3 Year ARM (Non-Convertible)

THIS ADJUSTABLE RATE RIDER is made on September 24, 1991, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note to

Citibank, Federal Savings Bank

(the "Lender") of the same date (the "Note") and covering the property described in the Security Instrument and located at:

915 Locust Road, Wilmette, Illinois 60091

(Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN MY INTEREST RATE. IF MY INTEREST RATE INCREASES, MY MONTHLY PAYMENTS WILL BE HIGHER. IF MY INTEREST RATE DECREASES, MY MONTHLY PAYMENTS WILL BE LOWER.

ADDITIONAL (OVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenium and agree as follows:

A. INTEREST RATE AND NAUVIHLY PAYMENT CHANGES

The Note provides for an impial interest rate of 8.3750%. Section 4 of the Note provides for changes in the interest rate and the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The interest rate I will pay may change in October 1, 1994, and on that day every thirty-sixth (36th) month thereafter. Each date on which my interest rate could change is called a "Change Date".

Beginning on the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant meturity of three years, as made available by the Federal Reserve Board. The most recent Index figure available as of the dat 45 days before each Change Date is called the "Current Index".

If the Index is no longer available, the Note Holder will, buose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding THREE percentage points (3.0000 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). This rounded amount will be my new interest rate with the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal balance that I am expected to owe on the Change Date in full on the maturity date at my new interest rate in substantially equally payments. The result of this calculation is called the "Fu's Payment Amount", and it will be the new amount of my monthly payment, subject to subsection (D) below.

(D) Limits on Interest Rate Changes

My interest rate is subject to the following limits if the appropriate box is checked:

- The rate of interest I am required to pay shall never be increased or decreased on any single Change Date by more than THREE percentage points (3.0000 %) from the rate of interest I have been paying for the preceding 36 months.
- My interest rate will never be greater than 14.5000 %.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

The Note Holder will deliver or mail to me a notice of any changes in the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any questions I may have regarding the notice.

However, this option shall not be exercised by Lender if exercise is prohibited by tederal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferce as if a new loan were being made to the transferce; and (b) Lender reasonably determines that Lender's security will not be impaired by the Ioan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than thirty (30) days from the date the notice is delivered or mailed within which Borrower must pay of sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender pasy invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.
