or guaranty for the payment of the indebtedness secured under this Assignment operate to prejudice, waive, or affect the security of this Assignment or any rights, powers, or remedies hereunder; nor shall Assignee be required to first look to, enforce, or exhaust, any such other or additional security, collateral, or guaranty. Assignor hereby further agrees that (a) none of the rights or remedies of Assignee available under the Mortgage or any other Security Document or otherwise shall be delayed or in any way prejudiced by this Assignment; (b) notwithstanding any variation or modification, at any time, of the terms of the Note, the Mortgage, and/or any other Security Document or any extension of time for payment thereunder or under the Note or any release of part or parts of the security conveyed under any of the Security Documents, the Leases and all of the benefits assigned hereunder shall continue as additional security in accordance with the terms hereof; and (c) each and all of the Leases shall remain in full force and effect, irrespective of any merger of the interest of a lessor and tenant thereunder.

4.9. Rights Throughout Redemption. The right of Assignee to collect and receive the rents and other revenues assigned hereunder, to take possession of the Property, and/or to exercise any of the rights or powers herein granted to Assignee shall, to the extent not prohibited by applicable law, also extend to the period from and after the filing of any suit to foreclose the lien of the Mortgage, including any period allowed by law for the redemption of the Property, whether before or after any foreclosure sale.

UNOFFICIAL COPY

4.10. No Waiver. Assignor hereby agrees that the collection of rents and the application as aforesaid, the entry upon and taking of possession of the Property, or any part thereof, or the exercise of any other right or remedy by Assignee shall not cure or waive any Event of Default hereunder; waive, modify, or affect any Declaration or other notice given hereunder; cure or waive any default; waive, modify, or affect any notice of default under the Note or the Mortgage; affect or impair any other right or remedy of Assignee; or invalidate any act done pursuant to any such Declaration or other notice. The enforcement of any right or remedy by Assignee, once exercised, shall continue for so long as Assignee shall elect, and if Assignee shall thereafter elect to discontinue the exercise of any such right or remedy, then the same or any other right or remedy hereunder or otherwise available may be reasserted at any time and from time to time upon any subsequent or continuing default.

4.11. Indulgences by Assignee. In the event that Assignee (a) grants any extension of time or forbearance with respect to the payment of any indebtedness secured by this Assignment; (b) takes other or additional security for the payment thereof; (c) waives or fails to exercise any right granted herein or under the Note or any Security Document; (d) grants any release, with or without consideration, of the whole or any part of the security held for the payment of the debts secured hereby or the release of any person liable for payment of such debts; (e) amends or modifies, in any respect, any of the terms and provisions hereof or of the Note (including substitution of another Note) or any of the Security Documents; then and in any such event, such act or omission to act shall not release Assignor or any co-makers, sureties, or guarantors of this Assignment or of the Note, under any covenant of this Assignment or of the Note, nor preclude Assignee from exercising any right, power, or privilege herein granted or intended to be granted in the event of any other default or Event of Default then made or any subsequent default or Event of Default, nor in any way impair or affect the lien or priority of this Assignment or any other Security Document.
