#### (A) Change Dates

The adjustable interest rate I will pay may change on the first day of EBRUARY, 1992, and on that day every twelfth (12th) month thereafter. Each date on which my adjustable interest rate could change is called a "Change Date."

#### (B) The Index

Beginning with the first Change Date, my adjustable interest rate will be cased on an Index. The "Index" is the weekly average yield on United States Treasury securities, adjusted to a constant maturity of I year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

#### (C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding THREE AND THREE FOURTHS percentage points (3.750%) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal balance that I am expected to owe on the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation is called the "Full Payment Amount", and it will be the new amount of my monthly payment.

### (D) Limits on Interest Rate Changes

My interest rate is subject to the following limits if the appropriate box is checked:

The rate of interest I am required to pay shall never be increased or decreased on any single Change Date by more than TWO percentage points ( 2.000 %) from the rate of interest I have been paying for the preceding 12 months.

The interest rate limits of this Section 4(D) will not apply if I exercise my Conversion Option under Section 5 of this Note.

### (E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes rean.

#### (F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my adjustable interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

### B. FIXED INTEREST RATE OPTION

The Note provides for the Borrower's option to convert from an adjustable interest rate with interest rate limits to a fixed interest rate, as follows:

#### 5. FIXED INTEREST RATE CONVERSION OPTION

#### (A) Option to Convert to Fixed Rate

I have a Conversion Option which I can exercise unless I am in default or this Section 5(A) will not permit me to do so. The "Conversion Option" is my option to convert the interest rate I am required to pay by this Note from an adjustable rate with interest rate limits to the fixed rate calculated under Section 5(B) below.

The Conversion can only take place on a date specified by the Note Holder during the period beginning on the first Change Date and ending on the fifth Change Date. Each date on which my adjustable interest rate can convert to the new fixed rate is called the "Conversion Date." I can convert my interest rate only on one of these Conversion Date(s).

If I want to exercise the Conversion Option, I must first meet certain conditions. Those conditions are that: (i) My adjustable rate mortgage payments are current on the date the Note Holder receive; my Notice of Conversion and conversion fee; (ii) I am not otherwise in default or foreclosure under the Note of the Security Instrument on the date the Note Holder receives my Notice of Conversion and conversion fee; (iii) I nove not been assessed more than one (I) late charge in the twelve (I2) months immediately preceding the date the Note Holder receives my Notice of Conversion and conversion fee; (iv) Within the time specified by the Note Holder, I obtain from Note Holder the information necessary to complete the Notice of Conversion; (v) the Note Holder must receive my properly completed Notice of Conversion and conversion fee of 250.00 within the time specified by the Note Holder; (vi) I have not exercised any Assumption Feature; and (vii) I must give the Note Holder any additional documents and meet any additional requirements necessary for Conversion.

#### (B) Calculation of Fixed Rate

My new fixed interest rate will be determined as of the close of the Federal National Mortgage Association's last business day of the month immediately preceding the month in which I return my Notice of Conversion and conversion fee and will be equal to FNMA's 30-year A/A 60-day delivery required net yield for fixed rate mortgages as quoted with no commitment fee, plus 1.000 percentage points, rounded to the nearest one-eighth of one percentage point (0.125%). My new fixed interest rate will not exceed a maximum rate of 15.250 %. If the FNMA required net yield cannot be determined because the applicable commitments are not available, the Note Holder will determine my interest rate by using comparable information.

Any attempt by ine to cancel the Conversion prior to the time Conversion becomes of Conversion. After the Note Holder receives my Notice of Conversion and the conversion fee by the date it tions to convert, I cannot cancel the Conversion after the Note Holder receives the conversion fee and the Notice tions, any attempt at exercise of the Conversion Option will be null and void. If I have satisfied all of the condiof Conversion and conversion fee. This date is called the Conversion Date.
