Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in place of condemnation, are hereby assigned and shall be paid to Lender to the extent of the full amount of the indebtedness that remains unpaid under the Note and this Security Instrument. Lender shall apply such proceeds to the reduction of the indebtedness under the Note and this Security Instrument, first to any delinquent amounts applied in the order provided in Paragraph 3, and then to prepayment of principal. Any application of the proceeds to the principal shall not extend or postpone the due date of the monthly payments, which are referred to in Paragraph 2, or change the amount of such payments. Any excess proceeds over an amount required to pay all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity legally entitled thereto.

**8. Fees.** Lender may collect fees and charges authorized by the Secretary.

#### **9.Grounds for Acceleration of Debt.**

(a) Default. Lender may, except as limited by regulations issued by the Secretary in the case of payment defaults, require immediate payment in full of all sums secured by this security instrument.

- (i) Borrower defaults by failing to pay in full any monthly payment required by this Security Instrument prior to or on the due date of the next monthly payment; or
  - (ii) Borrower defaults by failing, for a period of thirty days, to perform any other obligation contained in this Security Instrument.

**(b) Sale Without Credit Approval.** Lender shall, if permitted by applicable law and with the prior approval of the Secretary, require immediate payment in full of all amounts owing to the Security Instrument at:

- (ii) All or part of the Property is transferred by the Tenant to a third party (other than the Agent of the Property), is sold or otherwise transferred (other than by death) or is otherwise disposed of;

- No Waiver.** If any provision of this Agreement is held invalid or unenforceable by a court of competent jurisdiction, the parties shall negotiate in good faith to replace such provision with a valid and enforceable provision that achieves the same purpose as the original provision.

Lender does not require such payment. If Lender does not require such payment, the Seller will not be liable to Lender for any amounts due under the Note.

(d) **Regulations of IUCD Secretary.** In many instances regulations issued by the Secretary will limit Lender's right in the case of payment defaults to require immediate payment in full and foreclose if not paid. This Security Instrument does not authorize acceleration or foreclosure if not permitted by regulations of the Secretary.

**(e) Mortgage Not Insured.** Borrower agrees that should this Security Instrument and the note secured thereby not be eligible for insurance under the National Housing Act within 60 days from the date hereof, Lender may, at its option and notwithstanding anything in Paragraph 9, require immediate payment in full of all sums secured by this Security Instrument. A written statement of any authorized agent of the Society dated subsequent to 60 days from the date hereof declining to insure this Security Instrument and the note secured thereby, shall be deemed conclusive proof of such ineligibility. Notwithstanding the foregoing, this option may not be exercised by Lender when the unavailability of insurance is solely due to Lender's failure to remit a mortgage insurance premium to the secretary.

**10. Reinstatement.** Borrower has a right to be reinstated if Lender has required immediate payment in full because of Borrower's failure to pay an amount due under the Note or this Security Instrument. This right applies even after foreclosure proceedings are instituted. To reinstate the Security Instrument, Borrower shall tender in a lump sum all amounts required to bring Borrower's account current including, to the extent they are obligations of Borrower under this Security Instrument, foreclosure costs, reasonable and customary attorneys' fees and expenses properly associated with the foreclosure proceeding. Upon reinstatement, Borrower, this Security Instrument and the obligations that it secures shall remain in effect as if Lender had not required immediate payment in full. However, Lender is not required to permit reinstatement if: (i) Lender has accepted reinstatement after the commencement of foreclosure proceedings within two years immediately preceding the commencement of a current foreclosure proceeding; (ii) reinstatement will preclude foreclosure on different grounds in the future, or (iii) reinstatement will adversely affect priority of the lien created by this Security Instrument.

**11. Borrower not Released; Forbearance by Lender not a Waiver.** Extension of the time of payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest for forbearance by Lender in exercising any right or remedy. It shall not be a waiver of any remedy if Lender fails to exercise any remedy.

**12. Successors and Assigns Bound; Joint and Several Liability; Co-Signers.** The Borrower and any assignee of this Security Instrument shall bind all of the terms and conditions contained herein, including the provisions of Paragraph 9(b), to the extent of the interest held by such assignee in the property described in this Security Instrument but does not create the Note or any other obligation of the Borrower. The Borrower agrees to execute any instrument necessary that Borrower's interest in the property under the terms of this Security Instrument may be transferred to pay the sum secured by this Security Instrument; and to agree that the assignee of this Security Instrument shall have the same rights, liability, forfeit or make any accommodations regarding to the terms of this Security Instrument as the original Borrower, with the consent of the original Borrower.

**13. Notices.** Any notice, demand or other communication required or permitted to be given hereunder shall be given by delivering it or by mailing it first class mail unless otherwise specified. Any notice, demand or other communication required or permitted to be given hereunder shall be directed to the Property Address or any address Borrower designates by notice given in writing to Lender at the address set forth in Paragraph 1 herein or any address Lender designates by notice given to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Lender if delivered to the address set forth in Paragraph 1.

**14. Governing Law; Severability.** This Security instrument shall be governed by Federal law and the law of the jurisdiction in which the Property is located. In the event that any provision contained in this Security instrument or the note conflicts with applicable law, such conflict shall not affect the validity of the Security instrument or the Note which can be given effect without conflicting provision. To this end the provisions of this Security instrument and the note are declared to be severable.

**15. Borrower's Copy.** Borrower shall be given one or more copies of this Security Instrument.

**16. Assignment of Rents.** Borrower unconditionally assigns and transfers to Lender all the rents and revenues of the Property and authorizes Lender or Lender's agents to collect the rents and revenues and hereby directs each tenant of the Property to pay rents to Lender or Lender's agents. However, prior to Lender's notice to Borrower of Borrower's breach of any covenant or agreement in the Security instrument, Borrower shall collect and receive all rents and revenues of the Property as trustee for the benefit of Lender and Borrower. This assignment of rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower: (a) all rents received by Borrower shall be held by Borrower as trustee for benefit of Lender only, to be applied to the sums secured by the Security Instruments; (b) Lender shall be entitled to collect and receive all rents of the Property; and (c) each tenant of the Property shall pay all rents due and unpaid to Lender or Lender's agent on Lender's written demand to the tenant.

**Borrower has not executed any prior assignment of the rents and has not and will not perform any act that would prevent Lender exercising its rights under this Paragraph 16.**

Lender shall not be required to enter upon, take control of or maintain the Property before or after giving notice of breach to owner. However, Lender or a judicially appointed receiver may do so at any time there is a breach. Any application of rents not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of rents of the Property shall terminate when the debt secured by the Security Instrument is paid in full.
