BY SIGNING BELOW, BORROWER AGREES TO THE TERMS CONTAINED IN THIS SECURITY INSTRUMENT AND IN ANY RIDER(S) EXECUTED BY BORROWER AND RECORDED WITH IT.

<sup>19</sup>. Wavetop of Homestead. Borrower waves all right of homestead exemption in the property.

18. Rebease. Upon payment of all sums secured by this security instrument, Lender shall release this security instrument without charge to Borrower. Borrower shall pay any recording costs.

1. To receive a written instrument of payment in full under a note or other instrument, the party to whom it is given must be entitled to receive payment in full under the instrument.

NON-UNIFORM COVENANTS. Bottomer and Lender further covenant and agree as follows:

# UNOFFICIAL COPY

Any application of the proceeds to the principal shall not extend or postpone the due date of the monthly payments, which are referred to in paragraph 2, or change the amount of such payments. Any excess proceeds over an amount required to pay all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity legally entitled thereto.

8. Fees. Lender may collect fees and charges authorized by the Secretary.

9. Grounds for Acceleration of Debt.

(a) Default. Lender may, except as limited by regulations issued by the Secretary in the case of payment defaults, require immediate payment in full of all sums secured by this Security Instrument if:

(i) Borrower defaults by failing to pay in full any monthly payment required by this Security Instrument prior to or on the due date of the next monthly payment, or

(ii) Borrower defaults by failing, for a period of thirty days, to perform any other obligations contained in this Security Instrument.

(b) Sale Without Credit Approval. Lender shall, if permitted by applicable law and with the prior approval of the Secretary, require immediate payment in full of all the sums secured by this Security Instrument if:

(i) All or part of the Property is otherwise transferred (other than by devise or descent) by the Borrower, and

(ii) The Property is not occupied by the purchaser or grantee as his or her primary residence, or the purchaser or grantee does not occupy the Property but his or her credit has not been approved in accordance with the requirements of the Secretary.

(c) No Waiver. If circumstances occur that would permit Lender to require immediate payment in full, but Lender does not require such payments, Lender does not waive its rights with respect to subsequent events.

(d) Regulations of HUD Secretary. In many circumstances regulations issued by the Secretary will limit Lender's rights in the case of payment defaults to require immediate payment in full and foreclose if not paid. This Security Instrument does not authorize acceleration or foreclosure if not permitted by regulations of the Secretary.

10. Reinstatement. Borrower has a right to be reinstated if Lender has required immediate payment in full because of Borrower's failure to pay an amount due under the Note or this Security Instrument. This right applies even after foreclosure proceedings are instituted. To reinstate the Security Instrument, Borrower shall tender in a lump sum all amounts required to bring Borrower's account current including, to the extent they are obligations of Borrower under this Security Instrument, foreclosure costs and reasonable and customary attorneys' fees and expenses properly associated with the foreclosure proceeding. Upon reinstatement by Borrower, this Security Instrument and the obligations that it secures shall remain in effect as if Lender had not required immediate payment in full. However, Lender is not required to permit reinstatement if: (i) Lender has accepted reinstatement after the commencement of foreclosure proceedings within two years immediately preceding the commencement of a current foreclosure proceeding, (ii) reinstatement will preclude foreclosure on different grounds in the future, or (iii) reinstatement will adversely affect the priority of the lien created by this Security Instrument.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time of payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successor in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-Signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9.b. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the term of this Security Instrument or the Note without that Borrower's consent.

13. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

14. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

15. Borrower's Copy. Borrower shall be given one conformed copy of this Security Instrument.

16. Assignment of Rents. Borrower unconditionally assigns and transfers to Lender all the rents and revenues of the Property. Borrower authorizes Lender or Lender's agents to collect the rents and revenues and hereby directs each tenant of the Property to pay the rents to Lender or Lender's agents. However, prior to Lender's notice to Borrower of Borrower's breach of any covenant or agreement in the Security Instrument, Borrower shall collect and receive all rents and revenues of the Property as trustee for the benefit of Lender and Borrower. This assignment of rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower: (a) all rents received by Borrower shall be held by Borrower as trustee for benefit of Lender only, to be applied to the sums secured by the Security Instrument; (b) Lender shall be entitled to collect and receive all of the rents of the Property; and (c) each tenant of the Property shall pay all rents due and unpaid to Lender or Lender's agent on Lender's written demand to the tenant.

Borrower has not executed any prior assignment of the rents and has not and will not perform any act that would prevent Lender from exercising its rights under this paragraph 16.

Lender shall not be required to enter upon, take control of or maintain the Property before or after giving notice of breach to Borrower. However, Lender or a judicially appointed receiver may do so at any time there is a breach. Any application of rents shall not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of rents of the Property shall terminate when the debt secured by the Security Instrument is paid in full.

Lender shall apply such proceeds to the reduction of the indebtedness under this Note and this Security instrument first to any deficiency amount as apportioned in paragraph 3, and then to prepayment of principal.

Any amounts disbursed by Lender under this paragraph shall become an additional debt of Borrower and be secured by this Security Instrument. These amounts shall bear interest from the date of disbursement, at the Note rate, and at the option of Lender, shall be immediately due and payable.

If Borrower fails to make these payments or the payments required by Paragraph 2, or fails to perform any other covenants requested by Lender, Lender's interest in these payments, upon Lender's request, shall pay these obligations on time directly to the entity which is owed the payment. If failure to pay would adversely affect Lender's interests in the Property, upon Lender's request Borrower shall promptly furnish to Lender receipts evidencing these payments.

6. Charges to Borrower and Protection of Lender's Rights in the Property. Borrower shall pay all government or municipal taxes, assessments, or other charges against the property; and Lender may require Borrower to pay all such taxes, assessments, or other charges before the same become delinquent.

3. Preservation and Maintenance of the Property. Lessees shall not commit waste or destroy, damage or subvertally change the Property or allow the Property to deteriorate, reasonably take care of the Property. Landlord may inspect the Property if the Property is vacant or abandoned or if the lease is in default. Landlord may take reasonable action to protect the Property or to collect rent if the lessee fails to pay rent when due.

In the event of loss or damage to this security instrument or other valuable property due to fire or other causes, all rights, title and interest of Borrower in and to insurance policies in force shall pass to the purchaser.

In the event of loss, Borrower shall give Lender notice by mail. Lender may make proof of loss if not made promptly by Borrower. Each insurance company concerned is hereby authorized and directed to make payment for such loss or repair of the damage suffered. Any application of the proceeds to the principal shall not exceed or postpone the due date of any deficiency amounts applied in the order in paragraph 3, and then to principal, or (b) to the restoration by Lender, at its option, either (a) to the deduction of the Note and this Security instrument, first to Lender, instead of to Borrower and to Lender jointly. All or any part of the insurance proceeds may be applied directly to Lender, instead of to Borrower and to Lender jointly. All or any part of the insurance proceeds may be applied directly to the damage suffered.

4. Fire, Flood and Other Hazard Insurance. A tower shall insure all improvements on the property, whether now in existence or subsequently erected, against any hazards, qualities, and contingencies, including fire, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires to insure all improvements on the property. All insurance now in existance or subsequently erected, after the issuance of a form acceptable to Lender, shall be held by the Secretary. All insurance shall be carried with companies approved by Lender. The insurance policies and any premiums shall be held by Lender and shall include loss payable clauses in favor of, and in a form acceptable to, Lender.

Fourth, to amortization of the principal of the Note;  
fifth, to late charges due under the Note;

First, at the moratorium issued in December 2010, the Secretary of State ordered the monthly mortgage interest premium to be paid by Lenders to the Secretary or to the Secretary monthly charge by the Secretary instead of the monthly mortgage interest premium unless Borrower paid the entire mortgage insurance premium when this security instrument was signed;

If Borrower fails to remit payment of all sums secured by this instrument, Borrower's account shall be credited with the balance remaining for all installments for items (a), (b), and (c) and any mortgage insurance premium installments for items (a), (b) and (c) prior to a foreclosure sale of the Property or its acquisition by Lender, Borrower's account shall be credited with any excess funds to Borrower.

## ADJUSTABLE RATE RIDER

THIS ADJUSTABLE RATE RIDER is made this **9th** day of **May**, 19**91**, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed ("Security Instrument") of the same date given by the undersigned ("Borrower") to secure Borrower's Note ("Note") to

**Midwest Funding Corporation**

(the "Lender") of the same date and covering the property described in the Security Instrument and located at:

**2651 WEST 21ST STREET  
CHICAGO, ILLINOIS 60608**  
[Property Address]

**THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.**

**ADDITIONAL COVENANTS.** In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

1. Under the Note, the initial stated interest rate of **Eight and one half** per centum (**8.50%**) per annum ("Initial Interest Rate") on the unpaid principal balance is subject to change, as hereinafter described. When the interest rate changes, the equal monthly installments of principal and interest also will be adjusted, as hereinafter provided, so that each installment will be in an amount necessary to fully amortize the unpaid principal balance of the Note, at the new adjusted interest rate, over the remaining term of the Note.
2. The first adjustment to the interest rate (if any adjustment is required) will be effective on the first day of **October 1**, 19**92** (which date will not be less than twelve months nor more than eighteen months from the due date of the first installment payment under the Note), and thereafter each adjustment to the interest rate will be made effective on the first day of each succeeding year during the term of the Security Instrument ("Change Date").
3. Each adjustment to the interest rate will be made based upon the following method of employing the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one year ("Index"; the Index is published in the Federal Reserve Bulletin and made available by the United States Treasury Department in Statistical Release H.15 (519)). As of each Change Date, it will be determined whether or not an interest rate adjustment must be made, and the amount of the new adjusted interest rate, if any, as follows:
  - (a) The amount of the Index will be determined, using the most recently available figure, thirty (30) days before the Change Date ("Current Index").
  - (b) Two percentage points (**2.000%**; the "Margin") will be added to the Current Index and the sum of this addition will be rounded to the nearest one-eighth of one percentage point (0.125%). The rounded sum, of the Margin plus the Current Index, will be called the "Calculated Interest Rate" for each Change Date.
  - (c) The Calculated Interest Rate will be compared to the interest rate being earned immediately prior to the current Change Date (such interest rate being called the "Existing Interest Rate"). Then, the new adjusted interest rate, if any, will be determined as follows:
    - (i) If the Calculated Interest Rate is the same as the Existing Interest Rate, the interest rate will not change.
    - (ii) If the difference between the Calculated Interest Rate and the Existing Interest Rate is less than or equal to one percentage point, the new adjusted interest rate will be equal to the Calculated Interest Rate (subject to the maximum allowable change over the term of the Security Instrument of five percentage points, in either direction, from the Initial Interest Rate, herein called the "5% Cap").
    - (iii) If the Calculated Interest Rate exceeds the Existing Interest Rate by more than one percentage point, the new adjusted interest rate will be equal to one percentage point higher than the Existing Interest Rate (subject to the 5% Cap).
    - (iv) If the Calculated Interest Rate is less than the Existing Interest Rate by more than one percentage point, the new adjusted interest rate will be equal to one percentage point less than the Existing Interest Rate (subject to the 5% Cap).
  - (d) Notwithstanding anything contained in this Adjustable Rate Rider, in no event will any new adjusted interest rate be more than five percentage (5%) points higher or lower than the Initial Interest Rate. If any increase or decrease in the Existing Interest Rate would cause the new adjusted interest rate to exceed the 5% Cap,

5. Noticing contained in this Article will permit Leander to assess his race adjustment through an increase (or decrease) in the unpaid principal balance. Changes to the Existing interest rate adjustment may only be reflected through adusjustment to Borrower's monthly installments of principal and interest.

(i) the Existing Interests withoutstanding anything contained in this Adjustable Rate Rider, in the event that (ii) the Existing Interests were reduced on a Change Date, and (iii) Lender failed to give the Adjustment Notice when required, and (iv) Borrower, consequently, has made any monthly installments payments in excess of the amount which would have been set forth in such Adjustment Notice ("Excess Payments"), then Borrower, at Borrower's sole option, may either (i) demand a return from Lender (who for the purposes of this sentence will be deemed to be the lender, or tandem, who received such Excess Payments, whether or not any such kinder subsequently assigned the Security Instruments of all or any portion of such Existing Payments, with interest thereon at a rate equal to the sum of the rates of the original and the index on the Change Date when the Existing Interests was so reduced, from the date each such Excess Payment was made by Borrower to repaying the principal of the Existing Interests, or (2) request that all or any portion of such Existing Payments be applied as payments against principal.

borrower agrees to pay the adjusted monthly installments amount beginning on the first payment date which occurs at least every five (5) days after Lender has given the first payment notice to Borrower. Borrower will continue to pay the adjusted monthly installments amount set forth in the last adjustment notice given by Lender to Borrower until the first payment date which occurs at least every five (5) days after Lender has given a further adjustment notice to Borrower. Notwithstanding anything to the contrary contained in this Agreement, if Lender receives payment of any amount due under this Agreement, Lender may apply such payment to any amount due under this Agreement or any other agreement between Lender and Borrower.

(ii) If the index is no longer available, Lender will be required to use any index prescribed by the Department of Housing and Urban Development. Lender will notify Borrower in writing of any such substitute index (giving all necessary information for Borrower to obtain such index) and after the date of such notice the substitute index will be deemed to be the index hereunder.

(e) Lender will perform the functions required under subparagraphs 3(a), (b) and (c) to determine the amount of the new adjusted rate, if any. Any such new adjusted rate will become effective on the Change Date in effect until the next Change Date on which the interest rate is adjusted.
