18. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

UNOFFICIAL COPY

1. Payment of Principal, Interest and Late Charge. Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and late charges due under the Note.

2. Monthly payments of Taxes, Insurance and Other Charges. Borrower shall include in each monthly payment, together with the principal and interest as set forth in the Note and any late charges, an installment of any (a) taxes and special assessments levied or to be levied against the Property, (b) leasehold payments or ground rents on the Property, and (c) premiums for insurance required by Paragraph 4.

Each monthly installment for items (a), (b) and (c) shall equal one-twelfth of the annual amounts, as reasonably estimated by Lender, plus an amount sufficient to maintain an additional balance of not more than one-sixth of the estimated amounts. The full annual amount for each item shall be accumulated by Lender within a period ending one month before an item would become delinquent. Lender shall hold the amounts collected in trust to pay items (a), (b) and (c) before they become delinquent.

If at any time the total of the payments held by Lender for items (a), (b) and (c), together with the future monthly payments for such items payable to Lender prior to the due dates of such items, exceeds by more than one-sixth the estimated amount of payments required to pay such items when due, and if payments on the Note are current, then Lender shall either refund the excess over one-sixth of the estimated payments or credit the excess over one-sixth of the estimated payments to subsequent payments by Borrower, at the option of Borrower. If the total of the payments made by Borrower for item (a), (b), or (c) is insufficient to pay the item when due, then Borrower shall pay to Lender any amount necessary to make up the deficiency on or before the date the item becomes due.

As used in this Security Instrument, "Secretary" means the Secretary of Housing and Urban Development or his or her designee. In any year in which the Lender must pay a mortgage insurance premium to the Secretary, each monthly payment shall also include either: (i) an installment of the annual mortgage insurance premium to be paid by Lender to the Secretary, or (ii) a monthly charge instead of a mortgage insurance premium if this Security Instrument is held by the Secretary. Each monthly installment of the mortgage insurance premium shall be in an amount sufficient to accumulate the full annual mortgage insurance premium with Lender one month prior to the date the full annual mortgage insurance premium is due to the Secretary; or if this Security Instrument is held by the Secretary, each monthly charge shall be in an amount equal to one-twelfth of one-half percent of the outstanding principal balance due on the Note.

If Borrower tendered to Lender the full payment of all sums secured by this Security Instrument, Borrower's account shall be credited with the balance remaining for all installments for items (a), (b) and (c) and any mortgage insurance premium installment that Lender has not become obligated to pay to the Secretary, and Lender shall promptly refund any excess funds to Borrower. Immediately prior to a foreclosure sale of the Property or its acquisition by Lender, Borrower's account shall be credited with any balance remaining for all installments for items (a), (b) and (c).

3. Application of Payments. All payments under Paragraphs 1 and 2 shall be applied by Lender as follows:

FIRST, to the mortgage insurance premium to be paid by Lender to the Secretary or to the monthly charge by the Secretary instead of the monthly mortgage insurance premium;

SECOND, to any taxes, special assessments, leasehold payments or ground rents, and fire, flood and other hazard insurance premiums, as required;

THIRD, to interest due under the Note;

FOURTH, to amortization of the principal of the Note;

FIFTH, to late charges due under the Note.

4. Fire, Flood and Other Hazard Insurance. Borrower shall insure all improvements on the Property, whether now in existence or subsequently erected, against any hazards, casualties, and contingencies, including fire, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. Borrower shall also insure all improvements on the Property, whether now in existence or subsequently erected, against loss by floods to the extent required by the Secretary. All insurance shall be carried with companies approved by Lender. The insurance policies and any renewals shall be held by Lender and shall include loss payable clauses in favor of, and in a form acceptable to, Lender.

In the event of loss, Borrower shall give Lender immediate notice by mail. Lender may make proof of loss if not made promptly by Borrower. Each insurance company concerned is hereby authorized and directed to make payment for such loss directly to Lender, instead of to Borrower and to Lender jointly. All or any part of the insurance proceeds may be applied by Lender, at its option, either (a) to the reduction of the indebtedness under the Note and this Security Instrument, first to any delinquent amounts applied in the order in Paragraph 3, and then to prepayment of principal, or (b) to the restoration or repair of the damaged property. Any application of the proceeds to the principal shall not extend or postpone the due date of the monthly payments which are referred to in Paragraph 2, or change the amount of such payments. Any excess insurance proceeds over an amount required to pay all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity legally entitled thereto.

In the event of foreclosure of this Security Instrument or other transfer of title to the Property that extinguishes the indebtedness, all right, title and interest of Borrower in and to insurance policies in force shall pass to the purchaser.

5. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless the Secretary determines this requirement will cause undue hardship to Borrower, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall notify Lender of any extenuating circumstances. Borrower shall not commit waste or destroy, damage or substantially change the Property or allow the Property to deteriorate, reasonable wear and tear excepted. Lender may inspect the Property if the Property is vacant or abandoned or the loan is in default. Lender may take reasonable action to protect and preserve such vacant or abandoned Property. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender or failed to provide Lender with any material information in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and fee title shall not be merged unless Lender agrees to the merger in writing.

6. Charges to Borrower and Protection of Lender's Rights in the Property. Borrower shall pay all governmental or municipal charges, fines and impositions that are not included in Paragraph 2. Borrower shall pay these obligations on time directly to the entity which is owed the payment. Its failure to pay would adversely affect Lender's interest in the Property, upon Lender's request Borrower shall promptly furnish to Lender receipts evidencing these payments.

If Borrower fails to make these payments or the payments required by Paragraph 2, or fails to perform any other covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, for condemnation or to enforce laws or regulations), then Lender may do and pay whatever is necessary to protect the value of the Property and Lender's rights in the Property, including payment of taxes, hazard insurance and other items mentioned in Paragraph 2.

Any amount disbursed by Lender under this Paragraph shall become an additional debt of Borrower and be secured by this Security Instrument. These amounts shall bear interest from the date of disbursement, at the Note rate, and at the option of Lender, shall be immediately due and payable.

7. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in place of condemnation, are hereby assigned and shall be paid to Lender to the extent of the full amount of the indebtedness that remains unpaid under the Note and this Security Instrument. Lender shall apply such proceeds to the reduction of the indebtedness under the Note and this Security Instrument, first to any delinquent amounts applied in the order provided in Paragraph 3, and then to prepayment of principal. Any application of the proceeds to the principal shall not extend or postpone the due date of the monthly

Any application of rents shall not cause of waste and damage suffered by the Secured Instrument is paid in full.

Lander's mother has not exceeded any prior assessment in terms of her rights under the ADA.

If Lender gives notice of breach to Borrower, (a) all rents receivable by Borrower shall be held by Borrower as trustee for benefit of Lender only, to be applied to the sums received by the Security Instrument, (b) Lender shall be entitled to collect and receive all of the rents of the Property, and (c) each tenant of the Property shall pay all rents due and unpaid to Lender and Lender shall be entitled to sue in its name.

16. Assignment of Rents. Borrower unconditionally assigns and transfers to Lender all the rents and revenues of the Properties to pay the rents to Lender's agents to collect the rents and revenues and to pay the expenses of the Properties to the extent of any costs and charges of collection or otherwise for the benefit of Lender and its beneficiary. This assignment of rents constitutes an absolute assignment and does not affect the right of Lender to sue for the rents and revenues of the Properties in its own name.

Section 15, *Borrower's Covenants*, shall be given one conditioned copy of this Security Instrument.

14. Governing Law; Severability. This Second Party Instrument shall be governed by Federal law and the law of the State in which the property is located. In the event that any provision of clause of this Second Party Instrument is held to be ineffective under applicable law, such court shall have the power to sever such provision from the rest of this Note and continue in effect the property as so modified. To this end the provisions of this Note shall be construed to the intent to effectuate the purposes of this Note.

18. Notice: Any notice to be given under this section shall be deemed to have been given to Borrower or Lender if given as provided for in this paragraph.

12. Successors and Assigns; Holders; C/o-Assignees. The coverings and agreements of this Security interest shall bind and benefit the successors and assigns of Lender and Borrower, and agree to the terms of this Security interest as if they were original parties thereto, notwithstanding any assignment or transfer of all or any part of the rights and obligations under this Security interest.

11. **Borrower Not Responsible:** Borrower agrees to pay the sum of payment of principal or interest of the note at a time when it becomes due and payable.

10. **Reimbursement.** Borrowers shall pay an amount due under the Note or this Security Instrument, plus any applicable fees and amounts required to be remitted to the trustee in full because of Borrowers' failure to pay the required immediate payment. This right applies even after foreclosure proceedings are commenced against the Security Instrument, provided that the trustee has a right to be reimbursed for expenses in the same amount as the Borrowers' obligation to the trustee under the Note or this Security Instrument, plus any applicable fees and amounts required to be remitted to the trustee in full because of Borrowers' failure to pay the required immediate payment. The trustee may exercise its rights under this paragraph at any time during the pendency of the foreclosure proceedings, notwithstanding the fact that the trustee may have received payment from the Borrowers prior to the commencement of the foreclosure proceedings.
