and, whereas, said Mortgagee is the holder of said mortgage and the note secured thereby:

NOW, THEREFORE, in order to further secure said indebtedness, and as a part of the consideration of said transaction, the undersigned hereby assigns, transfers and set over unto said Mortgagee, and of its successors and assigns, all the rents now due or which may hereafter become due under or by virtue of any lease, either oral or written, or any letting of, or any agreement for the use or occupancy of any part of the premises herein described, which may have been heretofore or may be hereafter made or agreed to, or which may be made or agreed to by the Mortgagee under the power herein granted, it being the intention hereby to establish an absolute transfer and assignment of all such leases and agreements and all the avails hereunder unto the Mortgagee and especially those certain leases and agreements now existing upon the property hereinabove described

The undersigned, do hereby irrevocably appoint the Mortgagee the agent of the undersigned for the management of said property, and do hereby authorize the Mortgagee to let and re-let said premises or any part thereof, according to its own discretion, and to bring or defend any suits in connection with said premises in its own name or in the name(s) of the undersigned, as it may consider expedient, and to make such repairs to the premises as it may deem proper or advisable, and to do anything in and about said premises that the undersigned might do, hereby ratifying and confirming anything and everything that the Mortgagee may do.

It is understood and agreed that the Mortgagee will not exercise its rights under this Assignment until after default in any payment secured by the mortgage or after a breach of any of its covenants.

The failure of the Mortgagee to exercise any right which it might exercise hereunder shall not be deemed a waiver by the Mortgagee of its right of exercise thereafter.
