1. Payment: I agree to make all payments on the secured debt when due. Unless we agree otherwise, any payments you receive from me or then to principal. If partial prepayment of the secured debt is paid in full, I will not reduce or excuse any subsequently scheduled payment until the secured debt is paid in full.

2. Claims against Title: I will pay all taxes, assessments, liens and encumbrances on the property when due and will defend title to the property against any claims which would impair the lien of this mortgage. You may require me to assign any rights, claims or defenses which I may have against parties who supply labor or materials to improve or maintain the property.

3. Insurance: I will keep the property insured under terms acceptable to you at my expense and for your benefit. You will be named as loss payee or as the insured on any such insurance policy. Any insurance proceeds may be applied, within your discretion, to either the restoration or repair of the damaged property or to the secured debt. If you require mortgage insurance, I agree to maintain such insurance for as long as you require.

4. Property: I will keep the property in good condition and make all repairs reasonably necessary.

5. Expenses: I agree to pay all your expenses, including reasonable attorneys' fees if I break any covenants in this mortgage or in any obligation secured by this mortgage. Attorneys' fees include those awarded by an appellate court. I will pay these amounts to you as provided in Covenant 10 of this mortgage.

6. Default and Acceleration: If I fail to make any payment when due or break any covenants under this mortgage, any prior mortgage or any other obligation secured by this mortgage, you may accelerate the maturity of the secured debt and demand immediate payment and exercise any other remedy available to you. You may foreclose this mortgage in the manner provided by law.

7. Assignment of Rents and Profits: I assign to you the rents and profits of the property. Unless we have agreed otherwise in writing, I may collect and retain the rents as long as I am not in default. If I default, you, your agent, or a court appointed receiver may take possession and manage the property and collect the rents. Any rents you collect shall be applied first to the costs of managing the property, including court costs and attorneys' fees, commissions to rental agents, and any other necessary related expenses. The remaining amount of rents will then apply to payments on the secured debt as provided in Covenant 1.

8. Waiver of Homestead: I hereby waive all right of homestead exemption in the property.

9. Leasehold: Condominiums, Planned Unit Developments: I agree to comply with the provisions of any lease if this mortgage is on a leasehold. Regulations of the condominium or a planned unit development, I will perform all of my duties under the covenants, by-laws, or regulations of the condominium or planned unit development.

10. Authority of Mortgagee to Perform for Mortgagee: If I fail to perform any of my duties under this mortgage, you may perform the duties or cause them to be performed. You may sign my name or pay any amount if necessary for performance. If any construction on the property is discontinued or not carried on in a reasonable manner, you may do whatever is necessary to protect your security interest in the property. This may include completing the construction.

Your failure to perform will not preclude you from exercising any of your other rights under the law or this mortgage.

Any amounts paid by you to protect your security interest will be secured by this mortgage. Such amounts will be due on demand and will bear interest from the date of the payment until paid in full at the interest rate in effect on the secured debt.

11. Inspection: You may enter the property to inspect. If you give me notice beforehand, the notice must state the reasonable cause for your inspection.

12. Condemnation: I assign to you the proceeds of any award or claim for damages connected with a condemnation or other taking of all or any part of the property. Such proceeds will be applied as provided in Covenant 1. This assignment is subject to the terms of any prior security agreement.

13. Waiver: By exercising any remedy available to you, you do not give up your right to later use any other remedy. By not exercising any remedy, if I default, you do not waive your right to later consider the event a default if it happens again.

14. Joint and Several Liability: Co-signers: Successors and Assigns Bound: All duties under this mortgage are joint and several. If I co-sign this mortgage but do not co-sign the underlying debt I do so only to mortgage my interest in the property under the terms of this mortgage. I also agree that you and any party to this mortgage may extend, modify or make any other changes in the terms of this mortgage or the secured debt without my consent. Such a change will not release me from the terms of this mortgage.

The duties and benefits of this mortgage shall bind and benefit the successors and assigns of either or both of us.

15. Notice: Unless otherwise required by law, any notice to me shall be given by delivering it or by mailing it by certified mail addressed to me at the Property Address or any other address that I tell you. I will give any notice to you by certified mail to your address on the front side of this mortgage, or to any other address which you have designated.

Any notice shall be deemed to have been given to either of us when given in the manner stated above.

16. Transfer of the Property or a Beneficial Interest in the Mortgage: If all or any part of the property or any interest in it is sold or transferred without your prior written consent, you may demand immediate payment of the secured debt. However, you may not demand payment if the mortgage is not a natural person and a beneficial interest in the mortgage is sold or transferred. You may also demand immediate payment if in the above situations it is prohibited by federal law as of the date of this mortgage.

17. Release: When I have paid the secured debt, you will discharge this mortgage without charge and I agree to pay all costs to record this mortgage.

HOME EQUITY LINE OF CREDIT

GENERALLY: This is an agreement about your home equity line of credit. Many of the terms we use in this agreement have special meanings. The term "loan account balance" means the sum of the unpaid principal of loans made under this plan, plus unpaid but earned finance charges, plus any credit insurance premiums that are due. "Transaction Account" means an account you carry with us. The number of this account is listed at the top of the form on the line labeled "Trans. Acct. #". "Line of Credit" means the maximum amount of principal we will ordinarily allow you to owe us under this plan at any time. "Triggering Balance" is the amount you must keep in your transaction account to prevent us from lending you money under this plan.

In addition, we will use the following terms for this home equity plan: "Initial Advance" means the amount of money we will require you to accept as an advance to open the plan. "Minimum Advance" means the smallest amount of money we will advance to you at your request. The "Minimum Balance" is the amount of principal of loans we will require you to maintain outstanding during the plan. If the principal balance outstanding falls below the minimum balance, you may have to pay a fee described below.

If any term of this agreement violates any law or for some other reason is not enforceable, that term will not be part of this agreement. This agreement is subject to the laws of the state where we are located.

TAX DEDUCTIBILITY: You should consult a tax advisor regarding the deductibility of interest and charges under this home equity plan.

REQUESTING A LOAN: You request a loan under this plan whenever you:
 • write a check for at least the minimum advance listed above using one of the special checks you have for that purpose.

HOW THE LOAN IS ADVANCED: When you request a loan, we will, subject to any limitations contained in this agreement, advance exactly the amount you request, so long as the requested amount equals or exceeds the minimum advance listed above. We will make the advance by depositing the amount in your transaction account, by advancing the money directly to you, or by paying a designated third person or account, depending on how we agree to make the advance. We will record the amount as a loan in your loan account.

If your request is for less than the minimum advance, we may, at our option, grant the request. However, granting this request does not mean we will be required to grant requests for less than the minimum advance in the future. We always have the option to deny any such request.

However, we will not ordinarily grant any request for a loan which would cause the unpaid principal of your loan to exceed the limit of the Line of Credit listed above. We may, at our option, grant such a request without obligating ourselves to do so in the future.

HOW FINANCE CHARGES ARE COMPUTED: Finance charges begin to accrue immediately when we make a loan to you. We figure the finance charge we will apply a periodic rate of finance charge on each billing cycle to the "average daily balance" of your loan account or the billing cycle. The "average daily balance" is computed as follows: First, we take your loan account balance at the beginning of the day and subtract any unpaid finance charges and credit insurance premiums (if any) on that day. Next, we subtract the portion of any payments or credits received that day which apply to the repayment of your loans. (A portion of each payment you make is applied to finance charges and credit insurance premiums, if any. If we add any new loans made that day, this gives us the daily balance. We add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance".

The periodic rate of FINANCE CHARGE is 0.246575%, which is equal to an ANNUAL PERCENTAGE RATE of 9.00%. The annual percentage rate includes interest and not other costs.

VARIABLE RATE: The annual percentage rate may change, and will be 3 Percentage Points Above the following "base rate": Prime rate as quoted in the Wall Street Journal on the first day of each month. The annual percentage rate may increase if this "base rate" increases. An increase will take effect on the first cycle date. An increase will result in an increase in the finance charge and it may have the effect of increasing your periodic minimum payment. The annual percentage rate will not increase more often than once a month. A decrease will have the opposite effect of an increase described above.

If the base rate changes more frequently than the annual percentage rate, we will always use the base rate in effect on the day we adjust the annual percentage rate to determine the new annual percentage rate. In such a case, we will ignore any changes in the base rate that occur between annual percentage rate adjustments.

The "annual percentage rate" referred to in this section is the annual rate which corresponds to the periodic rate applied to the balance as described above. This corresponding ANNUAL PERCENTAGE RATE will never exceed 12.9%, and will never exceed the highest allowable rate for this type of agreement as determined by applicable state or federal law.

HOW YOU REPAY YOUR LOANS: On or before each payment date you agree to make a minimum payment. The minimum payment is the accrued finance charges and credit insurance premiums (if any) on the last day of the billing cycle. If you fail to make a payment, we may, but are not required to, advance money to you to make the payment. All the terms of this agreement would apply to such a loan.

You can pay off all or any part of what you owe at any time. However, so long as you owe any amount you must continue to make the minimum payment.

The amounts you pay will first reduce the amount owed for any credit insurance, then will reduce the finance charges.

FINAL PAYMENT: On the maturity date listed above, you must pay any remaining loan account balance outstanding. The minimum payment will not reduce the principal that is outstanding on your line. You will then be required to pay the entire balance in a single balloon payment.

We are not obligated to advance your loan account balance at that time, but we will consider your request to do so. If you readvance this amount at maturity, you may have to pay some or all of the closing costs normally associated with a new loan even if you obtain financing from us.

ADDITIONAL REPAYMENT TERMS: If your loan account balance on a payment date is less than the minimum payment amount, you must pay only the loan account balance.

If you fail to make a payment, we may, but are not required to, advance money to you to make the payment. All the terms of this agreement would apply to such a loan.

You can pay off all or any part of what you owe at any time. However, so long as you owe any amount you must continue to make your periodic minimum payment.

The amounts you pay will first reduce the amount owed for credit insurance (if any), then will reduce the finance charges, and finally will reduce the amount of unpaid loans.

AUTOMATIC WITHDRAWAL: If checked, you authorize us to automatically withdraw your payment from your transaction account on each payment date. If your transaction account does not have enough money in it to make the minimum payment, we may, but are not required to, lend you money to make the payment. All the terms of this agreement will apply to such a loan. If your loan account balance is less than the minimum payment amount, we will withdraw only the amount necessary to reduce your loan account balance to zero.

SECURITY: To secure the payment of what you owe, we have the right of set-off. This means we can pay the amount you owe us out of money that we are required to pay you (such as money in your savings or checking account). However, we cannot use in this way money in your IRA or other tax-deferred retirement account. State law may further limit our right of set-off.

However, we will have no right of set-off if you can obtain credit under this plan by using a debit or a credit card.

We have also secured your obligations under this plan by taking a security interest (by way of a separate security agreement, mortgage or other instrument dated August 19, 1991) in the following property, described by item or type:

Junior mortgage on the property commonly known as 12540 S. 70th Avenue, Plover Heights, IL 60463 and held in the names of Michael W. Kearney and Rhonda K. Kearney, his wife.

If checked, collateral securing other loans you have with us may also secure loans under this agreement.

Filing fees \$ _____

If this agreement is secured by real property, we agree to pay any expenses involved in releasing the lien.

You may buy property insurance from anyone you want who is acceptable to us. If you buy the insurance from or through us, your premium will be n/a.

CHANGING THE TERMS OF THIS AGREEMENT: Generally, we may not change the terms of this agreement. However, we may change the terms in the following circumstances:

- If this is a variable rate plan, we may change the index and margin if the original index described above becomes unavailable. Any new index will have a historical movement similar to the original, and, together with a new margin, will produce a similar interest rate.
- We may make changes that you have agreed to in writing.
- We may make changes that unequivocally benefit you.
- We may make changes to insignificant terms of this agreement.

In addition, we may make the following specific changes upon the occurrence of the events described:

- We will increase the ANNUAL PERCENTAGE RATE n/a % if you leave your position with us.
- We will increase the margin n/a % if you leave your position with us.
- We will increase the ANNUAL PERCENTAGE RATE n/a % if you fail to maintain a qualifying minimum balance of \$ n/a in a savings or money market account at our institution.
- We will increase the margin n/a % if you fail to maintain a qualifying minimum balance of \$ n/a in a savings or money market account at our institution.

We will refuse to make additional extensions of credit or reduce your credit limit if the maximum annual percentage rate is reached.

If we change the terms of this agreement, we will mail notice of the change to you. When the change becomes effective, it will apply to all outstanding loan account balances, including amounts arising out of unexecuted, occurring before the change.

If the change has the effect of increasing your interest rate or other charges, we will mail you notice at least 30 days before the effective date of the change. In such a case, the change will take effect only if you make a purchase or obtain a loan after the date specified in the notice. Otherwise, you may pay the outstanding loan account balance according to the terms of the plan without regard to the change.

ADDITIONAL CHARGES: You agree to pay the following additional charges:

- A late charge on any payment not paid within 10 days of the payment date of 5% of the payment or \$5.00, whichever is less.
- A charge of \$10.00 for any advance made in an amount less than the minimum advance.
- A fee of \$ 50.00 per year in order to participate in this plan. We will add this amount to your loan account balance on an annual basis.
- Stop payment charge: A \$12.50 charge will be assessed to stop payment orders.
- Over the limit charge: A \$15.00 charge for a check which is returned because it was in excess of the line.
