Borrowers will not use, generate, manufacture, produce, store, release, discharge or dispose of on, under or about the Premises or transport to or from the premises any hazardous substance (as defined herein) or allow other person or entity to do so.

- (2) Keep and maintain the premises in compliance with, and shall not cause or permit the premises to be in violation of any Environmental law (as defined herein) or allow any other person or entity to do so.
- (3) Give prompt written notice to Mortgagor of:
- (I) any proceeding or inquiry by a governmental authority whether Federal, State, or Local, with respect to the presence of any hazardous substance on the Premises or the migration thereof from or to other property;
 - (II) all claims made or threatened by any third party against Mortgagor or any entity affiliated with it or the Premises relating to any loss or injury resulting from any hazardous substance; and
 - (III) the discovery by Mortgagor of any occurrence or condition on any real property adjoining or in the vicinity of the Premises that could cause the Premises or any part thereof to be subject to any restriction on the ownership, occupancy, transferability or use of the Premises under any Environmental law.
- (4) Recognize Mortgagor's right to join and participate in as a party if it so elects, any legal proceedings or actions initiated in connection with the Environmental law and Mortgagor hereby agrees to pay any attorney's fees thereby incurred by the Mortgagor in connection therewith.
- (5) Indemnify, defend, and hold harmless Mortgagor, its directors, officers, employees, agents, contractors, attorneys, other representatives, successors, and assigns from and against any and all loss, damage, cost, expense or liability, including by way of illustration and not limitation, reasonable attorney's fees and court costs, directly or indirectly or arising out of or attributable to the use, generation, manufacture, production, storage, release, threatened release, discharge, disposal, or presence of hazardous substance on, under or about the premises, including without limitation: (a) all foreseeable consequential damages, and (b) the costs of any required or necessary repair, cleanup or detoxification of the premises, and the preparation and implication of any closure, remedial or other required plans. This indemnity and covenant shall survive the reconveyance of the lien of this Mortgage, or the extinguishment of such lien by foreclosure or action in lieu thereof.
- (6) In the event of any investigation, site monitoring, containment, cleanup, removal, restoration or other remedial work of any kind or nature whatsoever (the "Remedial Work") is reasonably necessary or desirable under any applicable Local, state or Federal law or regulation, any judicial order, or by any governmental or nongovernmental entity or person because of or in connection with the current or future presence, suspected presence, release or suspected release of a hazardous substance in or into the air, soil, ground water, surface water or soil vapor at, on, about, under or within the Premises, or any portion thereof, Mortgagor shall, within thirty (30) days after written demand for performance thereof by Mortgagor or other party or governmental entity or agency (or such shorter period of time as may be required under any applicable law, regulation, order or agreement) commence to perform, or cause to be commenced, and thereafter diligently prosecute to completion, all such Remedial Work. All Remedial Work shall be performed by one or more contractors, approved in advance in writing by Mortgagor, and under the supervision of a consulting engineer approved in advance in writing by Mortgagor. All costs and expenses of such Remedial Work shall be paid by the Mortgagor, including, without limitation, the charges of such contractor and the consulting engineer, and Mortgagor's reasonable attorney's fees and costs incurred in connection with the monitoring or review of such Remedial Work. In the event that Mortgagor shall fail to timely commence, or cause to be commenced, or fail to diligently prosecute to completion such Remedial Work, Mortgagor may, but shall not be required to cause such Remedial Work to be performed and all cost and expenses thereof incurred in connection therewith shall become part of the indebtedness secured thereby.

- (7) Without Mortgagee's prior written consent, which shall not be unreasonably withheld, Mortgagor shall not take any remedial action in response to the presence of any hazardous substance on, under, or about the Premises, nor enter into any settlement, agreement, consent decree, or other compromise in respect to any hazardous substance claims. Said consent may be withheld, without limitation, if Mortgagor in its reasonable judgement, determines that said remedial action, settlement, consent, or compromise might impair, the value of Mortgagee's security hereunder and the loan Documents, specified in the agreement; provided, however that Mortgagee's prior consent shall not be necessary in the event that the presence of hazardous substances in, or, under or about the Premises, either poses an immediate threat to the health, safety, or welfare of any individual or is of such a nature that an immediate remedial response is necessary, and it is not possible to obtain Mortgagee's consent before taking such action, provided that in such event Mortgagor shall notify Mortgagee as soon as practicable of any action so taken. Mortgagee agrees not to withhold its consent, when such consent is required hereunder, if either (a) a particular remedial action is ordered by a court of competent jurisdiction; or (b) Mortgagor establishes to the reasonable satisfaction of the Mortgagee that there is no reasonable alternative to such remedial action that would result in materially less impairment of Mortgagee's security under this Mortgage, the Agreement and the loan documents specified therein.

For the purpose of this Paragraph, the following terms shall have the meaning as set forth below:

- (a) "Environmental laws" shall mean any Federal, State, or Local law statute, ordinance, or regulation pertaining to health, industrial hygiene, or the environmental conditions on, under or about the premises, including, without limitation, the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended ("CERCLA"), 42 U.S.C. Section 9601 et seq. and the Resource Conservation and Recovery Act of 1976, as amended ("RCRA") 42 U.S.C. Section 6901 et seq.
- (b) The term "Hazardous Substance" shall include without limitation:
- (I) Those substances included within the definitions of any one or more of the terms "hazardous substances", "hazardous materials", "toxic substances" and "solid wastes" in CERCLA, RCRA, and the Hazardous Materials Transportation Act, as amended, 49 U.S.C. Section 1801 et seq and in the regulations promulgated pursuant to said laws or under applicable state law;
 - (II) Those substances listed in the United States Department of Transportation Table (49 CFR 172.010 and amendments thereto) or by the Environmental Protection Agency (or any successor agency) as hazardous substances (40 CFR, Part 302 and amendments thereof);
 - (III) Such other substances, material and wastes which are or become regulated under applicable Local, State, or Federal laws, or which are classified as hazardous or toxic under Federal, State or Local laws or regulations; and
 - (IV) Any material, waste, or substance which is (A) petroleum, (B) asbestos, (C) polychlorinated biphenyls (D) designated as a "Hazardous substance" pursuant to Section 311 of the Clean Water Act, 33 U.S.C. Section 1251 et seq (33 U.S.C. Section 1321), or listed pursuant to Section 307 of the Clean Water Act (33 U.S.C. Section 1317) (E) flammable explosives; or (F) radioactive materials.

Provide Mortgagee, within fourteen (14) days after Mortgagee's written request therefore with (i) a written history of the use of the Premises, including in particular, but not in limitation any past military, industrial, or landfill use of the Premises, and specifically indicating in such response the presence, if any of underground storage tanks (ii) if such underground storage tanks do exist, evidence of maintenance and repair thereof, copies of any and all clean-up or removal orders issued by any Federal, State, or local governmental agency, and, if needed in Mortgagee's judgment, evidence of removal of such underground storage tanks and (iii) written indications from the regional office of the Federal Environmental Protection Agency, and any State Environmental Protection Agency whether the Premises have been used for the purpose of oil, hazardous waste, any toxic substance, or any Hazardous substance.

The Trustee in executing the document specifically EXCLUDES HAZARDOUS WASTE RIDER, PAGES 1 & 2, in its entirety, of this document as though it did not exist thereon relative to the Trustees execution hereof and SPECIFICALLY EXCLUDES all references to any environmental condition of the premises under the ILLINOIS ENVIRONMENTAL PROTECTION ACT or otherwise. The beneficiary of this Trust, as management and control of the premises and as such, has the authority on its/their own behalf to execute as environmental representative but not as agent for or behalf of the Trustee.
