17. Foreclosure Procedure: Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without notice or demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 17, including, but not limited to, reasonable attorney's fees and cost of title evidence.
18. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower.
19. Waiver of Homestead. Borrower waives all rights of homestead exemption in the Property.
20. Riders to this Security Instrument. NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

7. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in place of condemnation, are hereby assigned and shall be paid to Lender to the extent of the full amount of the indebtedness that remains unpaid under the Note and this Security Instrument. Lender shall apply such proceeds to the reduction of the indebtedness under the Note and this Security Instrument, first to any delinquent amounts applied in the order provided in Paragraph 3, and then to prepayment of principal. Any application of the proceeds to the principal shall not extend or postpone the due date of the monthly payments, which are referred to in Paragraph 2, or change the amount of such payments. Any excess proceeds over an amount required to pay all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity legally entitled thereto.

8. **Fees.** Lender may collect fees and charges authorized by the Secretary.

9. **Grounds for Acceleration of Debt.**

(a) **Default.** Lender may, except as limited by regulations issued by the Secretary in the case of payment deferral, require immediate payment in full of all sums secured by this Security Instrument if:

- (i) Borrower defaults by failing to pay in full any monthly payment required by this Security Instrument prior to or on the due date of the next monthly payment; or
- (ii) Borrower defaults by failing, for a period of thirty days, to perform any obligation contained in this Security Instrument.

(b) **Sale Without Credit Approval.** Lender shall, if permitted by applicable law and with the prior approval of the Secretary, require immediate payment in full of all sums secured by this Security Instrument if:

- (i) All or part of the Property, or a beneficial interest in all or part of the Property, is sold or otherwise transferred (other than by devise or descent) by the Borrower; or
- (ii) The property is not occupied by the purchaser or grantee as his or her principal residence or the purchaser or grantee does so occupy the Property, but his or her credit has not been approved in accordance with the requirements of the Secretary.

(c) **No Waiver.** If circumstances occur that would permit Lender to require immediate payment in full, but Lender does not require such payment, Lender does not waive its right to require payment at any time.

(d) **Regulations of HUD Secretary.** In many circumstances regulated by the Secretary, a regulation permits Lender in the case of payment defaults to require immediate payment in full and foreclose on the debt. The Secretary has not, and does not authorize acceleration or foreclosure if not permitted by regulation of the Secretary.

(e) **Mortgage Not Insured.** Borrower agrees that should this Security Instrument and the note collateral thereto not be eligible for insurance under the National Housing Act within 60 days from the date hereof, Lender may, at its option and notwithstanding anything in Paragraph 9, require immediate payment in full of all sums secured by this Security Instrument. A written statement of any authorized agent of the Secretary dated subsequent to 60 days from the date hereof declining to insure this Security Instrument and the note secured thereby, shall be deemed conclusive proof of such ineligibility. Notwithstanding the foregoing, this option may not be exercised by Lender when the cause of ineligibility of insurance is solely due to Lender's failure to remit a mortgage insurance premium to the Secretary.

10. **Reinstatement.** Borrower has a right to be reinstated if Lender has received immediate payment in full because of Borrower's failure to pay an amount due under the Note or this Security Instrument. This right applies even after foreclosure proceedings are instituted. To reinstate the Security Instrument, Borrower shall tender in a lump sum, immediately following Borrower's account current including, to the extent they are obligations of Borrower under this Security Instrument, all reasonable and reasonable and necessary attorneys' fees and expenses properly associated with the foreclosure proceeding, and the reinstatement by Borrower, this Security Instrument and the obligations that it secures shall remain in effect as if Lender had not received immediate payment in full. However, Lender is not required to permit reinstatement if: (i) Lender has accepted reinstatement after the commencement of foreclosure proceedings within two years immediately preceding the commencement of a current foreclosure proceeding, (ii) reinstatement will preclude foreclosure on different grounds in the future, or (iii) reinstatement will adversely affect the priority of the lien created by this Security Instrument.

11. **Borrower not Released; Forbearance by Lender not a Waiver.** Extension of the time of payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest of Borrower to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. **Successors and Assigns Bound; Joint and Several Liability; Co-Signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of Paragraph 9(b). Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other trustee may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this Paragraph.

14. **Governing Law; Severability.** This Security Instrument shall be governed by Federal law and the law of the jurisdiction in which the Property is located. In the event that any provision of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the note are declared to be severable.

15. **Borrower's Copy.** Borrower shall be given one (1) copy of this Security Instrument.

16. **Assignment of Rents.** Borrower unconditionally assigns and transfers to Lender all the rents and revenues of the Property. Borrower authorizes Lender or Lender's agents to collect the rents and revenues and hereby directs each tenant of the Property to pay the rents to Lender or Lender's agents. However, prior to Lender's notice to Borrower of Borrower's breach of any covenant or agreement in the Security Instrument, Borrower shall collect and hold all rents and revenues of the Property as trustee for the benefit of Lender and Borrower. This assignment of rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower: (a) all rents received by Borrower shall be held by Borrower as trustee for benefit of Lender only, to be applied to the sums secured by the Security Instrument; (b) Lender shall be entitled to collect and receive all of the rents of the Property; and (c) each tenant of the Property shall pay all rents due and unpaid to Lender or Lender's agent on Lender's written demand to the tenant.

Borrower has not executed any prior assignment of the rents and has not and will not perform any act that would prevent Lender from exercising its rights under this Paragraph 16.

Lender shall not be required to enter upon, take control of or maintain the Property before or after giving notice of breach to Borrower. However, Lender or a judicially appointed receiver may do so at any time there is a breach. Any application of rents shall not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of rents of the Property shall terminate when the debt secured by the Security Instrument is paid in full.

Any amounts disbursed by me under this Paragraph shall become an individual debt of Borrower and be secured by his Security instrument. These amounts shall interest from the date of disbursement, at the Note rate, and all the option of the Lender, shall be immediately due and payable.

If Borrower fails to make payments on the payables required by Paragraph 2, in 10 days to perform any other covenants and agreements made in this Agreement, Lender may declare all amounts outstanding to be due and payable and may exercise any or all rights set forth in Paragraph 2.

6. Charges to Borrower and Protection of Lender's Rights in the Property. Borrower shall pay all Governmental or Municipal charges, taxes and improvements that are not included in the Property tax bill.

5. Occupancy, Preservation, Alteration and Protection of the Property; Lender's Loan Application Lendership, and use of instruments for collection of debts and to preserve possession in title until paid or otherwise satisfied.

In the event of loss, Borrower shall immediately reduce by such amount the principal balance of the Note if not made promptly by Borrower. Each insurance company and Lender may make proof of loss if not made promptly instead of to Borrower and to Lender jointly. All or any part of the insurance proceeds may be applied by Lender, at its option, either (a) to the reduction of the Note and this Security instrument, first to any delinquent amounts applied in the order of payment of principal, and then to prepayment of principal, or (b) to the reduction of the Note and this Security instrument, first to any delinquent amounts applied in Paragraph 2, or the amount of such paymen

4. **Fire, Flood and Other Hazard Insurance.** Borrower shall insure all improvements on the Property, whether now in existence or subsequently erected, against fire and other hazards and against damage by wind, water, ice, snow, sleet, lightning, explosion, riot, civil commotion, and all other hazards, and in a form acceptable to Lender.

Fourth, to operationalize the principle of the Note, it must, in practice, increase the number of workers

If Borrower becomes unable to pay under the full payment of all sums secured by this Security Instrument, Borrower's obligation shall be credited with the balance remaining for the instrument, less amounts paid by Lender to satisfy items (a), (b) and (c) and any amounts paid by Lender to the Seller to satisfy its right to the security interest held by Lender, and Lender shall be credited with any excess funds so paid to Lender.

As used in this Security Instrument, "Secretary" means the Secretary of Louisiana and Under Secretary Devotionment of his or her designee.

If at any time the total of the payments held by Lender for items (a), (b) and (c), together with the future monthly payments for such items held by Lender prior to the due dates of such items, exceeds by more than one-sixth the estimated amount of payments required to pay such items when due, and if payments on the Note are current, then Lender shall refund the excess to Lender.

Each monthly installment for items (a), (b) and (c) shall stand due-waiting of the amount paid by Lender, plus an amount sufficient to maintain an additional balance of not more than one-twelfth of the estimated amounts. The full amount for each item shall hold the same relation to the amount paid by Lender as the amount due before they became delinquent.
