If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

8. Inspection. Lender or its agent may make reasonable entries upon and inspect any of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, resulting from any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

10. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

11. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument, (b) is not personally obligated to pay the sums secured by this Security Instrument, and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

12. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit, and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. Legislation Affecting Lender's Rights. If enactment or expiration of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable, according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivery or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by the law of the state or territory whose jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of (a) 5 days (or such other period as applicable law may specify) for reinstatement before sale of the Property pursuant to any power of sale contained in this Security Instrument, or (b) entry of a judgment enforcing this Security Instrument. These conditions are that Borrower (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred, (b) cures any default of any other covenants or agreements, (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon such reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraphs 13 or 17.

Any amounts disbursed by Lender under this paragraph shall become additional debt of Borrower secured by this instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

7. Protection of Lender's Rights in the merger. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or if a legal proceeding that may distinguishably affect the property in the event of a bankruptcy, foreclosure, or other proceedings, Lender's rights in the Property (such as a pre-emption right) shall not merge with the rights of the Lender's successors and assigns in the property. Lender's rights in the Property shall not merge with the rights of the Lender's successors and assigns in the property.

6. Preparation and issuance of Property leasehold. Borrower shall not destroy, damage or subvert any immovable property to the acquisition of which he has agreed.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not exceed or from damage to the Property prior to the acquisition shall pass to the extent of the sums accrued by this Security under paragraph 19 the Property is acquired by Lender. Borrower's right to any insurance policies and proceeds resulting from damage prior to the date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments. If posits one the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments. If

If Miles Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration of report of the Property damaged, if the restoration of report is economically feasible and Lender's security is not lessened. If the restoration of report is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the same sums secured by this Security instrument, whether or not then due. The 30-day period will begin when the notice is given.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender receives a claim prompt notice to the insurance carrier and lender may make proof of loss in not made promptly by Borrower.

3. Hazard Insurance. Borrower shall keep the property exempt from any existing or hereafter created on the Property insurance loss by fire, hazards included within the term "extreme coverage" and any other hazards for which Lender insures insurance coverage. This insurance shall be maintained in the amount and for the periods that Lenders require. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

Borrower shall promptly discharge any debt which has priority over this security instrument unless Borrower: (a) agrees in writing to the payment of the debt obligations as set forth by the lien in a manner acceptable to Lender; (b) contributes in good faith the lien by depositing assets in forcement of the lien in its legal proceedings which is in the Lender's opinion operate to prevent the enforcement of the lien or to rectify one of the acts of the Lender; (c) secures from the holder of the lien a transfer of the property to Lender subordinating the lien to this security instrument. Lender may give Borrower a notice demand specifying the lien. Borrower shall notify the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in such manner, Borrower shall immediately pay such amounts to the trustee in trust for the benefit of the holders of the notes or other obligations of the corporation.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied first to late charges due under the Note; second, to principal due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due and last, to principal due.

Upon payment in full of all sums advanced by this Society, funds received by Lender shall promptly be returned to Borrower.

To understand the day-to-day monitoring payments are due under the Note, until the Note is paid in full, a simple procedure may be used. Suppose to inspect a note for 10 days, starting at the end of January, for example. The funds due on the first day of February would be the sum of the principal plus interest accrued from January 1 to January 31, plus the interest accrued on the principal for the first day of February.

1. **Program of Principal and Interests Preparation and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayments made thereunder.
2. **Funds for the Taxes and Assessments.** Subject to the payment of taxes and assessments when due, the Note and the principal of and interest on the debt evidenced by the Note and any prepayments made thereunder.
