and defining the payments.

under this paragraph; if Borrower makes those payments promptly pursuant to Lender's request under this paragraph to the person named in the name provided in Paragraph 2, or if not paid in that manner, Borrower shall pay them directly over this instrument to Lender all amounts of ground rents, if any. subject to the sums secured by this Security instrument.

to the acquisition or sale of the Property, shall apply any funds held by Lender at the time of acquisition or sale to a credit to the Security instrument. If, under Paragraph 2, Lender shall acquire or sell the Property, prior sums received by the Security instrument, such funds shall be made within 30 days of Borrower's payment to Lender to Borrower any funds held by Lender. Upon payment in full of all sums received by the Security instrument, Lender shall be entitled to receive from the Borrower additional security for all sums received by the Security instrument. The funds in the Escrow Account are pledged to Lender as additional security for all sums received by the Escrow Account, showing credits and debits to the Escrow Account and the balance for which each debit from the Escrow Account shall apply the funds to pay the Escrow Items when due. Lender shall file to Borrower an annual accounting of Lender's and Borrower's covenants and agreements under this Paragraph 2 monthly account of funds not to exceed 2 months when due.

Lender shall estimate for each Escrow Item in the Escrow Account in addition to the amount Lender is needed to pay Escrow Items when due, Lender shall refund any such excess. Borrower within 30 days of the Escrow Account withdrawal to pay Escrow Items when due, Lender may require Borrower to make timely payment of monthly payments. In addition to the funds estimated as described above, and to ensure that the funds in the Escrow Account will be used properly, Borrower may pay any deficiency to Lender that results from the Escrow Account being disbursed to pay Escrow Items when due. Lender shall record the amount Lender estimates is needed to pay Escrow Items in the Escrow Account for each Escrow Item in no more than 12 monthly payments. If Lender's Escrow Account is disbursed to pay Lender the amount of the deficiency, Borrower shall pay Lender the amount of the deficiency. At Lender's sole discretion, Borrower may pay any deficiency to Lender that results from the Escrow Account for each Escrow Item in the Escrow Account in no more than 12 monthly payments. At any time if the amount of funds in the Escrow Account needed in the Escrow Account for each Escrow Item will not be sufficient to pay such Escrow Item when due, Lender may notify the amount of funds needed in the Escrow Account in the Escrow Account withdrawal to pay such Escrow Item when due. At any time if the amount of funds in the Escrow Account for each Escrow Item will not be sufficient to pay such Escrow Item when due, Lender may notify the amount of funds needed in the Escrow Account for each Escrow Item, and (iv) the amount of funds in the Escrow Account for each Escrow Item in the Escrow Account withdrawal to pay such Escrow Item; (ii) current debt, including the amount of funds needed in the Escrow Account for each Escrow Item; (iii) escrow fees and reporting services used or escrow fees and expenses for holding and applying the funds, and (v) escrow fees more frequently than the Escrow Account holder may charge, or any other expense for holding and applying the funds, and (vi) one-twelfth of the amount needed in the Escrow Account to pay future Escrow Items, on the basis of: (i) current debt, including such Escrow Items; or the option Lender may exercise the Escrow Account more frequently. Lender shall estimate the amount such Escrow Items, and Lender shall annually analyze the Escrow Account to determine the adequacy of the monthly funds being collected for the funds.

The funds placed in an account ("Escrow Account") at an institution whose deposits are insured by a Federal Home Loan Bank, or another institution, or another individual ("holding Lender"), if Lender is such an institution or if any Federal Home Loan Bank, escrow, liquidation, or any other institution with this loan, Lender shall pay to Lender the amount of funds deposited in the Escrow Account in a manner which this loan, Lender shall not be required to pay Borrower any interest or earnings on funds, and Lender may require Borrower to pay a one-time charge to establish a real estate tax reporting service used or Lender may charge for holding and applying the funds, and Lender shall verify that the Escrow Account holder may charge, or any other expense for holding and applying the funds, and (vi) one-twelfth of the amount needed in the Escrow Account withdrawal to pay such Escrow Items, on the basis of: (i) current debt, including such Escrow Items; or the option Lender may exercise the Escrow Account more frequently. Lender shall estimate the amount such Escrow Items, and Lender shall annually analyze the Escrow Account to determine the adequacy of the monthly funds being collected for the funds.

2. PAYMENT OF TAXES AND INSURANCE. Borrower shall pay to Lender on the day monthly payments are due under the Note, with the funds so paid to Lender, a sum (trustee), equal to Lender's estimate, as described below, or (ii) one-twelfth of each type of yearly taxes and assessments which may affect to Lender's estimate, as described below, or (iii) one-twelfth of the Note, with the funds so paid to Lender on the day monthly payments are due under the Note, and the amount of and interest on the debt evidenced by the Note and any payment and late charges due under the Note.

1. PAYMENT OF PRINCIPAL AND INTEREST; PAYMENT AND LATE CHARGES. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any payment and late charges due under the Note.

THIS SECURITY INSTRUMENT contains certain covenants for mutual use and non-uniform convenants which limited warranties by Borrower to secure a uniform security instrument covering real property. This Security instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located.

Borrower shall promptly discharge any Lien which has priority over this Security Instrument unless Borrower (a) agrees in writing to the payment of the obligations secured by the Lien in a manner acceptable to Lender; (b) contests in good faith the Lien by, or defends against enforcement of the Lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the Lien; or (c) secures from the holder of the Lien an agreement satisfactory to Lender subordinating the Lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of giving of notice.

5. HAZARD OF PROPERTY INSURANCE. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance, including floods or flooding, whether or not identified or existing at the time the loan is made. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with Paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Insurance proceeds shall be applied to restoration or repair of the Property damaged if, in Lender's sole determination, the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall give to Lender to the extent of the sums secured by this Security instrument immediately prior to the acquisition.

6. OCCUPANCY, PRESERVATION, MAINTENANCE AND PROTECTION OF THE PROPERTY; BORROWER'S LOAN APPLICATION; LEASEHOLDS. Borrower shall occupy, establish, and/or the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the Lien created by this Security Instrument or Lender's security interest. Borrower may cure such a defect or mitigate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination precludes forfeiture of the Borrower's interest in the Property or other material impairment of the Lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during an loan application process, gave materially false or inaccurate information or statements to Lender or failed to provide Lender with any material information in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. PROTECTION OF LENDER'S RIGHTS IN THE PROPERTY. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums seized by a Lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and paying fees for periodic inspections of the Property. In addition to these actions Lender may enter on the Property to make repairs, change locks, replace or board-up doors and windows, drain pipes, eliminate building code violations or dangerous conditions, turn utilities on or off, or undertake whatever else is necessary to protect the value of the Property and Lender's rights in the Property. Although Lender may take action under this paragraph 7, Lender does not have to do so.

13. LOAN CHARGES. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (i) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (ii) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charges under the Note.

14. NOTICES. Any notice to Borrower provided for in this Security Instrument shall be given by personal delivery or by sending it by (i) first class mail postage prepaid, or (ii) prepaid overnight delivery service, or (iii) any similar common or private carrier or delivery method generally accepted in the locality where the Property is located, unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail postage prepaid to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. SEVERABILITY. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. BORROWER'S COPY. Borrower shall be given one duplicate of the Note and of this Security Instrument.

17. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER. If all or any part of the Property or any interest in it is sold or transferred for if a beneficial interest in borrower is sold or transferred and borrower is not a natural person without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. BORROWER'S RIGHT TO REINSTATE. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (i) 5 days for such other period as applicable law may specify for reinstatement before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (ii) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (i) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (ii) cures any default of any other covenants or agreements; (iii) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (iv) takes such action as Lender may reasonably require to ensure that the law of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations assumed hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

19. SALE OF NOTE; CHANGE OF LOAN SERVICER. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity known as the "Loan servicer" that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

20. HAZARDOUS SUBSTANCES. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

If Lender gives notice of breach to Borrower: (i) all Rents received by Borrower shall be held by Borrower as trustee for the benefit of Lender only, to be applied to the sums secured by the Security Instrument; (ii) Lender shall be entitled to collect and receive all of the Rents of the Property; (iii) Borrower agrees that each tenant of the Property shall pay all Rents due and unpaid to Lender's or Lender's agents upon Lender's written demand to the tenant; (iv) unless applicable law provides otherwise, all Rents collected by Lender or Lender's agents shall be applied first to the costs of taking control of and managing the Property and collecting the Rents, including, but not limited to, attorney's fees, receiver's fees, premiums on receiver's bonds, repair and maintenance costs, insurance premiums, taxes, assessments and other charges on the Property, and then to the sums secured by the Security Instrument; (v) Lender, Lender's agents or any judicially appointed receiver shall be liable to account for only those Rents actually received; and (vi) Lender shall be entitled to have a receiver appointed to take possession of and manage the Property and collect the Rents and profits derived from the Property without any showing as to the inadequacy of the Property as security.

If the Rents of the Property are not sufficient to cover the costs of taking control of and managing the Property and of collecting the Rents any funds expended by Lender for such purposes shall become Indebtedness of Borrower to Lender secured by the Security Instrument pursuant to Uniform Covenant 7.

Borrower represents and certifies that Borrower has not executed any prior assignment of the Rents and has not and will not perform any act that would prevent Lender from exercising its rights under this paragraph.

Lender, or Lender's agents or a judicially appointed receiver, shall not be required to enter upon, take control of or maintain the Property before or after giving a notice of default to Borrower. However, Lender, or Lender's agents or a judicially appointed receiver, may do so at any time when a default occurs. Any application of Rents shall not cure or waive any default or invalidate any other right of remedy of Lender. This assignment of Rents of the Property shall terminate when all the sums secured by the Security Instrument are paid in full.

I. CROSS-DEFAULT PROVISION: Borrower's default or breach under any note or agreement in which Lender has an interest shall be a breach under the Security Instrument and Lender may invoke any of the remedies permitted by the Security Instrument.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and conditions contained in this 1-4 Family Rider.
