MORTGAGE RIDER This Mortgage Rider is attached to and made a part of a Mortgage dated AUGUST 7, 1991 given by the undersigned (the "Borrower") to secure Borrower's obligations to FIRST NATIONWIDE BANK, A Federal Savings Bank (the "Lender") under the Equity Reserve Account Agreement and Disclosure Statement (the "Agreement") of the same date and shall be deemed to amend and supplement said Mortgage.

INTEREST RATE AND PAYMENT ADJUSTMENTS. Paragraph 28 is hereby added to the Mortgage.

28. INTEREST RATE AND PAYMENT ADJUSTMENTS. The Agreement secured by this Mortgage contains the following provisions:

Finance Charges for my Gradit Line. The "Initial Finance Charge" section and "Periodic Finance Charge" section, including its subsections "How Daily Interest Rate is Determined," "How Average Daily Balance is Figured," and "Current Finance Charge Rate" describe the Finance Charges payable in connection with my credit line and how they will be calculated.

#### A. Initial Finance Charge

To open my credit line I will pay the Loan Origination Fee (Initial Finance Charge) shown above, which is a one-time non-refundable Finance Charge. This amount may be posted to my credit line. If I want to avoid interest charges on this amount, I will pay this amount in cash when I sign this Agreement.

#### B. Periodic Finance Charges

Periodic Finance Charges, consisting of interest, will be charged on my credit line if there is an outstanding balance owing to the innder on my credit line at the end of any day of the billing cycle, interest will begin to accrue on the date a transaction is pisted to my credit line. Interest will be calculated by applying the daily interest rate for that billing cycle to the average Jaily balance for that billing cycle and multiplying the result by the number of actual calendar days in the billing cycle (sed "How Daily Interest Rate is Determined" and "How Average Daily Balance is Determined"). This daily interest rate is subject to increase or decrease on the first day of each billing cycle if there has been a change in the "Index" (defined bullow). If the daily interest rate increases, my minimum monthly payment will also increase (see "Minimum Paymen.").

#### 1. How Daily Interest Rate is Patermined

To determine the dally interest rate for my credit line for each billing cycle before that billing cycle begins, the Lender will go through the following Step 1 to get the "Index" for the billing cycle and Steps 2 and 3 to get the daily interest rate for the cycle:

Step 1. The Lender will determin the value of the "Index" as of the "Determination Date." The "Index" that will apply to my credit line will be the Prime Rate as quoted and published in the Western Edition of The Wall Street Journal, currently published by Dow Jones and Co. The referenced Prime Rate is usually listed under a column entitled Money Rates. In the event that on the Determination Date two (r more Prime Rates are published, the Index will be the highest Prime Rate. The Lender will obtain the Prime Rate quoted (using up to the first two decimal places) on the 30th day (Determination Date) of the month preceding the first day of the billing cycle, unless there is no Prime Rate quoted for the 30th day in which event the Lender will obtain the Prime Tate quoted for the next preceding day on which a Prime Rate was quoted.

In the event the index, as described above, is the longer available, index shall mean a substitute index selected by the Lender in compliance with federal law.

Step 2. The Lander will then add to the index an amount referred to as the "Spread." The "Spread" will be 1,7000%,

Step 3. The Lender will then divide the total of the linear pies the Spread by 365 to determine the daily interest rate that will apply for the next billing cycle.

### 2. How Average Daily Balance is Calculated

The Lender will calculate the Average Daily Balance by starting viols the balance I owe at the beginning of each day in the billing period for that statement. The Lender will add any new 'orn advances and other charges and will subtract any payments and credits which are posted to my credit line during the rier. The Lender subtracts all unpaid interest and late charge(s). This will result in the daily balance for the day. The Lender will then add together the daily balance for each of the days in the billing period and divide the total by the number of drys in the billing period, which will result in my Average Daily Balance.

Interest will continue to accrue until my credit line balance is paid in full. Concerstand that I may receive a final billing statement showing only the interest which accrued from the closing date of the reviews statement to the date on which accrued from the closing date of the reviews statement to the date on which the Lender received my payment of my remaining principal balance.

### 3. Current Finance Charge Rate

Based upon the Index in effect on the date this Agreement was prepared for signing. The current daily interest rate and the corresponding Annual Percentage Rate are as shown on the first page of this Agreement.

These rates are subject to increase or decrease at the beginning of the next and subsequent billing cycles based on increases and/or decreases in the Index.
