Each monthly installment for items (a), (b), and (c) shall equal one-twelfth of the annual amounts, as reasonably estimated by Lender, plus an amount sufficient to maintain an additional balance of not more than one-sixth of the estimated amounts. The full annual amount for each item shall be accumulated by Lender within a period ending one month before an item would become delinquent. Lender shall hold the amounts collected in trust to pay items (a), (b), and (c) before they become delinquent.

If at any time the total of the payments held by Lender for items (a), (b), and (c), together with the future monthly payments for such items payable to Lender prior to the due dates of such items, exceeds by more than one-sixth the estimated amount of payments required to pay such items when due, and if payments on the Note are current, then Lender shall either refund the excess over one-sixth of the estimated payments or credit the excess over one-sixth of the estimated payments to subsequent payments by Borrower, at the option of Borrower. If the total of the payments made by Borrower for item (a), (b), or (c) is insufficient to pay the item when due, then Borrower shall pay to Lender any amount necessary to make up the deficiency on or before the date the item becomes due.

As used in this Security Instrument, "Secretary" means the Secretary of Housing and Urban Development or his or her designee. Most Security Instruments insured by the Secretary are insured under programs which require advance payment of the entire mortgage insurance premium. If this Security Instrument is or was insured under a program which did not require advance payment of the entire mortgage insurance premium, then each monthly payment shall also include either: (i) an installment of the annual mortgage insurance premium to be paid by Lender to the Secretary, or (ii) a monthly charge instead of a mortgage insurance premium if this Security Instrument is held by the Secretary. Each monthly installment of the mortgage insurance premium shall be in an amount sufficient to accumulate the full annual mortgage insurance premium with Lender one month prior to the date the full annual mortgage insurance premium is due to the Secretary, or if this Security Instrument is held by the Secretary, each monthly charge shall be in an amount equal to one-twelfth of one-half percent of the outstanding principal balance due on the Note.

If Borrower tender to Lender the full payment of all sums secured by this Security Instrument, Borrower's account shall be credited with the balance remaining for all installments for items (a), (b), and (c) and any mortgage insurance premium installment that Lender has not become obligated to pay to the Secretary, and Lender shall promptly refund any excess funds to Borrower. Immediately prior to a foreclosure sale of the Property or its acquisition by Lender, Borrower's account shall be credited with any balance remaining for all installments for items (a), (b), and (c).

### 3. Application of Payments. All payments under paragraphs 1 and 2 shall be applied by Lender as follows:

First, to the mortgage insurance premium to be paid by Lender to the Secretary or to the monthly charge by the Secretary instead of the monthly mortgage insurance premium, unless Borrower paid the entire mortgage insurance premium when this Security Instrument was signed;

Second, to any taxes, special assessments, leasehold payments or ground rents, and fire, flood and other hazard insurance premiums, as required;

Third, to interest due under the Note;

Fourth, to amortization of the principal of the Note;

Fifth, to late charges due under the Note.

**4. Fire, Flood and Other Hazard Insurance.** Borrower shall insure all improvements on the Property, whether now in existence or subsequently erected, against any hazards, casualties, and contingencies, including fire, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. Borrower shall also insure all improvements on the Property, whether now in existence or subsequently erected, against loss by floods to the extent required by the Secretary. All insurance shall be carried with companies approved by Lender. The insurance policies and any renewals shall be held by Lender and shall include loss payable clauses in favor of, and in a form acceptable to, Lender.

In the event of loss, Borrower shall give Lender immediate notice by mail. Lender may make proof of loss if not made promptly by Borrower. Each insurance company concerned is hereby authorized and directed to make payment for such loss directly to Lender, instead of to Borrower and to Lender jointly. All or any part of the insurance proceeds may be applied by Lender, at its option, either (a) to the reduction of the indebtedness under the Note and this Security Instrument, first to any delinquent amounts applied in the order in Paragraph 3, and then to prepayment of principal, or (b) to the restoration or repair of the damaged property. Any application of the proceeds to the principal shall not extend or postpone the due date of the monthly payments which are referred to in Paragraph 2, or change the amount of such payments. Any excess insurance proceeds over an amount required to pay all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity legally entitled thereto.

In the event of foreclosure of this Security Instrument or other transfer of title to the Property that extinguishes the indebtedness, all right, title and interest of Borrower in and to insurance policies in force shall pass to the purchaser.

**5. Preservation and Maintenance of the Property, Leaseholds.** Borrower shall not commit waste or destroy, damage or substantially change the Property or allow the Property to deteriorate, reasonable wear and tear excepted. Lender may inspect the property if the property is vacant or abandoned or the loan is in default. Lender may take reasonable action to protect and preserve such vacant or abandoned property. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and fee title shall not be merged unless Lender agrees to the merger in writing.

**6. Charges to Borrower and Protection of Lender's Rights in the Property.** Borrower shall pay all governmental or municipal charges, fines and impositions that are not included in Paragraph 2. Borrower shall pay these obligations on time directly to the entity which is owed the payment. If failure to pay would adversely affect Lender's interest in the Property, upon Lender's request Borrower shall promptly furnish to Lender receipts evidencing these payments.

If Borrower fails to make these payments or the payments required by Paragraph 2, or fails to perform any other covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, for condemnation or to enforce laws or regulations), then Lender may do and pay whatever is necessary to protect the value of the Property and Lender's rights in the Property, including payment of taxes, hazard insurance and other items mentioned in Paragraph 2.

Any amounts disbursed by Lender under this Paragraph shall become an additional debt of Borrower and be secured by this Security Instrument. These amounts shall bear interest from the date of disbursement, at the Note rate, and at the option of Lender, shall be immediately due and payable.

**7. Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in place of condemnation, are hereby assigned and shall be paid to Lender to the extent of the full amount of the indebtedness that remains unpaid under the Note and this Security Instrument. Lender shall apply such proceeds to the reduction of the indebtedness under the Note and this Security Instrument, first to any delinquent amounts applied in the order provided in Paragraph 3, and then to prepayment of principal.

(d) Notwithstanding anything contained in this Adjustable Rate Rider, in no event will any new adjustable interest rate be more than five percentage points higher or lower than the initial interest rate. If any increase in the initial interest rate causes the new adjustable interest rate to exceed the 5% cap, or decrease in the existing interest rate would cause the new adjustable interest rate to exceed the 5% cap,

(d) In the circumstances described above, it is less than one thousand dollars, and the aggregate amount of all such amounts does not exceed \$500.

(iv) The new adusted interest rate will be equal to one percentage point higher than the existing interest rate (subject to the 5% cap).

(iii) If the Calculated interest Rate exceeds the Existing Interest Rate by more than one percentage point, pre-existing points, in either direction, from the initial interest Rate, then called the "gap".

If the difference between the Calculated Interest Rate and the Existing Interest Rate is less than or equal to one percentage point, the new adjusted interest rate will be equal to the Calculated Interest Rate.

(6) If the Calculated Interest Rate is the same as the Existing Interest Rate, the interest rate will not change.

(c) The Calculated Interest Rate will be compared to the interest rate being called the "Existing Interest Rate". Then, the new adjusted

Margin, which is added to the current index and the sum of this addition will be rounded to one decimal point (0.125%). The calculated sum, of the margin plus the current index, will be called the "Calculated Interest Rate", for each Change Date.

(b) TMO the Change Date ("Current Index").

rate adjustment must be made, and the amount of the new adjusted interest rate, if any, as follows:

3. Each adjustment to the interest rate will be made based upon the following method of calculating the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one year ("Index"):

2. The first adjustment to the metric is made effective on the first day of April, 19<sup>92</sup> (if any adjustment is required) will be effective on the first day of the month from the due date which will not be less than twelve months nor more than eighteen months from the due date of the first installment payment under the Note, and thereafter each adjustment to the interest rate will be effective on the day of each successive year after the term of the Security instrument ("Change Date").

Under the Note, under "Initial Interest Rate," the stated interest rate of **NINE**% per annum ("Initial Interest Rate") on the unpaid principal balance is subject to change, as hereinabove described. When the interest rate changes, the equal monthly installments of principal and interest also will be adjusted, so that each installment will be in an amount necessary to fully amortize the unpaid principal balance of the Note, at the new interest rate, over the remaining term of the Note.

**ADDITIONAL COVENANTS.** In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT, THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

- the new adjusted interest rate will be limited to five percentage (5%) points higher or lower, whichever is applicable, than the Initial Interest Rate.
- (e) Lender will perform the functions required under Subparagraphs 3(a), (b) and (c) to determine the amount of the new adjusted rate, if any. Any such new adjusted rate will become effective on the Change Date and thereafter will be deemed to be the Existing Interest Rate. The new Existing Interest Rate will remain in effect until the next Change Date on which the interest rate is adjusted.
- (f) If the Index is no longer available, Lender will be required to use any index prescribed by the Department of Housing and Urban Development. Lender will notify Borrower in writing of any such substitute index (giving all necessary information for Borrower to obtain such index) and after the date of such notice the substitute index will be deemed to be the Index hereunder.
4. (a) If the Existing Interest Rate changes on any Change Date, Lender will recalculate the monthly installment payments of principal and interest to determine the amount which would be necessary to repay in full, on the maturity date, the unpaid principal balance (which unpaid principal balance will be deemed to be the amount due on such Change Date assuming there has been no default in any payment on the Note but that all prepayments on the Note have been taken into account), at the new Existing Interest Rate, in equal monthly payments. At least 25 days before the date on which the new monthly payment at the new level is due, Lender will give Borrower written notice ("Adjustment Notice") of any change in the Existing Interest Rate and of the revised amount of the monthly installment payments of principal and interest calculated as provided above. Each Adjustment Notice will set forth (i) the date the Adjustment Notice is given, (ii) the Change Date, (iii) the new Existing Interest Rate as adjusted on the Change Date, (iv) the amount of the adjusted monthly installment payments, calculated as provided above, (v) the Current Index and the date it was published, (vi) the method of calculating the adjustment to the monthly installment payments, and (vii) any other information which may be required by law from time to time.
- (b) Borrower agrees to pay the adjusted monthly installment amount beginning on the first payment date which occurs at least twenty-five (25) days after Lender has given the Adjustment Notice to Borrower. Borrower will continue to pay the adjusted monthly installment amount set forth in the last Adjustment Notice given by Lender to Borrower until the first payment date which occurs at least twenty-five (25) days after Lender has given a further Adjustment Notice to Borrower. Notwithstanding anything to the contrary contained in this Adjustable Rate Rider or the Security Instrument, Borrower will be relieved of any obligation to pay, and Lender will have forfeited its right to collect, any increase in the monthly installment amount (caused by the recalculation of such amount under Subparagraph 4(a)) for any payment date occurring less than twenty-five (25) days after Lender has given the applicable Adjustment Notice to Borrower.
- (c) Notwithstanding anything contained in this Adjustable Rate Rider, in the event that (i) the Existing Interest Rate was reduced on a Change Date, and (ii) Lender failed to give the Adjustment Notice when required, and (iii) Borrower, consequently, has made any monthly installment payments in excess of the amount which would have been set forth in such Adjustment Notice ("Excess Payments"), then Borrower, at Borrower's sole option, may either (1) demand the return from Lender (who for the purposes of this sentence will be deemed to be the lender, or lenders, who received such Excess Payments, whether or not any such lender subsequently assigned the Security Instrument) of all or any portion of such Excess Payments, with interest thereon at a rate equal to the sum of the Margin and the Index on the Change Date when the Existing Interest Rate was so reduced, from the date each such Excess Payment was made by Borrower to repayment, or (2) request that all or any portion of such Excess Payments, together with all interest thereon calculated as provided above, be applied as payments against principal.
5. Nothing contained in this Adjustable Rate Rider will permit Lender to accomplish an interest rate adjustment through an increase (or decrease) to the unpaid principal balance. Changes to the Existing Interest Rate may only be reflected through adjustment to Borrower's monthly installment payments of principal and interest, as provided for herein.

NON UNIFORM COVENANT. Borrower and Lender further covenant and agree as follows:

17. **Foreclosure Procedure.** If Lender requires immediate payment in full under paragraph 9, Lender may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 17, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

18. **Release.** Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

19. **Waiver of Homestead.** Borrower waives all right of homestead exemption in the Property.

**Acceleration Clause.** Borrower agrees that should this Security Instrument and the note secured thereby not be eligible for insurance under the National Housing Act within 90 days from the date hereof, Lender may, at its option and notwithstanding anything in Paragraph 9, require immediate payment in full of all sums secured by this Security Instrument. A written statement of any authorized agent of the Secretary dated subsequent to 90 days from the date hereof, declining to insure this Security Instrument and the note secured thereby, shall be deemed conclusive proof of such ineligibility. Notwithstanding the foregoing, this option may not be exercised by Lender when the unavailability of insurance is solely due to Lender's failure to remit a mortgage insurance premium to the secretary.

**Riders to this Security Instrument.** If one or more riders are executed by Borrower and recorded together with this Security Instrument, the covenants of each such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the rider(s) were in a part of this Security Instrument.
