Ownership who shall be entitled to vote at any meeting of Unit Owners. Such person shall be known (and hereinafter referred to as a "voting member"). Such voting member may be the Unit Owner or one of the group composed of all the Owners of a Unit Ownership, or may be some person designated by such Unit Owner or Owners to act as proxy on his or their behalf and who need not be an Owner. Any such proxy shall be invalid not more than 11 months after its date of execution, unless otherwise provided in the proxy. Such designation shall be dated and made in writing to the Board and shall be revocable at any time by actual notice to the Board of the death or judicially declared incompetence of any designator, or by written notice to the Board by the Owner or Owners. Any or all of such Unit Owners may be present at any meeting of the voting members and (those constituting a group acting unanimously) may vote or take any other action as a voting member, either in person or by proxy. The total number of votes of all voting members shall be 100, and each Unit Owner or group of Unit Owners shall be entitled to the number of votes equal to the total of the percentage of ownership in the Common Elements applicable to his or their Unit Ownership as set forth in Exhibit "B" of the Declaration. The Owner shall be the voting member with respect to any Unit Ownership owned by the Owner which has not been sold to a third party. In the event of a resale of a condominium Unit pursuant to an installment contract for purchase, the purchaser shall have voting rights for such Unit unless the seller expressly retains in writing such right.

1.3 Meetings: Meetings of the voting members shall be held at the property or at such other place as may be designated in any notice of a meeting. The presence in person or by proxy at any meeting of the voting members having a majority of the total votes shall constitute a quorum. Unless otherwise expressly provided herein, any action may be taken at any meeting of the voting members at which a quorum is present upon the affirmative vote of the voting members having a majority of the total votes present at such meeting.

1.4 Annual Meetings: The initial meeting of the voting members shall be held upon not less than ten (10) days and not more than thirty (30) days written notice given by the Owner. Such written notice may be given at any time after at least 4% of the Units are sold but must be given not later than thirty (30) days after 75% of the Units are sold. Thereafter there shall be an annual meeting of the voting members on the first Tuesday of February following such initial meeting, and on the first Tuesday of February of each succeeding year thereafter at 7:30 p.m. or at such other reasonable time or date (not more than thirty (30) days before or after such date) as may be designated by written notice of the Board delivered to the voting members not less than ten (10) days nor more than thirty (30) days, prior to the date fixed for said meeting. One of the purposes of the annual meeting shall be

the election of members of the board of managers.

1.5 Special Meetings: Special meetings of the voting members may be called at any time by the president, board of managers, or by 20% of Unit Owners for the purpose of considering matters which by the terms of the Declaration require the approval of all or some of the voting members, or for any other reasonable purpose. Said meetings shall be called by written notice, authorized by a majority of the Board, or by the voting members having one-fifth of the total votes and delivered not less than ten (10) days prior to the date fixed for said meeting. The notices shall specify the date, time and place of the meeting and the matters to be considered. Matters subject to an affirmative vote of not less than two-thirds of the votes of Unit Owners at a meeting shall include, without limitation, merger or consolidation of the association; sale, lease or other disposition of the property and assets of the association; the purchase or sale of land or of Units on behalf of all Unit Owners.

1.6 Notice of Meetings: Notices of meetings required to be given herein may be delivered either personally or by mail to the persons entitled to vote thereat, addressed to each such person at the address given by him to the Board for the purpose of service of such notice, or to the Unit of the Owner with respect to which such voting right appertains, if no address has been given to the Board.

ARTICLE 2-B

BOARD OF DIRECTORS

2.1 Election of Board: At the initial meeting, the voting members shall elect a Board. In all elections for members of the Board, each voting member shall be entitled to vote on a cumulative voting basis, and the candidates receiving the highest number of votes with respect to the number of offices to be filled shall be deemed to be elected. A majority of the total number of members on the Board shall constitute a quorum. Members of the Board elected at the initial meeting shall serve until the first annual meeting. At the first annual meeting and at each successive annual meeting thereafter, members of the Board shall be elected for a term of one (1) year. The voting members having at least two-thirds of the total votes may from time to time increase or decrease such number of persons on the Board or may increase the term of office of the Board members at any annual or special meeting, provided that such number shall not be less than three and that the terms of at least one-third of the persons on the Board shall expire annually. No member of the Board or officer shall be elected for a term of more than two (2) years, but officers and members of the Board may succeed themselves. Any candidate for election or such candidate's representative shall have the right to be present at the counting of ballots for such election. Members of the Board shall receive

no compensation for their services, unless expressly allowed by the Board at the direction of the voting members having two-thirds of the total votes. Vacancies in the Board, including vacancies due to any increases in the number of persons on the Board, shall be filled by election by the voting members present at the next annual meeting or at a special meeting of the voting members called for such purpose. The Board may fill any vacancy by two-thirds vote until the next annual meeting of Unit Owners or for a period terminating no later than 30 days following the filing or petition signed by Unit Owners holding 20% of the votes of the association requesting a meeting of the Unit Owners to fill the vacancy for the balance of the term. A meeting of the Unit Owners shall be called to fill a Board vacancy no later than 30 days following the filing of the aforesaid petition. Except as otherwise provided in the By-Laws, the property shall be managed by the Board and the Board shall act by majority vote of those present at its meetings when a quorum exists. Meetings of the Board may be called, held and conducted in accordance with such regulations as the Board may adopt. A majority of managers shall constitute a quorum at Board meetings.

2.2 Election of Officers: The Board shall elect from among its members a President who shall preside over both its members and those of the voting members, and who shall be the chief executive officer of the Board, a Secretary who shall keep the minutes of all meetings of the Board and of the voting members and who shall, in general, perform all the duties incident to the office of Secretary, and a Treasurer to keep the financial records and books of account, and such additional officers as the Board shall see fit to elect. The Secretary is further designated to mail and receive all notices and execute amendments to condominium instruments as provided in the condominium instruments.

2.3 Removal of Board Member: Any Board member may be removed from office by affirmative vote of the voting members having at least two-thirds of the total votes, at any special meeting called for the purpose. A successor to fill the unexpired term of the Board member removed may be elected by the voting members at the same meeting or any subsequent meeting called for that purpose.

2.4 Execution of Documents: All agreements, contracts, deeds, leases, vouchers for payment of expenditures and other instruments shall be signed by such officer or officers, agent or agents of the Board and in such manner as from time to time shall be determined by written resolution of the Board. In the absence of such determination by the Board, such documents shall be signed by the President or any Vice President and countersigned by the Secretary or any Assistant Secretary of the Board.

2.5 General Powers: Without limiting the general powers which may be provided by law, the Act and this Declaration, the

Board shall have the following additional powers and duties:

(a) To engage the services of a manager or managing agent who shall manage and operate the Property for all Owners upon such terms and with such authority as the Board may approve.

(b) To formulate policies for the administration, management and operation of the Property.

(c) To adopt rules and regulations with written notice thereof to all Owners, governing the administration, management, maintenance, operation, use, conservation and beautification of the Property and for the health, comfort, safety and general welfare, of the Owners, and to amend such rules and regulations from time to time with written notice to all Owners.

(d) To provide for any construction, alteration, installation, maintenance, repair, painting and replacement for which the Board is responsible under the Declaration or the By-Laws and for such purposes to enter and to authorize entry into any Unit or Limited Common Elements, causing as little inconvenience to the Owners as practicable and repairing any damage caused by any such entry at the expense of the maintenance fund.

(e) To provide for the designation, hiring and removal of employees and other personnel, including lawyers and accountants, and to engage or contract for the services of others and to make purchases for the maintenance, repair, replacement, administration, management and operation of the Property, and to delegate any such powers to the manager or managing agent (and any such employees or other personnel as may be employees of the managing agent).

(f) To estimate the amount of the annual budget, and to provide the manner of assessing and collecting from the Owners their respective shares of such estimated expenses as hereinafter provided.

(g) To pay out of the maintenance fund hereinafter provided for, the following:

(i) Water, waste removal, gas, electricity and telephone and other necessary utility services for the Common Elements and (if not separately metered or charged) for the Units. The Board shall have the right to levy additional assessments against any Owners to reimburse it for any excessive use of any utility service by such Owner.

(ii) The services of a manager or managing agent or any other person or firm employed by the Board.

(iii) Materials, equipment, labor, services, maintenance, repairs, structural alterations or assessments which the Board is required to secure or pay for, or which, in its opinion, is necessary for the maintenance or operation of the Property or for the enforcement of restrictions.

(iv) Fire insurance of Common Elements, liability insurance, workmen's compensation insurance and such other insurance as the Board shall deem desirable.

(h) To bid for and purchase any Unit Ownership at a sale pursuant to a mortgage foreclosure or a foreclosure of the lien for common expenses under the Act, or at a voluntary or involuntary sale of the Unit Owner, upon the consent or approval of Owners owning not less than 90% in the aggregate in interest of the undivided ownership of the Common Elements and whose Unit Ownerships are not the subject matter of the sale and purchase.

(i) To comply with the instructions of a majority of the Owners, as expressed in a resolution duly adopted at any annual or special meeting of the Owners.

(j) To exercise all other powers and duties of the Board of Managers or Unit Owners as a group referred to in the Declaration, these By-Laws or the Condominium Property Act of the State of Illinois.

2.6 Meetings: The Board shall meet at least four times annually. Meetings of the Board shall be open to any Unit Owner except when the following matters are being discussed: litigation involving the association; appointment or dismissal of an employee; rules violations or unpaid Owner assessments. Open meetings may be recorded by any unit owner. Meetings may be called by any Member of the Board upon delivering notice to the Unit of each Board member at least 48 hours prior to the meeting. Notices of meetings of the Board shall also be posted in entranceways at least 48 hours prior to the meeting. A majority of the Board may vote to waive the requirement of 48 hours advance notice in the event of an emergency.

ARTICLE 3-B

ASSESSMENTS - MAINTENANCE FUND

3.1 Estimate of Maintenance Costs: Each year on or before November 15, the Board shall estimate the total amount necessary to pay the cost of wages, materials, insurance, services and supplies, which will be required during the ensuing calendar year for the rendering of all services, together with a reasonable amount considered by the Board to be necessary for a reserve for contingencies and replacements, and shall on or before December 1 notify each Owner in writing as to the amount of such estimate, with reasonable itemization thereof. The annual budget shall also take into account the estimated net available cash income for the year from the operation or use of the Common Elements. Said "estimated cash requirement" shall be assessed to the Owners according to each Owner's percentage of ownership in the Common Elements as set forth in Exhibit "B" attached to the Declaration. On or before January 1 of the ensuing year, and the first of each and every month of said year, each Owner shall be obligated to pay to the Board or as it may direct, one-twelfth of the assessment made pursuant to this paragraph. On or before May 1 of each calendar year, the Board shall supply to all Owners an itemized accounting of the maintenance expenses for the preceding calendar year actually incurred and paid, together with a tabulation of the amounts collected pursuant to the estimates provided, and showing reserves. Any amount accumulated in excess of the amount required for actual expenses and reserves shall be credited according to each Owner's percentage of ownership in the Common Elements to the next monthly installments due from Owners under the current year's estimate, until exhausted, and any net shortage shall be added

UNOFFICIAL COPY

according to each Owner's percentage of ownership in the Common Elements to the installments due in the succeeding six months after rendering of the accounting. Each Unit Owner shall receive written notice, in the same manner as is provided in these By-Laws for membership meetings, of any meeting of the Board concerning the adoption of the proposed annual budget or any increase, or establishment of an assessment. If an adopted budget requires assessment against the Unit Owners in any fiscal or calendar year exceeding 115%, excluding authorized reserves for repairs and replacements, of the assessments for the preceding year, the Board, upon written petition of Unit Owners with 20% of the votes of the association filed within 14 days of the Board action, shall call a meeting of the Unit Owners within 30 days of the date of filing of the petition to consider the budget. The budget shall be ratified at such meeting unless rejected by a majority of the votes of the Unit Owners at such meeting.

3.2 Reserve for Contingencies and Replacements: The Board shall build up and maintain a reasonable reserve for contingencies and replacements. Extraordinary expenditures not originally included in the annual estimate which may become necessary during the year, shall be charged first against such reserve. If said "estimated cash requirement" proves inadequate for any reason, including nonpayment of any Owner's assessment, the Board may at any time levy a further assessment which shall be assessed to the Owner according to the Owner's percentage ownership in the Common Elements. The Board shall serve notice of such further assessment on all Owners by a statement in writing giving the amount and reasons therefor, and such further assessment shall become effective with the next month's maintenance payment which is due more than ten days after the delivery or mailing of such notice of further assessment. All Owners shall be obligated to pay the adjusted monthly amount.

3.3 Estimate of Cash Requirements: When the first Board elected hereunder takes office, it shall determine the "estimated cash requirement", as hereinabove defined, for the period commencing thirty days after said election and ending on December 31 of the calendar year in which said election occurs. Assessments shall be levied against the Owners during said period as provided in Paragraph 1 of this Article.

3.4 Failure or Delay in Preparation of Estimate: The failure or delay of the Board to prepare or serve the annual or adjusted estimate on the Owner shall not constitute a waiver or release in any manner of such Owner's obligation to pay the maintenance costs and necessary reserves, as herein provided, whenever the same shall be determined and in the absence of any annual estimate or adjusted estimate, the Owner shall continue to pay the monthly maintenance charge at the then existing monthly rate established for the

previous period until the next monthly maintenance payment which is due more than ten days after such new annual or adjusted estimate shall have been mailed or delivered.

3.5 Books and Records: The Board shall keep full and correct books of account in chronological order of the receipts and expenditures affecting the Common Elements, specifying and itemizing the maintenance and repair expenses of the Common Elements and any other expenses incurred. Such records and the vouchers authorizing the payments shall be available for inspection by any Unit Owner or any representative of an Owner duly authorized in writing, at such reasonable time or times during normal business hours as may be requested by the Unit Owner. Upon ten days' notice to the Board and payment of a reasonable fee, any Owner shall be furnished a statement of his account setting forth the amount of any unpaid assessments or other charges due and owing from such Unit Owner.

3.6 Default: If a Unit Owner is in default in the monthly payment of the aforesaid charges or assessment for thirty days, the members of the Board may bring suit for and on behalf of themselves and as representatives of all Owners, to enforce collection thereof or to foreclose the lien therefor as hereinafter provided, and there shall be added to the amount due the costs of said suit, and other fees and expenses together with legal interest and reasonable attorneys' fees to be fixed by the court. To the extent permitted by any decision or any statute or law now or hereafter effective, the amount of any delinquent and unpaid charges or assessments and interest, costs and fees as above provided, shall be and become a lien or charge against the Unit Ownership of the Owner involved when payable and may be foreclosed by an action brought in the name of the Board as in the case of foreclosure of liens against real estate. Said lien shall take effect and be in force when and as provided in the Condominium Property Act of Illinois. However, any recorded first mortgage or first trust deed made, owned, or held by a bank, savings and loan association or insurance company shall be superior to the lien of all common expenses which become due and are unpaid subsequent to the date of recording of such first mortgage or trust deed except for such common expenses on the encumbered Unit Ownership which becomes due and payable after the date said encumbrance either takes possession of the Unit, accepts a conveyance of any interest in the Unit Ownership, or has a receiver appointed in a suit to foreclose its lien. The association shall have no authority to forbear the payment of assessments by any Unit Owner.

3.7 Effect of Non-Use: No Unit Owner may waive or otherwise escape liability for the assessment provided for herein by non-use or the Common Elements or abandonment of his Unit.
