14. REMEDIES CUMULATIVE. All remedies provided in this Mortgage are distinct and cumulative to any other right or remedy under this Mortgage or accorded by law or equity, and may be exercised concurrently, independently, or successively.

15. EVENTS OF DEFAULT. In addition to the Event of Default caused by sale or transfer of, or promise to sell or transfer, all or any part of the Property, or any interest therein, which event is specifically covered in paragraph 16 hereof, set forth below is a list of events which will constitute Events of Default. The events are: (1) Borrower fails to pay in a timely manner any amounts due under the Credit Documents; (2) Lender receives actual knowledge that Borrower omitted material information in Borrower's credit application or made any false or misleading statements on Borrower's credit application; (3) Borrower files for bankruptcy under any provision of any state bankruptcy law or under any federal bankruptcy act in effect at the time of filing; (4) Lender receives actual knowledge that Borrower has defaulted under any credit instrument or Mortgage evidencing or securing a loan to Borrower which loan has priority in right of payment over the line of credit described in the Agreement or whose lien has or appears to have any priority over the lien hereof, or any other creditor of Borrower attempts to (or actually does) seize or obtain a writ of attachment against the Property; (5) Borrower fails to keep any of, or covenant or agreement contained in any of the Credit Documents not otherwise specified in this paragraph 15; or (6) The Lender receives actual knowledge that the Property is no longer the Borrower's principal residence.

16. TRANSFER OF THE PROPERTY. If all or any part of the Property or an interest therein is sold or transferred by Borrower without Lender's prior written consent, excluding (a) the creation of a lien or encumbrance subordinate to this Mortgage, or (b) the creation of a purchase money security interest for household appliances, such event shall constitute an Event of Default hereunder and under the Agreement and Lender may, at Lender's option, declare all the sums secured by this Mortgage to be immediately due and payable. Any use or attempted use by Borrower of the revolving line of credit evidenced by the Agreement after Borrower's sale, transfer, or promise to sell or transfer the Property or any interest therein shall constitute the basis of a separate Event of Default.

17. LENDER'S RIGHTS UPON DEFAULT. If Borrower shall become in default under this Mortgage, Lender shall have the right (but not the obligation) and without notice or demand upon Borrower and without releasing Borrower from any obligations hereof, at its option, to declare all sums secured hereby immediately due within 30 days and may make or do this in such manner and to such extent as it may deem necessary to protect the security hereof. If Borrower is in default as described in paragraph 15, the Lender shall have each and every one of the following rights in addition to the right of foreclosure by judicial proceeding and sale of the property: (a) Offset any amount owing by Lender to Borrower against the Borrower's debt to Lender; (b) Apply any money which Lender may have in its possession (such as balances in the escrow account, rents, condemnation or insurance proceeds) against the indebtedness owing by Borrower to Lender; (c) Enforce any other legal right which Lender may have. 18. ASSIGNMENT OF RENTS; APPOINTMENT OF RECEIVER; LENDER IN POSSESSION. At acceleration under paragraph 17, but of or the occurrence of an Event of Default hereunder or abandonment of the Property, Borrower shall have the right to collect and retain such rents as they become due and payable.

All rents collected by Lender or the receiver shall be applied first to payment of the costs of operation and management of the Property and collection of rents, including but not limited to receiver's fees, premiums on receiver's bonds and reasonable attorney's fees, and then to the sums secured by this Mortgage. Lender and the receiver shall be liable to account only for those amounts actually received. The entering upon and taking possession of the Property and the collection and application of the rents shall not cure or waive any Event of Default or notice of default hereunder or invalidate any act done pursuant to such notice.

19. RELEASE OF MORTGAGE. When Lender has been paid all amounts due under the Agreement, under this Mortgage, and under any notes for additional loans Lender may in the future make to Borrower which are secured by the Mortgage, Lender will discharge and release this Mortgage by delivering a certificate stating that this Mortgage has been satisfied. Such date shall be conclusively determined by reference to the "Received" date stamped on such written notice by Lender or Lender's agent. With regard to other events or information not provided by Borrower under the Credit Documents, Lender will be deemed to have actual knowledge of such event or information as of the date Lender receives a written notice of such event or information from a source Lender reasonably believes to be reliable, including but not limited to, a court or other governmental agency, institutional lender, or title company. The actual date of receipt shall be determined by reference to the "Received" date stamped on such written notice by Lender or Lender's agent.

See Mortgage Rider attached hereto and incorporated herein by this reference.

INTEREST RATE AND PAYMENT ADJUSTMENTS. Paragraph 28 is hereby added to the Mortgage.

28. INTEREST RATE AND PAYMENT ADJUSTMENTS. The Agreement secured by this Mortgage contains the following provisions:

FINANCE CHARGES

Finance Charges for my Credit Line. The "Initial Finance Charge" section and "Periodic Finance Charge" section, including its subsections "How Daily Interest Rate Is Determined," "How Average Daily Balance Is Figured," and "Current Finance Charge Rate" describe the Finance Charges payable in connection with my credit line and how they will be calculated.

A. Initial Finance Charge

To open my credit line I will pay the Loan Origination Fee (Initial Finance Charge) shown above, which is a one-time non-refundable Finance Charge. This amount may be posted to my credit line. If I want to avoid interest charges on this amount, I will pay this amount in cash when I sign this Agreement.

B. Periodic Finance Charges

Periodic Finance Charges, consisting of interest, will be charged on my credit line if there is an outstanding balance owing to the Lender on my credit line at the end of any day of the billing cycle. Interest will begin to accrue on the date a transaction is posted to my credit line. Interest will be calculated by applying the daily interest rate for that billing cycle to the average daily balance for that billing cycle and multiplying the result by the number of actual calendar days in the billing cycle. (See "How Daily Interest Rate Is Determined" and "How Average Daily Balance Is Determined.") This daily interest rate is subject to increase or decrease on the first day of each billing cycle if there has been a change in the "Index" (defined below). If the daily interest rate increases, my minimum monthly payment will also increase (see "Minimum Payment").

1. How Daily Interest Rate is Determined

To determine the daily interest rate for my credit line for each billing cycle before that billing cycle begins, the Lender will go through the following Step 1 to get the "Index" for the billing cycle and Steps 2 and 3 to get the daily interest rate for the cycle:

Step 1. The Lender will determine the value of the "Index" as of the "Determination Date." The "Index" that will apply to my credit line will be the Prime Rate as quoted and published in the Western Edition of *The Wall Street Journal*, currently published by Dow Jones and Co. The referenced Prime Rate is usually listed under a column entitled Money Rates. In the event that on the Determination Date two or more Prime Rates are published, the Index will be the highest Prime Rate. The Lender will obtain the Prime Rate quoted (using up to the first two decimal places) on the 30th day (Determination Date) of the month preceding the first day of the billing cycle, unless there is no Prime Rate quoted for the 30th day in which event the Lender will obtain the Prime Rate quoted for the next preceding day on which a Prime Rate was quoted.

In the event the Index, as described above, is no longer available, Index shall mean a substitute Index selected by the Lender in compliance with federal law.

Step 2. The Lender will then add to the Index an amount referred to as the "Spread." The "Spread" will be 1.70.

Step 3. The Lender will then divide the total of the Index plus the Spread by 365 to determine the daily interest rate that will apply for the next billing cycle.

2. How Average Daily Balance is Calculated

The Lender will calculate the Average Daily Balance by starting with the balance I owe at the beginning of each day in the billing period for that statement. The Lender will add any new loan advances and other charges and will subtract any payments and credits which are posted to my credit line during the day. The Lender subtracts all unpaid interest and late charge(s). This will result in the daily balance for the day. The Lender will then add together the daily balance for each of the days in the billing period and divide the total by the number of days in the billing period, which will result in my Average Daily Balance.

Interest will continue to accrue until my credit line balance is paid in full. I understand that I may receive a final billing statement showing only the interest which accrued from the closing date of the previous statement to the date on which the Lender received my payment of my remaining principal balance.

3. Current Finance Charge Rate

Based upon the Index in effect on the date this Agreement was prepared for signing, the current daily interest rate and the corresponding Annual Percentage Rate are as shown on the first page of this Agreement.

These rates are subject to increase or decrease at the beginning of the next and subsequent billing cycles based on increases and/or decreases in the Index.

IN WITNESS WHEREOF, Borrower has executed this Mortgage Rider.
