Wise, p. 101, between which he had no knowledge, he says:

Table 4. Actual and estimated costs of production by farm size and type of farm, and the cost of production per acre of land, by farm size and type of farm, in 1950.

Interest rates will increase or decrease with the Prime Rate published in the Money Rates section of The Wall Street Journal. The interest rate will be determined by the sum of the Prime Rate plus a margin. The margin will be determined by the amount of the loan divided by the amount of the principal.

For more information about the 2010 Census, visit [www.census.gov](http://www.census.gov).

<sup>1</sup> See also the discussion of the relationship between the two concepts in the section on "Ergonomics and Organizational Psychology" below.

For each of the following, determine which of the two values is the greater. If the two values are equal, indicate this by selecting the third choice.

1. The small amount held by each party. AB is a large company with a large number of shareholders.

## THE COVENANTS, CONDITIONS AND PROVISIONS REFERRED TO ON PAGE 1

1. Grantors shall (1) promptly repair, restore or rebuild any buildings or improvements now or hereafter on the premises which may become damaged or be destroyed, (2) keep said premises in good condition and repair, without waste, and free from encumbrances or other liens or claims for fees not expressly subordinated to the lien hereof, (3) pay when due any indebtedness which may be secured by a lien or charge on the premises superior to the lien hereof, and upon request exhibit satisfactory evidence of the discharge of such prior lien to Trustee or to Beneficiary, (4) complete within a reasonable time any building or buildings now or at any time in process of erection upon said premises, (5) comply with all requirements of law or municipal ordinances with respect to the premises and the use thereof, (6) make no material alterations in said premises except as required by law or municipal ordinance.

2. Grantors shall pay before any penalty attaches all general taxes, special taxes, water charges, sewer service charges, and other charges against the premises when due, and shall, upon written request, furnish to Trustee or to Beneficiary duplicate receipts therefor. To prevent default hereunder Grantors shall pay in full under protest, in the manner provided by statute, any tax or assessment which Grantor may desire to contest.

3. Grantors shall keep all buildings and improvements now or hereafter situated on said premises insured against loss or damage by fire, lightning or windstorms under policies providing for payment by the insurance companies of monies sufficient either to pay the cost of replacing or repairing the same or to pay in full the indebtedness secured hereby, all in companies satisfactory to the Trustee or to Beneficiary under insurance policies payable, in case of loss or damage, to Trustee for the benefit of the Beneficiary, such rights to be evidenced by the standard mortgage clause to be attached to each policy, and shall deliver all policies, including additional and renewal policies, to Beneficiary, and in case of insurance about to expire, shall deliver renewal policies not less than ten days prior to the respective dates of expiration.

4. In case of default therein, Trustee or Beneficiary may, but need not, make any payment or performance not hereinbefore required of Grantors in any form and manner deemed expedient, and may, but need not, make full or partial payments of principal or interest on prior encumbrances, if any, and purchase, discharge, compromise or settle any tax lien or other prior lien or title or claim thereto, or release from any tax sale or forfeiture affecting said premises or contest any tax or prior lien or settle any tax, lien or other prior lien or title or claim thereto, or redeem from any tax sale or forfeiture affecting said premises or contest any tax or assessment. All money paid for any of the purposes herein authorized and all expenses paid or incurred in connection therewith, including attorney's fees, and any other monies advanced by Trustee or Beneficiary to protect the mortgaged premises and the lien hereof, shall be so much additional indebtedness secured hereby and shall become immediately due and payable without notice and with interest thereon at the annual percentage rate stated in the Loan Agreement this Trust Deed secures. Function of Trustee or Beneficiary shall never be considered as a waiver of any right according to them on account of any default hereunder on the part of Grantors.

5. The Trustee or Beneficiary hereby secured making any payment hereby authorized relating to taxes or assessments, may do so according to any bill, statement or estimate presented from the appropriate public office without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereto.

6. Grantors shall pay each item of indebtedness herein mentioned, both principal and interest, when due according to the terms hereof. At the option of Beneficiary, and without notice to Grantors, all unpaid indebtedness secured by this Trust Deed shall, notwithstanding anything in the Loan Agreement or in this Trust Deed to the contrary, become due and payable (a) immediately in the case of default in making payment of any installment of the Loan Agreement, or (b) when default shall occur and continue for three days in the performance of any other agreement of the Grantors herein contained, or (c) immediately if all or part of the premises are sold or transferred by the Grantors without Beneficiary's prior written consent.

7. When the indebtedness hereby secured shall become due whether by acceleration or otherwise, Beneficiary or Trustee shall have the right to foreclose the lien hereof. In any suit to foreclose the lien hereof, there shall be allowed and included as additional indebtedness in the decree for sale all expenditures and expenses which may be paid or incurred by or on behalf of Trustee or Beneficiary, for attorney's fees, Trustee's fees, appraisers' fees, money for documentary and expert evidence, stenographers' charges, publication costs and costs which may be estimated as to items to be expended *ad valorem* in the decree of procuring all such abstracts of title, title searches and examinations, insurance policies, Torrens certificates, and similar documents and assurances with respect to title as Trustee or Beneficiary may deem to be reasonably necessary either to prosecute such suit or to evidence to bidders at any sale which may be had pursuant to such decree the true condition of the title or the value of the premises. All expenditures and expenses of the nature in the paragraph mentioned shall become so much additional indebtedness secured hereby and immediately due and payable, with interest thereon at the annual percentage rate stated in the Loan Agreement this Trust Deed secures, when paid or incurred by Trustee or Beneficiary, in connection with (a) any proceeding, including probate and bankruptcy proceedings, to which either of them shall be a party, either as plaintiff, claimant or defendant, by reason of this trust deed or any indebtedness hereby secured, or (b) preparations for the commencement of any suit for the foreclosure hereof after accrual of such right to foreclose whether or not actually commenced, or (c) preparations for the defense of any threatened suit or proceeding which might affect the premises or the security hereof, whether or not actually commenced.

8. The proceeds of any foreclosure sale of the premises shall be distributed and applied in the following order of priority. First, on account of all costs and expenses incident to the foreclosure proceedings, including all such items as are mentioned in the preceding paragraph hereof; second, all other items which under the terms hereof constitute secured indebtedness additional to that evidenced by the Loan Agreement, with interest thereon as herein provided; third, all principal and interest remaining unpaid on the note; fourth, any overplus to Grantors, their heirs, legal representatives or assigns, as their rights may appear.

9. Upon, or at any time after the filing of a bill to foreclose this instrument, the court in which such bill is filed may appoint a receiver of said premises. Such appointment may be made either before or after sale, without notice, without regard to the solvent or insolvency of Grantors at the time of application for such receiver and without regard to the then value of the premises or whether the same shall be then occupied as a homestead or not and the Trustee hereunder may be appointed as such receiver. Such receiver shall have the power to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and, in case of a sale and a deficiency, during the full statutory period of redemption, whether there be redemption or not, as well as during any further time when Grantors, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or convenient in such cases for the protection, possession, control, management and operation of the premises during the whole of said period. The Court from time to time may authorize the receiver to apply the net income in his hands in payment in whole or in part of (a) the indebtedness secured hereby, or by any decree foreclosing this Trust Deed, or any tax, special assessment or other lien which may be or become superior to the lien hereof or of such decree, provided such application is made prior to foreclosure sale; (b) the deficiency in case of a sale and deficiency.

10. No action for the enforcement of the lien or of any provision hereof shall be subject to any defense which would not be good and available to the party interposing same in an action of law upon the note hereby secured.

11. Trustee or Beneficiary shall have the right to inspect the premises at all reasonable times and access thereto shall be permitted for that purpose.

12. Trustee has no duty to examine the title, location, existence, nor condition of the premises and shall Trustee be obligated to record this trust deed or to exercise any power herein given unless expressly obligated by the terms hereof, nor be liable for any acts or omissions hereunder, except in case of gross negligence or misconduct and Trustee may require indemnities satisfactory to Trustee before exercising any power herein given.

13. Upon presentation of satisfactory evidence that all indebtedness secured by this Trust Deed has been fully paid, either before or after maturity, the Trustee shall have full authority to release this trust deed, the lien hereof, by proper instrument.

14. In case of the resignation, inability or refusal to act of Trustee, the Beneficiary shall have the authority to appoint a Successor in Trust. Any Successor in Trust hereunder shall have the identical title, powers and authority as are herein given.

15. This Trust Deed and all provisions hereof, shall extend to and be binding upon Grantors and all persons claiming under or through Grantors, and the word "Grantors" when used herein shall include all such persons and all persons liable for the payment of the indebtedness or any part thereof, whether or not such persons shall have executed the Loan Agreement or this Trust Deed. The term "Beneficiary" as used herein shall mean and include any successors or assigns of Beneficiary.
