Building components of the Hard Cost of Constructing Spec Units located in Buildings containing Sold Units and for which Mortgagor has requested that Mortgagee make advances of Construction Loan. Title Company shall make disbursements from Spec Unit Escrow in the same manner as disbursements are made from Construction Loan.

If, after commencement of construction of a Building, a Spec Unit is Sold, Borrower may borrow from Construction Loan an amount equal to one hundred percent (100%) of the Hard Cost of Constructing such Unit and:

- that amount of money advanced from Spec Unit Escrow shall be reimbursed from Construction Loan and paid back to Spec Unit Escrow;

Borrower has advised that it may borrow the money required to be deposited into Spec Unit Escrow from the Illinois Development Finance Authority ("IDFA"). In the event IDFA does advance the funds necessary to comply with Borrower's obligations pursuant to this paragraph 7, Mortgagee shall permit Borrower to grant to IDFA a second mortgage, subordinate in all respects to Mortgage and Loan Papers, on the Spec Unit for which funds have been deposited in Spec Unit Escrow ("Mortgaged Spec Unit"). Upon written request of IDFA, Mortgagee shall release the lien of Mortgage from a Mortgaged Spec Unit upon payment by IDFA to Mortgagee of an amount equal to TWELVE THOUSAND SIX HUNDRED EIGHTY-TWO AND 00/100 DOLLARS (\$12,682.00) per Spec Unit.

- 8. <u>DISTRIBUTION OF SALES PROCEEDS OF SCLD UNITS</u>: The proceeds received from the closing of Sold Units shall be paid as follows:
  - (a) first, title, escrow and other customary closing costs, all of which must be approved by Mortgagee;
  - (b) second, to Mortgagee to be applied on account of Construction coan, an amount equal to the aggregate of the advances made from Construction Loan on account of such Unit;
  - (c) third, to Mortgagee, to be applied on account of Acquisition Loan, the amount of THIRTY-FOUR THOUSAND FOUR HUNDRED AND 00/100 DOLLARS (\$34,400.00);

- SALES PROGRESS AND COMPLETION OF CONSTRUCTION: As a condition of Mortgagee's continued abeyance of Events of Default and of continuing to allow Loans to remain unpaid, commencing with August 15, 1991, Beneficiary shall sell a sufficient number of Units every two (2) calendar months which, when taken together with deposits into Spec Unit Escrow, will enable Beneficiary to commence construction of not less than two (2) Buildings ("Unit Sale Schedule"). L. me event Unit Sale Schedule is not maintained, Mortgagee may immediately, upon fifteen (15) Jays written notice, accelerate payment of Loans and, upon such election, Mortgagor shall immediately pay all amounts owed on account of Loans, provided, however, that in the event Borrower, within such fifteen (15) day period, obtains sufficient Sale Contracts to comply with Unit Sale Schedule, Borrower shall be considered as having cured the default with respect to Unit Sale Schedule and the payment of Loans shall not be accelerated on account thereof. Mortgagor and Beneficiary acknowledge that compliance with Unit Sales Schedule is subject to the activities of third parties unrelated to Mortgagor or Beneficiary and that Mortgagor and Beneficiary can not control such activity. However, Mortgagor and Beneficiary further acknowledge that it is fair and reasonable to allow Mortgagee to accelerate the payment of Loans if Unit Sales Schedule is not met notwithstanding such lack of control.

Re: Washington Terrace Townhomes Chicago, Illinois

Dear Sir or Madam:

We represent American National Bank and Trust Company of Chicago (the "Lender") in connection with the loans made to American National Bank and Trust Company of Chicago as Trustee of Trust No. 1085.8-06 and Washington Terrace Limited Partnership (collectively the "Borrowers") pursuant to the provisions of a Refinancing of Land Acquisition and Construction Loan Agreement dated May 11, 1990 (the "Loan Agreement") between the Borrower and the Lender.

This letter is to advise you that the Lender, in its reasonable judgment, has determined that the cost to complete Phase I (as defined in the Loan Agreement) is approximately One Million Five Hundred Thousand Dollars (\$1,500,000.00) in excess of all the Budgeted Items (as defined in the Loan Agreement). As a result, the Borrowers must deposit with the Lender the sum of One Million Five fundred Thousand Dollars (\$1,500,000.00) in order to keep the Loans in balance.

In the event the Borrowers fail to deposit One Million Five Hundred Thousand Dollars (\$1,500,000.00) with the Lender within ten (10) days from the date of this letter, a Default shall have occurred in the Loan Agreement and the other documents which evidence and/or secure the Loans.

Very truly yours,

William B. Phillips
