or any part thereof, which may have been heretofore or may be hereafter made or agreed to or which may be made or agreed to by Assignee under the powers herein granted. It is the intention of the parties to this Assignment of Rents to establish an absolute transfer and assignment of all the said leases and agreements and all avails thereof, to Assignee, and the undersigned does hereby irrevocably appoint Assignee as the undersigned's true and lawful attorney in the undersigned's name and stead (with or without taking possession of the Premises); to rent, lease or let all or any portion of the Premises to any party or parties, at such rental and upon such terms, in Assignee's discretion as Assignee may determine, and for Assignee to collect all of said avails, rents, issues and profits arising from or accruing at any time hereafter, and all now due, or that may hereafter become due under each and all of the leases and agreements, written or verbal, or other tenancy existing or which may hereafter exist on the Premise, with the same rights and powers and subject to the same immunities, exoneration of liability and rights of recourse and indemnity as Assignee would have upon taking possession of the Premises pursuant to the provisions hereinafter set forth.

The undersigned represents and agrees that no rents have been or will be paid by any person in possession of any portions of the Premises for more than one installment in advance and that the payment of rents has not been or will be waived, released, reduced or discounted or otherwise discharged or compromised by the undersigned. The undersigned waives any right of set-off against any person in possession of any portion of the Premises. The undersigned agrees that the undersigned will not further assign any of the rents, issues or profits of the Premises except with the prior written consent of Assignee.

Nothing herein contained shall be construed as constituting Assignee a "mortgagee in possession" in the absence of the taking of actual possession of the Premises by Assignee pursuant to the provisions hereinafter contained. In the exercise of the powers herein granted Assignee, no liability shall be asserted or enforced against Assignee, all such liability being expressly waived and released by the undersigned.

The undersigned further agrees to assign and transfer to Assignee all existing and future leases upon all or any part of the Premises and to execute and deliver, immediately upon the request of Assignee, all such further assurances and assignments as Assignee shall from time to time require.

15-E

In the event this Assignment of Rents is executed by a corporate land trustee, then this Assignment of Rents is executed by the undersigned, not personally, but as Trustee in the exercise of the power and authority conferred upon and vested in it as such Trustee, and insofar as said Trustee is concerned, it is payable only out of the trust estate which in part is securing the payment hereof and through enforcement of the provisions of any other collateral or guaranty from time to time securing payment hereof; no personal liability shall be asserted or be enforceable against the undersigned, as Trustee, because of or in respect of this Assignment of Rents or the making, issue or transfer thereof, all such personal liability of said Trustee, if any, being expressly waived in any manner.

It is expressly understood that no judgment which may be entered or intended to be secured by the above described Mortgage shall operate to abrogate or lessen the effect of this instrument, but that the same shall continue in full force and effect until the payment and discharge of any and all of the Liabilities and all bills incurred by virtue of the authority contained herein have been fully paid out of the rents, issues and profits of the Premises, or by the undersigned, or until such time as this instrument may be voluntarily released by Assignee. This instrument shall also remain in full force and effect during the pendency of any foreclosure proceedings, both before and after sale, until the issuance of a deed pursuant to a foreclosure decree, unless the Liabilities are fully satisfied before the expiration of any applicable period of redemption.

Whenever the word "undersigned" is mentioned herein, it is hereby understood that the same includes and shall be binding upon successors and assigns of the undersigned, and any party or parties holding title to the Premises by, through or under the undersigned. All of the rights, powers, privileges and immunities herein granted and assigned to Assignee shall also inure to Assignee's successors and assigns, including all holders, from time to time, of the aforesaid Note.

It is understood and agreed that the provisions set forth in the above described Mortgage shall be deemed as a specific remedy given to Assignee, and shall not be deemed exclusive of any of the remedies granted in the above described Mortgage, but shall be deemed an additional remedy and shall be cumulative with the remedies granted therein.

"Liabilities" means all obligations of the undersigned to Assignee for payment of any and all amounts due under the aforesaid Mortgage, the Note secured by the aforesaid Mortgage and of any indebtedness, or contractual duty or other kind and nature of the undersigned or any guarantor or hereafter existing, due or to become due and howsoever owned, held or acquired, whether direct, indirect, absolute or contingent, joint or several, now or hereafter, as collateral, or otherwise. Liabilities also includes all costs of collection, legal expenses and attorneys' fees incurred or paid by Assignee in attempting the collection or enforcement of the aforesaid Note, any guaranty of the aforesaid Note, or any other indebtedness of the undersigned or any guarantor of the aforesaid Note to Assignee or in the possession, custody, sale, lease, assignment or other disposition of any collateral for the aforesaid Note. Liabilities includes all of the indebtedness or contractual duties of partner or partners in Assignee created or arising while the undersigned or any guarantor of the aforesaid Note may have been or may be a member of those partnerships.

The undersigned does further specifically authorize and instruct each and every present and future leasee or tenant of the whole or any part of the Premises to pay all unpaid rental agreed upon in any tenancy to Assignee upon receipt of demand from Assignee to so pay the same.

- (a) To the payment of the operating expenses of the Premises, including the cost of management and leasing thereof (which shall include reasonable compensation to Assignee's agent or agents, if management is delegated to an agent or agents, and it shall also include lease commissions and other compensation and expenses of seeking and procuring tenants and entering into leases), to establish reserves for claims for damages, if any, and premiums on insurance hereinafter authorized;
- (b) To the payment of taxes and special assessments, if now due or which may hereafter become due on the Premises;
- (c) To the payment of all repairs, decorating, governing, renewals, replacements, alterations, additions or betterments and improvements of the Premises, including the cost from time to time of painting, replating, repainting, gas or electric appliances therein, and of placing the Premises in such condition as will, in the judgment of Assignee, make it readily rentable;
- (d) To the payment of any Liabilities (first to interest and then to principal).

Assignee, in the exercise of the right and powers conferred upon Assignee by this Assignment of Rents, shall have full power to use and apply the aforesaid rents, issues and profits of the Premises to the payment of or on account of the following, in such order as Assignee may determine:

Assignee shall not be obligated to perform or discharge, nor does Assignee hereby undertake to perform or discharge, any obligation, duty or liability under any lease or rental agreement relating to the Premises, and the undersigned shall and does hereby agree to indemnify and hold Assignee harmless of and from any and all liability, loss or damage which Assignee may or might incur under any such lease or agreement or under or by reason of the assignment thereof and of and from any and all claims and demands whatsoever which may be asserted against Assignee by reason of any alleged obligations or undertakings on Assignee's part to perform or discharge any of the terms, covenants or agreements contained in said leases or rental agreements or in the defense of any claims or demands arising prior to Assignee taking possession of the Premises. The undersigned hereby agrees to indemnify and hold Assignee harmless from and from any and all legal fees incurred by Assignee.

In any case in which under the provisions of the Mortgage made by the undersigned in favor of Assignee recorded immediately prior to this Assignment of Rents, Assignee has a right to institute foreclosure proceedings, whether before or after the Liabilities are declared to be immediately due or upon expiration of notice and grace periods, if any, whether before or after institution of legal proceedings to foreclose the lien thereof, or before or after the undersigned's demand of Assignee, the undersigned agrees to surrender to Assignee and Assignee shall be entitled to take actual possession of the Premises or any part thereof personally, or by Assignee's agents or attorneys, and Assignee in Assignee's discretion may, with or without force and with or without process of law, enter upon and take and maintain possession of all or any part of the Premises, together with all the documents, books, records, papers and accounts of the undersigned, or then owner of the Premises relating thereto, and may exclude the undersigned, the undersigned's agents or servants, wholly therefrom and may as attorney-in-fact or agent of the undersigned, or in the discretion of Assignee's successors or assigns, may be deemed proper or necessary to enforce the payment of Assignee's disbursements, if any, thereof either personally or by Assignee's agents or attorneys, with full power to use such measures, legal or equitable, as in Assignee's discretion may be deemed proper or necessary to enforce the payment of or to receive all such rents, issues and profits. Assignee shall be entitled to take actual possession of the Premises, together with all the documents, books, records, papers and accounts of the undersigned, or then owner of the Premises relating thereto, and may exclude the undersigned, the undersigned's agents or servants, wholly therefrom and may as attorney-in-fact or agent of the undersigned, or in the discretion of Assignee's successors or assigns, may be deemed proper or necessary to enforce the payment of Assignee's disbursements, if any, thereof either personally or by Assignee's agents or attorneys, with full power to use such measures, legal or equitable, as in Assignee's discretion may be deemed proper or necessary to enforce the payment of or to receive all such rents, issues and profits. Assignee shall be entitled to take actual possession of the Premises, together with all the documents, books, records, papers and accounts of the undersigned, or then owner of the Premises relating thereto, and may exclude the undersigned, the undersigned's agents or servants, wholly therefrom and may as attorney-in-fact or agent of the undersigned, or in the discretion of Assignee's successors or assigns, may be deemed proper or necessary to enforce the payment of Assignee's disbursements, if any, thereof either personally or by Assignee's agents or attorneys, with full power to use such measures, legal or equitable, as in Assignee's discretion may be deemed proper or necessary to enforce the payment of or to receive all such rents, issues and profits.

Although it is the intention of the parties that this Assignment of Rents shall be a present assignment, it is expressly understood and agreed anything herein contained to the contrary notwithstanding, that Assignee shall not exercise any of the rights and powers conferred upon Assignee hereunder until and unless a default shall occur in the payment of the Liabilities or in the performance or observance of any of the representations, warranties, promises, terms, conditions or agreements of any instrument now or at any time securing the Liabilities and nothing herein contained shall be deemed to affect or impair any rights which Assignee may have under any other instrument which secures or is delivered in connection with the Liabilities.
