19. Waller of Homestead, Borrower with all right of homestead except in the property.

18. Releasee, Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

17. **Forfeiture Procedural Requirements.** If Lender requires immediate payment in full under Paragraph 9, Lender may exercise this security instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph, but not limited to, reasonable attorney's fees and costs of little expense.

NON-DISTURBING COVENANTS. Both owner and lessee further covenant and agree as follows:

# UNOFFICIAL COPY

Each monthly installment for items (a), (b), and (c) shall equal one-twelfth of the annual amounts, as reasonably estimated by Lender, plus an amount sufficient to maintain an additional balance of not more than one-sixth of the estimated amounts. The full annual amount for each item shall be accumulated by Lender within a period ending one month before an item would become delinquent. Lender shall hold the amounts collected in trust to pay items (a), (b), and (c) before they become delinquent.

If at any time the total of the payments held by Lender for items (a), (b), and (c), together with the future monthly payments for such items payable to Lender prior to the due dates of such items, exceeds by more than one-sixth the estimated amount of payments required to pay such items when due, and if payments on the Note are current, then Lender shall either refund the excess over one-sixth of the estimated payments or credit the excess over one-sixth of the estimated payments to subsequent payments by Borrower, at the option of Borrower. If the total of the payments made by Borrower for item (a), (b), or (c) is insufficient to pay the item when due, then Borrower shall pay to Lender any amount necessary to make up the deficiency on or before the date the item becomes due.

As used in this Security Instrument, "Secretary" means the Secretary of Housing and Urban Development or his or her designee. Most Security Instruments insured by the Secretary are insured under programs which require advance payment of the entire mortgage insurance premium. If this Security Instrument is or was insured under a program which did not require advance payment of the entire mortgage insurance premium, then each monthly payment shall also include either: (i) an installment of the annual mortgage insurance premium to be paid by Lender to the Secretary, or (ii) a monthly charge instead of a mortgage insurance premium if this Security Instrument is held by the Secretary. Each monthly installment of the mortgage insurance premium shall be in an amount sufficient to accumulate the full annual mortgage insurance premium with Lender one month prior to the date the full annual mortgage insurance premium is due to the Secretary, or if this Security Instrument is held by the Secretary, each monthly charge shall be in an amount equal to one-twelfth of one-half percent of the outstanding principal balance due on the Note.

If Borrower tenders to Lender the full payment of all sums secured by this Security Instrument, Borrower's account shall be credited with the balance remaining for all installments for items (a), (b), and (c) and any mortgage insurance premium installment that Lender has not become obligated to pay to the Secretary, and Lender shall promptly refund any excess funds to Borrower. Immediately prior to a foreclosure sale of the Property or its acquisition by Lender, Borrower's account shall be credited with any balance remaining for all installments for items (a), (b), and (c).

### 3. Application of Payments. All payments under paragraphs 1 and 2 shall be applied by Lender as follows:

First, to the mortgage insurance premium to be paid by Lender to the Secretary or to the monthly charge by the Secretary instead of the monthly mortgage insurance premium, unless Borrower paid the entire mortgage insurance premium when this Security Instrument was signed;

Second, to any taxes, special assessments, leasehold payments or ground rents, and fire, flood and other hazard insurance premiums, as required;

Third, to interest due under the Note;

Fourth, to amortization of the principal of the Note;

Fifth, to late charges due under the Note.

**4. Fire, Flood and Other Hazard Insurance.** Borrower shall insure all improvements on the Property, whether now in existence or subsequently erected, against any hazards, casualties, and contingencies, including fire, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. Borrower shall also insure all improvements on the Property, whether now in existence or subsequently erected, against loss by floods to the extent required by the Secretary. All insurance shall be carried with companies approved by Lender. The insurance policies and any renewals shall be held by Lender and shall include loss payable clauses in favor of, and in a form acceptable to, Lender.

In the event of loss, Borrower shall give Lender immediate notice by mail. Lender may make proof of loss if not made promptly by Borrower. Each insurance company concerned is hereby authorized and directed to make payment for such loss directly to Lender, instead of to Borrower and to Lender jointly. All or any part of the insurance proceeds may be applied by Lender, at its option, either (a) to the reduction of the indebtedness under the Note and this Security Instrument, first to any delinquent amounts applied in the order in Paragraph 3, and then to prepayment of principal, or (b) to the restoration or repair of the damaged property. Any application of the proceeds to the principal shall not extend or postpone the due date of the monthly payments which are referred to in Paragraph 2, or change the amount of such payments. Any excess insurance proceeds over an amount required to pay all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity legally entitled thereto.

In the event of foreclosure of this Security Instrument or other transfer of title to the Property that extinguishes the indebtedness, all right, title and interest of Borrower in and to insurance policies in force shall pass to the purchaser.

**5. Preservation and Maintenance of the Property, Leaseholds.** Borrower shall not commit waste or destroy, damage or substantially change the Property or allow the Property to deteriorate, reasonable wear and tear excepted. Lender may inspect the property if the property is vacant or abandoned or the loan is in default. Lender may take reasonable action to protect and preserve such vacant or abandoned property. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and fee title shall not be merged unless Lender agrees to the merger in writing.

**6. Charges to Borrower and Protection of Lender's Rights in the Property.** Borrower shall pay all governmental or municipal charges, fines and impositions that are not included in Paragraph 2. Borrower shall pay these obligations on time directly to the entity which is owed the payment. If failure to pay would adversely affect Lender's interest in the Property, upon Lender's request Borrower shall promptly furnish to Lender receipts evidencing these payments.

If Borrower fails to make these payments or the payments required by Paragraph 2, or fails to perform any other covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, for condemnation or to enforce laws or regulations), then Lender may do and pay whatever is necessary to protect the value of the Property and Lender's rights in the Property, including payment of taxes, hazard insurance and other items mentioned in Paragraph 2.

Any amounts disbursed by Lender under this Paragraph shall become an additional debt of Borrower and be secured by this Security Instrument. These amounts shall bear interest from the date of disbursement, at the Note rate, and at the option of Lender, shall be immediately due and payable.

**7. Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in place of condemnation, are hereby assigned and shall be paid to Lender to the extent of the full amount of the indebtedness that remains unpaid under the Note and this Security Instrument. Lender shall apply such proceeds to the reduction of the indebtedness under the Note and this Security Instrument, first to any delinquent amounts applied in the order provided in Paragraph 3, and then to prepayment of principal.

## ADJUSTABLE RATE RIDER

THIS ADJUSTABLE RATE RIDER is made this **15th** day of **February**, 19**91**, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed ("Security Instrument") of the same date given by the undersigned ("Borrower") to secure Borrower's Note ("Note") to

Midwest Funding Corporation

(the "Lender") of the same date and covering the property described in the Security Instrument and located at:

725 N. LOCKWOOD AVENUE  
CHICAGO, ILLINOIS 60644  
[Property Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

1. Under the Note, the initially stated interest rate of **Eight and one half** per centum (**8.500%**) per annum ("Initial Interest Rate") on the unpaid principal balance is subject to change, as hereinafter described. When the interest rate changes, the equal monthly installments of principal and interest also will be adjusted, as hereinabove provided, so that each installment will be in an amount necessary to fully amortize the unpaid principal balance of the Note, at the new adjusted interest rate, over the remaining term of the Note.
2. The first adjustment to the interest rate (if any adjustment is required) will be effective on the first day of **July 1**, 19**92**, (which date will not be less than twelve months nor more than eighteen months from the due date of the first instalment payment under the Note), and thereafter each adjustment to the interest rate will be made effective on the day of each succeeding year during the term of the Security Instrument ("Change Date").
3. Each adjustment to the interest rate will be made based upon the following method of employing the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one year ("Index"; the Index is published in the Federal Reserve Bulletin and made available by the United States Treasury Department in Statistical Release H.15 (519)). As of each Change Date, it will be determined whether or not an interest rate adjustment must be made, and the amount of the new adjusted interest rate, if any, as follows:
  - (a) The amount of the Index will be determined, using the most recently available figure, thirty (30) days before the Change Date ("Current Index").
  - (b) Two percentage points (**2.00%**; the "Margin") will be added to the Current Index and the sum of this addition will be rounded to the nearest one-eighth of one percentage point (0.125%). The rounded sum, of the Margin plus the Current Index, will be called the "Calculated Interest Rate" for each Change Date.
  - (c) The Calculated Interest Rate will be compared to the interest rate being earned immediately prior to the current Change Date (such interest rate being called the "Existing Interest Rate"). Then, the new adjusted interest rate, if any, will be determined as follows:
    - (i) If the Calculated Interest Rate is the same as the Existing Interest Rate, the interest rate will not change.
    - (ii) If the difference between the Calculated Interest Rate and the Existing Interest Rate is less than or equal to one percentage point, the new adjusted interest rate will be equal to the Calculated Interest Rate (subject to the maximum allowable change over the term of the Security Instrument of five percentage points, in either direction, from the Initial Interest Rate, herein called the "5% Cap").
    - (iii) If the Calculated Interest Rate exceeds the Existing Interest Rate by more than one percentage point, the new adjusted interest rate will be equal to one percentage point higher than the Existing Interest Rate (subject to the 5% Cap).
    - (iv) If the Calculated Interest Rate is less than the Existing Interest Rate by more than one percentage point, the new adjusted interest rate will be equal to one percentage point less than the Existing Interest Rate (subject to the 5% Cap).
  - (d) Notwithstanding anything contained in this Adjustable Rate Rider, in no event will any new adjusted interest rate be more than five percentage (5%) points higher or lower than the Initial Interest Rate. If any increase or decrease in the Existing Interest Rate would cause the new adjusted interest rate to exceed the 5% Cap,
