NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

# UNOFFICIAL COPY

1118518

If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

**8. Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

**9. Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

**10. Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

**11. Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

**12. Loan Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

**13. Legislation Affecting Lender's Rights.** If enactment or expiration of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

**14. Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

**15. Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

**16. Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

**17. Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

**18. Borrower's Right to Reinstate.** If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraphs 13 or 17.

## ADJUSTABLE RATE RIDER (ARM-G)

Loan No. 0-996360-6

THIS ADJUSTABLE RATE RIDER dated FEBRUARY 28, 1991 changes and adds to the Mortgage, Deed of Trust, or Security Deed (the "Security Instrument") I signed this day. The Security Instrument secures my Note (the "Note") to

GREATER WESTERN MORTGAGE CORPORATION, A DELAWARE CORPORATION

(the "Lender"),

also signed this day, and covers my property as described in the Security Instrument and located at:

10627 MISTY HILL ROAD  
ORLAND PARK, IL 60462

(Property Address)

ATTENTION: THE NOTE CONTAINS PROVISIONS ALLOWING FOR ADJUSTMENTS TO MY INTEREST RATE AND MY MONTHLY INSTALLMENT. THE NOTE LIMITS THE MINIMUM AND MAXIMUM INTEREST I MUST PAY AND HAS THE POTENTIAL FOR NEGATIVE AMORTIZATION.

The amount of my scheduled monthly installment could be less than the amount required to pay the interest due after a rate adjustment for that installment period. If so, the Note Holder will subtract the amount of my scheduled monthly installment from the amount of interest that I owe for that month and will add the difference to the outstanding principal balance of my loan. This occurrence is known as negative amortization. This unpaid interest is called "deferred interest". Under the Note, I must pay interest on the amount added to the principal balance at the same rate of interest I am required to pay on the outstanding loan balance each month.

### INTEREST RATE AND MONTHLY INSTALLMENT ADJUSTMENTS

The Note provides for adjustments in my interest rate and my monthly installments as follows:

Initial Interest Rate 9.750% First Interest Rate Adjustment Date SEPTEMBER 1, 1991

Initial Monthly Installment \$4,147.80

First Installment Due Date APRIL 1, 1991 Installment Due Date 1ST

Maturity Date MARCH 1, 2031 First Installment Adjustment Date APRIL 1, 1992

Minimum Rate\* 7.000% Maximum Rate\* 13.750%

Rate Differential 2.000

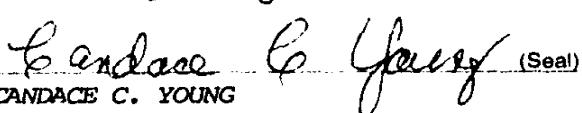

\*The Minimum Rate and Maximum Rate are subject to adjustment as provided in Section 1(d).

ALL TERMS AND CONDITIONS CONTINUED ON THE BACK OF THIS RIDER ARE PART OF THIS RIDER  
SIGNATURES OF BORROWERS:

(Please sign your name exactly as it appears below.)

BY SIGNING BELOW, I accept and agree to the terms and covenants in this Adjustable Rate Rider.

- 1. METHOD OF COMPUTING INTEREST RATE ADJUSTMENTS.**
- (a) Adjustment Dates. The interest rate will be adjusted on the First Interest Rate Adjustment Date shown on the front of this Rider and on every Interest Adjustment Date thereafter.
- (b) The Index. Beginning with First Interest Rate Adjustment Date, my interest rate will be based on an index, The "Index" is the nationally weighted average cost of savings, borrowings and advances by the Federal Home Bank of San Francisco (called the "Bank") to Arizona, California and Nevada savings institutions of a type that were eligible to be members of the Bank under applicable federal law in effect on August 1, 1989 (called "Eligible Savings Institutions"), based on statistics tabulated and published by the Bank during the term of this Note. Longer periods of time will be used by the Note Holder, in its sole discretion, to be substantially recalculated in a manner similar to the "Index". If the Index is no longer representative of the monthly weight held by the Note Holder, it may choose to use another index or the Note Holder may choose to use the "Current Index".
- (c) Calculation of Adjustment. The Note Holder will determine each adjustment interest rate by adding the Rate Differential (shown on the front of this Rider) to the most recently published Current Index. The sum of the Rate Index and the Rate Differential is the interest rate that will apply to my loan until the next month's interest rate adjustment.
- (d) Limits on Interest Rate Adjustments. The interest rate I am required to pay during the term of this loan will not be greater than the Maximum Rate less than the Minimum Rate shown on the front of this Rider, unless the property securing this loan is sold and the loan is assumed. Sale of the property and assumption of my loan require the Note Holder to make at the time the Note Holder consents to the sale and assumption.
- (e) Current Index. The Note Holder is not required to give me advance notice of an increase in the Current Index. The Note Holder may choose not to increase my interest rate even if an increase is permitted because of an increase in the Current Index.
- (f) Calculation of Adjustment. The Note Holder will determine each adjustment interest rate by adding the Rate Differential (shown on the front of this Rider) to the most recently published Current Index. The sum of the Rate Index and the Rate Differential is the interest rate that will apply to my loan until the next month's interest rate adjustment.
- (g) Adjustment Dates. The interest rate will be adjusted on the First Interest Rate Adjustment Date shown on the front of this Rider and on every Interest Adjustment Date thereafter.
- 2. METHOD OF COMPUTING INTEREST RATE INSTALMENT.**
- (a) Adjustment Dates. The date the front of this Rider, monthly instalment will be adjusted is called the "Instalment Date".
- (b) Adjustment Date. A new instalment will be adjusted on the First Interest Rate Adjustment Date shown on the front of this Rider and annually thereafter. The date the instalment will be adjusted is called the "Instalment Date".
- (c) Adjustment Date. On the front of this Rider, monthly instalment will be adjusted on the First Interest Rate Adjustment Date shown on the front of this Rider and annually thereafter. The date the instalment will be adjusted is called the "Instalment Date".
- (d) Adjustment Dates. The date the front of this Rider, monthly instalment will be adjusted is called the "Instalment Date".
- (e) Adjustment Dates. The date the front of this Rider, monthly instalment will be adjusted is called the "Instalment Date".
- (f) Adjustment Dates. The date the front of this Rider, monthly instalment will be adjusted is called the "Instalment Date".
- (g) Adjustment Dates. The date the front of this Rider, monthly instalment will be adjusted is called the "Instalment Date".
- 3. ADJUSTMENT COVENANTS.**
- (a) Note Holder is called the "Lender"; I am called the "Borrower". Paragraph 17 of the Security Instrument is changed to read as follows:
17. LENDER'S CONSENT REQUIRED. Lender may declare all sums so used hereby immediately due and payable within 30 days after such declaration except as expressly limited by law. Borrower, without Lender's prior written consent; (b) sells, conveys, contracts to sell, alienates or other encumbers all any part of the property; or (c) leases all or any part of the property and, in connection with such lease, grants the lessee an option to purchase all or any part of the property and, in connection with such lease, options, of 5 years or more; or (d) leases all or any part of the property for a term, together with all exercisable part of the property; or (e) transfers his title or any interest in the property to be directed, whether voluntarily or involuntarily; or (f) is a general partner in a partnership or corporation which Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge, provided, however, that Lender may impose upon Borrower at closing a fee to compensate a third party who shall be responsible for the monitoring and payment of real estate taxes without thereby becoming obligated to pay Borrower interest on the Funds.
- (b) FUNDS FOR TAXES AND INSURANCE
- The third sentence in the second paragraph of Uniform Government 2 of the Security Instrument is changed to read as follows:
