2. **Definitions.** In this document, the following definitions apply.

"Mortgage": This document is called the "Mortgage".

"Borrower": JAMES P. CAGLE AND DONNA M. CAGLE, HUSBAND AND WIFE

will be called "Borrower".

Borrower's address is shown below.

"Lender": TCF BANK SAVINGS fso will be called "Lender". Lender is a federal savings bank which was formed and which exists under the laws of the United States of America. Lender's address is 801 Marquette Avenue, Minneapolis, Minnesota 55402.

"Agreement": The CommandCredit Plus Line Agreement signed by one or more Borrower and dated the same date as this Mortgage will be called the "Agreement". Under the Agreement, any Borrower signing the Agreement has a revolving line of credit called the "Account". The Agreement allows such a Borrower to obtain Loan Advances from the Account, make payments, and obtain readvances. Under the Agreement, such a Borrower may request Loan Advances from the Lender at any time until the final due date, shown in section 3 below.

"Property": The property that is described in section 5 is called the "Property".

3. **Final Due Date.** The scheduled date for final payment of what Borrower owes under the Agreement is JANUARY 30, 2001

4. **Variable Annual Percentage Rate.** The Annual Percentage Rate is the cost of Borrower's credit as a yearly rate. The Annual Percentage Rate Lender uses to figure Finance Charges will go up and down, based on the highest U.S. prime rate published daily in the Wall Street Journal under "Money Rates" (the "Index"). The Index may not be the lowest or best rate offered by Lender or other lenders. If the Index becomes unavailable, Lender will select some other interest rate index, to the extent permitted by applicable laws and regulations, as the Index and notify Borrower. Lender will change the Annual Percentage Rate the first business day (excludes Saturday, Sunday and legal holidays)

following the day that the Index changes so that it is always 2 . 40 percentage points above the Index. If the Annual Percentage Rate goes up or down, the Daily Periodic Rate will also go up or down. The maximum Annual Percentage Rate is 19 . 00 %. The minimum Annual Percentage Rate is 9 . 00 %. Since the Index is now 9 . 50 %, the initial Annual Percentage Rate for Borrower's Account is 11 . 90 %, which is a Daily Periodic Rate of .03260 %.

5. **Description of the Property.** Borrower gives Lender rights in the following Property:

a. The Land, which is located at (address) 1416 S NEENAH, WORTH, IL 60482

c. All "easements, rights, hereditaments, appurtenances, rents, royalties, and profits" that go along with the Land. These are rights that Borrower has as owner of the Land in other property.

LEGAL DESCRIPTION:

UNOFFICIAL COPY

- e. That the Borrower may terminate the Mortgage after acceleration; and
f. That Borrower may bring suit in court to argue that all promises were kept and to present any other defense. Borrower has to acceleration.

Lender need not send the notice if the promise Borrower failed to keep consists of Borrower's sale or transfer of all or a part of the Property or any rights in the Property without Lender's written consent. If the Borrower does not correct the failure by the date stated in the notice, Lender may accelerate. If Lender accelerates, Lender may foreclose this Mortgage according to law. Borrower also agrees to pay Lender's attorneys' fees and costs for the foreclosure in the maximum amount allowed by law. Lender will apply the proceeds of the foreclosure sale to the amount Borrower owes under this Mortgage, and to the costs of the foreclosure and Lender's attorneys' fees.

24. Obligations After Assignment. Any person who takes over Borrower's right or obligations under this Mortgage with Lender's consent will have Borrower's rights and will be obligated to keep all of the promises Borrower made in this Mortgage. If another person takes over Borrower's rights or obligations under this Mortgage, Borrower will not be released. Any person or organization who takes over Lender's rights or obligations under this Mortgage will have all of Lender's rights and must keep all of Lender's obligations under this Mortgage.

25. Waiver of Homestead. Under the exemption laws, Borrower's homestead is usually free from the claims of creditors. Borrower gives up the homestead exemption right for all claims arising out of this Mortgage. This includes Borrower's right to demand that property other than Borrower's homestead that has been mortgaged to Lender be foreclosed first, before the homestead is foreclosed.

26. Condemnation. If all or part of the Property is condemned, Borrower directs the party condemning the Property to pay all of the money to Lender. Lender will apply the money to pay the amount Borrower owes Lender, unless Lender agrees in writing that the proceeds can be used differently. If Lender uses the money to reduce the amount Borrower owes under the Agreement, Borrower will still have to make regular monthly payments until everything Borrower owes is paid.

27. Paragraph Headings. The headings of the paragraphs are for convenience only, and are not a part of this Mortgage.

6. Notice of Variable Rate of Interest. This Mortgage secures a line of credit that has a variable rate of interest. This means that the interest rate may increase or decrease from time to time, as explained in section 4.
7. Finance Charge. Borrower will pay a Finance Charge until Borrower has repaid everything owed under the Agreement. Borrower mortgagors, grants and conveys the Property to Lender subject to the terms of this Mort-gage. This means that, by signing this Mortgage, Borrower is giving Lender those rights that are stated in this Mortgage and also those rights belong-ing with the day they are made. This gives Lender the right to mortgage, grant, and convey the Property to Lender subject to the terms of this Mort-gage. If Borrower pays to Lender all the amounts owed to Lender under this Mortgage and under the Agreement, and keeps all promises made in this Mortgage, if Borrower fails to keep the promises made in this Mortgage or each day, Borrower pays a Finance Charge for each day. Lender makes up the daily balance by dividing the daily periodic Rate times the daily balance of Borrower's Accoun-t day by 365 (or 366, in any leap year). Lender determines the daily periodic Rate by dividing the beginning bal-ance of Borrower's Accoun-t day in the billing cycle. To figure the Finance Charge for each day, Lender adds up the previous charges for each day. Lender multiplies the daily periodic Rate times the daily balance of Borrower's Accoun-t day by the monthly billing cycle. Lender figures the daily periodic Rate by first taking the beginning bal-ance of Borrower's Accoun-t day in the billing cycle. To figure the Finance Charge for each day, Lender adds up the previous charges for each day, adding any new loan advances, subtracting any payments or other credits to the account and substracting any unpaid Finance charges and other charges. This gives Lender the right to mortgage, Borrower is giving Lender these rights to pro-duce from Lender from those rights belong-ing with the day they are made. This gives Lender the right to mortgage, grant, and convey the Property to Lender subject to the terms of this Mort-gage. If Borrower fails to keep the promises made in this Mortgage or each day, Borrower pays a Finance Charge for each day. Because someon-e other than Borrower has some of the rights in the Property that Borrower represents and warrents to have, Borrower will deland ownership of the Property against any claims of such rights.
8. Borrower owns the Property. A general warrenty of title to Lender. This means that Borrower will be fully responsible for any losses which Lender suffers because real estate records are filed for the County where the Property is located.
9. Termination of this Mortgage. If Borrower fails to keep the promises made in this Mortgage or each day, Borrower pays to Lender all the amounts owed to Lender under this Mortgage and under the Agreement, and keeps all promises made in this Mortgage, if Borrower can file a suit with the County in which the Property is located.
10. Promises of Borrower — Borrower representations and warranties that:
- a. Borrower owns the Property;
- b. Borrower has the right to mortgage, grant, and convey the Property to Lender; and
- c. There are no claims or liens against the Property except any mortgages that are currently shown in the office where real estate records are filed for the County where the Property is located.
11. Borrower's Promise to Pay — The Agreement. Borrower promises promptly to pay all amounts due on the Agreement.
12. Borrower's Promise to Pay and Assessment. Borrower promises to pay all amounts due on the Property, including any amounts on any prior mortgage, as they become due.
13. Borrower's Promise to Buy Hazard Insurance. Borrower promises to obtain a hazard insurance policy naming Lender as mortgagor, and which covers all buildings on the property. The insurance must be kept in full, and must cover losses or damage caused by fire and other hazards normally covered by "hazard insurance policies". Borrower may obtain the insurance from any company that is authorized to do business in this state, and that is acceptable to Lender. The insurance must be in the amounts and for the periods of time required by Lender. Borrower will pay all the premiums under the Agreement until the entire amount of the Premiums is paid in full.
14. Borrower's Promise to Buy Flood Insurance. Anyone who buys the property at the foreclosure sale will have all the rights under the insurance policy, if Lender pays under the terms of this Agreement. If Lender pays under the terms of this Agreement, Lender will have all of the rights that person paid would have had against the Borrower. This Mortgage covers all amounts that Lender may do and pay for whatever is necessary to buy flood insurance in the maximum amount available to the Lender, or if that rate violates laws, then at the rate that Lender paid.
15. Borrower's Promise to Maintain the Property. Any failure to repair the property in good repair, or if any improvements are made to the property, Borrower promises that Borrower won't damage or destroy the property. Borrower promises to pay all amounts that Lender paid under the terms of this Agreement, if Lender fails to repair the property in good repair, or if any improvements are made to the property.
16. Lender's Right to Take Action to Protect the Property. If (1) Borrower does not keep the promises made in this Mortgage, or (2) someone (Borrower or anyone else) begins a legal proceeding against Lender's rights in the property, or if Lender fails to pay any amount due under the terms of this Agreement, Lender may enforce any exercise of its rights under the terms of this Agreement, or if Lender fails to pay any amount due under the terms of this Agreement, Lender may exercise any of its rights under the terms of this Mortgage ends. Each right that Lender has to give notice to Borrower will be given to Lender by mailing them to Borrower's address shown in section 2. Any notice will be given, when it is mailed, or when it is delivered according to this paragraph.
17. Lender's Rights. Any failure of delay by Lender in enforcing the rights that person has in the property, or if any part of the property, or any rights in the property, without the Lender's written consent, this includes sale by Contract for Deed.
18. Joint Borrowers. Each person that signs this Mortgage is responsible for keeping all of the promises made by "Borrower". Lender may choose to enforce its rights against the Mortgage as an individual or against the Agreement. How ever, if someone signs this Mortgage, but did not sign the Agreement, then that person will not be required to pay any amount of the term. How ever, if someone signs this Mortgage, but did not sign the Agreement, then that person will not cause Lender to give notice to Borrower.
19. Notices. Unless the law requires differently, Lender may give notice to Borrower at the address shown in section 5. Notices that must be sent to Lender may require Lender to give notice to Lender by mailing them to Lender's address shown in section 2. Any notice will be given, when it is mailed, or when it is delivered according to this paragraph.
20. Selling the Property. Borrower agrees all or any part of the property, or any rights in the property, without the Lender's written consent, this includes sale by Contract for Deed.
21. No Defeats Under Mortgages. If there is already a mortgage against the property, the Borrower promises that there will never be a default under that mortgage.
22. No Other Mortgages. Borrower agrees not to mortgage all or any part of the property or allow anyone else to have a lien on the prop-erty without the Lender's written consent.
23. Lender's Remedies — Acceleration. If Lender requires Borrower to pay the entire outstanding balance under the Agreement in one payment. However, before accelerating, Lender will send Borrower a written notice by certified mail which states:
- a. The action Borrower must take to correct that failure;
 - b. The promise that Borrower failed to keep or the representation or warranty that Borrower breached;
 - c. The date that Borrower doesn't correct the failure by the date stated in the notice, Lender will accelerate, and if Borrower doesn't pay, Lender or another person may buy the property at a foreclosure sale;
