To Secure to Lender on condition of the repayment of the REVOLVING LINE OF CREDIT indebtedness evidenced by a First National Bank of Mount Prospect Equity Line of Credit Agreement and Disclosure Statement ("Agreement") of even date herewith and by Borrower's Variable Interest Rate Promissory Note ("Note") of even date herewith, in the principal sum of U.S. \$25,000.00 or so much thereof as may be advanced and outstanding, with interest thereon, providing for monthly installments of interest, with the principal balance of the indebtedness if not sooner paid or required to be paid, due and payable five (5) years from the date thereof; the payment of all other sums, with interest thereon advanced in accordance herewith to protect the security of this Mortgage; and the performance of the covenants and agreements of Borrower contained herein and in the Agreement and the Note. The Agreement, the Note and this Mortgage are collectively referred to as the "Credit Documents." The Credit Documents contemplate, and this Mortgage permits and secures, future advances up to the principal amount of the note. Such loans or advances constitute "revolving credit" as defined in Ch. 17, Para. 6405 of the Ill. Rev. Stats. All future advances made from the date hereof will have the same priority as the original loan evidenced by the Note and secured by this Mortgage.

Notwithstanding anything to the contrary herein, the Property shall include all of Borrower's right, title, and interest in and to the real property described above, whether such right, title and interest is acquired before or after execution of this Mortgage. Specifically, and without limitation of the foregoing, if this Mortgage is given with respect to a leasehold estate held by Borrower, the Borrower subsequently acquires a fee interest in the real property, the lien of this Mortgage shall attach to and include the fee interest acquired by Borrower.

Borrower covenants that Borrower is the lawful owner of the estate in land hereby conveyed and has the right to grant, convey and mortgage the Property, and that the Property is unencumbered except for encumbrances of record. Borrower (unless Borrower is a Trust) covenants that Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to encumbrances of record. Borrower covenants that Borrower will neither take nor permit any action to partition or subdivide the Property or otherwise change the legal description of the Property or any part thereof, or change in any way the condition of title of the Property or any part thereof.

Borrower acknowledges that the Note calls for a variable interest rate, and that Lender may, prior to the expiration of the terms of the Note, cancel future advances thereunder any/or require repayment of the outstanding balance under the Note. In this regard, the Note provisions set forth verbatim below relate to the variable interest rate and the Lender's option to require repayment prior to expiration of the term of the Note or to cancel future advances for reasons other than default by the Borrower.

The first four paragraphs of paragraph 3 of the Note, entitled "INTEREST (VARIABLE RATE)," provide as follows:

"The annual interest rate applied to the outstanding principal balance on this Note is calculated daily and is equal to the Prime Rate for that month plus one percentage points. The Prime Rate for each month shall be the "prime rate" published by First National Bank of Chicago, located at One First National Plaza, Chicago, IL 60670 or its successors, as being in effect for short-term unsecured commercial loans on the first day of the month. If First National Bank of Chicago ceases to quote a prime rate, Lender may change the index and margin described in the first sentence of this paragraph to a new index that has an historical movement substantially similar to that of First National Bank of Chicago's "prime rate" and the new index and margin would have resulted in an annual percentage rate substantially similar to the rate in effect at the time the original index became unavailable.

Decreases in the annual interest rate are mandatory as the Prime Rate declines. Conversely, if the Prime Rate increases so will the annual interest rate; however, the annual interest rate may not exceed 21%.

In the event that any payment is not paid within 25 days after it is due, a late penalty charge equal to ten percent (10%) of the amount of the payment, with a minimum of \$25.00 will be due. In the event that an Event of Default has occurred hereunder, the annual interest rate applied to the daily balance for purposes of determining the finance charges shall be the annual interest rate described in the two preceding paragraphs of this Paragraph Three, plus three percentage points (not to exceed a total of 24%).

I understand that Note Holder will pay, on a daily basis and on my behalf, the checks for advances obtained by me under this Note as a result of charges and checks paid by them on each day in amounts not to exceed my credit line. Interest for any such payments by Note Holder on my behalf will be charged beginning on the date checks are presented by payments, and will continue until such payment has been repaid in full."

Paragraph 5 of the Note, entitled "FREEZING, TERMINATING, REDUCING THE LINE," provides in its entirety as follows:

"Upon the occurrence of an Event of Default hereunder, [Note Holder] can either (a) cancel my right to any future advances under my line of credit, without requiring accelerated repayment of my outstanding principal balance (that is, "freeze" the line), or (b) cancel my right to any future advances and also require accelerated repayment of my outstanding principal balance plus accrued interest and other charges imposed on my credit line (that is, "terminate" the line);

"Additionally, Note Holder can (a) freeze the line and (b) reduce the maximum amount to be advanced hereunder during any period in which (i) the value of my principal dwelling which secures the indebtedness evidenced by the Note is significantly less than the original appraised value of the dwelling which was submitted to the Note Holder, (ii) Note Holder has reason to believe that I will be unable to comply with the repayment requirements hereunder due to a material change in my financial circumstances, (iii) Note Holder is precluded by government action from imposing the annual percentage rate provided for herein, (iv) any government action is in effect which adversely affects the priority of the mortgage interest given to Note Holder to the extent that the value of the Note Holder's interest in the property is less than 120 percent of the amount of the applicable credit limit under this Note, (v) a regulatory agency has notified Note Holder that continued advances would constitute an unsafe and unsound practice, or (vi) the maximum annual percentage rate has been reached.

Note Holder may freeze or terminate the line pursuant to this paragraph 5 by giving me written notice of its election to do so. The notice must be sent registered or certified mail, addressed to me at the Property's address (or such other address as I have given Note Holder). The notice will be deemed to have been given on the date it is deposited in the mail regardless of when I actually receive it.

If Note Holder elects to freeze the line or reduce the credit limit, the freezing of my right to any future advances or the reduction in the amount of the line will be effective when Note Holder so elects, provided that Note Holder shall mail or deliver written notice of that action to me not later than three (3) business days after the action is taken and that notice shall contain the specific reasons for the action. If the notice specifies that Note Holder is terminating my line, rather than merely freezing it, I will be obligated to repay my outstanding principal balance and all accrued interest and other charges imposed on my credit line, upon receipt of the notice. If the notice specifies that Note Holder is freezing my line, rather than terminating it, I am not obligated to repay my outstanding principal balance until the Due Date, provided, however, that Note Holder will still have the right, in accordance with and at the times specified in this Note, to give me a subsequent notice terminating my line entirely, thus advancing the date principal repayment is due."

Covenants. Borrower and Lender covenant and agree as follows:

1 PAYMENT OF PRINCIPAL AND INTEREST. Borrower shall promptly pay when due, in accordance with and pursuant to the terms of the Note, the principal and interest on the indebtedness evidenced by the Note, together with any late charges and other charges imposed under the Note.

2 APPLICATION OF PAYMENTS. Unless applicable law requires otherwise, all payments received by Lender under the Note and this Mortgage shall be applied by Lender first to payment of amounts payable to Lender by Borrower under paragraphs 6 and 27 of this Mortgage, then to interest payable on the Note, then to other charges payable under the Agreement, and then to the principal of the Note.

3 PRIOR MORTGAGES AND DEEDS OF TRUST: CHARGES: LIENS. Borrower shall fully and timely perform all of Borrower's obligations under any mortgage, deed of trust or other security agreement with a lien which has or appears to have any priority over this Mortgage, including Borrower's covenants to make any payments when due. Borrower shall pay or cause to be paid, at least ten (10) days before delinquency, all taxes, assessments and other charges, fines and impositions attributable to the Property and all encumbrances, charges, loans and liens (other than any prior first mortgage or deed of trust) on the Property which may attain any priority over this Mortgage, and leasehold payments or ground rents. If any Borrower shall deliver to Lender, upon its request, receipts evidencing such payment.

4 HAZARD INSURANCE. Borrower shall, at its costs, keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and such other hazards (collectively referred to as "Hazards") as Lender may require. Borrower shall maintain Hazard insurance for the entire term of the Note or such other periods as Lender may require and in an amount equal to the lesser of (a) the maximum insurable value of the Property, or (b) the amount of the line of credit secured by this Mortgage plus the outstanding amount of any obligation secured in priority over this Mortgage, but in no event shall such amounts be less than the amount necessary to satisfy the co-insurance requirement contained in the insurance policy.

The insurance carrier providing the insurance shall be chosen by Borrower subject to approval by Lender, provided that such approval shall not be unreasonably withheld. All insurance policies and renewals thereof shall be in a form acceptable to Lender and shall include a standard mortgage clause in favor of and in a form acceptable to Lender. Lender shall have the right to hold the policies and renewals thereof, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has or appears to have any priority over this Mortgage. If Borrower makes the premium payment directly, Borrower shall promptly furnish to Lender all premiums, notices and requested by Lender, all receipts of paid premiums, if policies and renewals are held by any other person. Borrower shall supply copies of such to Lender within ten (10) calendar days after issuance.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Subject to the rights and terms of any mortgage, deed of trust or other security agreement with a lien which has or appears to have any priority over this Mortgage, the amounts collected by Borrower or Lender under any Hazard insurance policy may, at Lender's sole discretion, either be applied to the indebtedness secured by this Mortgage (after payment of all reasonable costs, expenses and attorneys' fees necessarily paid or incurred by Lender and Borrower in this connection) and in such order as Lender may determine or be released to Borrower for use in repairing or reconstructing the Property, and Lender is hereby irrevocably authorized to do any of the above. Such application or release shall not cure or waive any default or notice of default under this Mortgage or invalidate any act done pursuant to such notice.

If the Property is abandoned by Borrower, or if Borrower fails to respond to Lender in writing within thirty (30) calendar days from the date notice is mailed by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Lender is irrevocably authorized to settle the claim and to collect and apply the insurance proceeds to Lender's sole option either to restoration or repair of the Property, or to the sums secured by this Mortgage.

If the Property is acquired by Lender, all right, title and interest of Borrower in and to any insurance policies and in and to the proceeds thereof resulting from damage to the Property prior to such sale or acquisition shall become the property of Lender to the extent of the sums secured by this Mortgage immediately prior to such sale or acquisition.

No part of the Property has ever been used as a manufacturing, storage or dump site for Hazardous Materials, nor is any part of the Property affected by any Hazardous Materials Contamination.
