1.3. Further, Mortgagor does hereby expressly waive and release all rights and benefits under and by virtue of the Homestead Exemption Laws of the State of Illinois.

2.3. Upon the request of Mortgagee, Mortgagor shall deliver to Mortgagee all original leases of all or any portion of the Premises, together with assignments of such leases from Mortgagor to Mortgagee, which assignments shall be in form and substance satisfactory to Mortgagee. Mortgagor shall not, without Mortgagee's prior written consent, procure, permit or accept any prepayment, discharge or compromise of any rent or release any tenant from any obligation at any time while the Liabilities secured hereby remains unpaid.

2.4. Any award of damages resulting from condemnation proceedings, exercise of the power of eminent domain, or the taking of the Premises for public use are hereby transferred, assigned and shall be paid to Mortgagee; and such awards or any part thereof may be applied by Mortgagee, after the payment of all of Mortgagee's expenses, including costs and attorneys' and paralegals' fees, to the reduction of the indebtedness secured hereby in such order of application as Mortgagee may elect. Mortgagee is hereby authorized, on behalf and in the name of Mortgagor, to execute and deliver valid acquittances and to appeal from any such award.

2.5. Mortgagor shall keep the Premises and all buildings and improvements now or hereafter situated on the Premises insured against loss or damage by fire, lightning, windstorm, vandalism and malicious damage and such other hazards as may from time to time be designated by Mortgagee. against loss or damage by flood, if the Premises are located in a flood hazard zone. Each insurance policy shall be for an amount sufficient to pay in full the cost of replacing or repairing the buildings and improvements on the Premises and, in no event, less than the principal amount of the Note. Mortgagor shall obtain liability insurance with respect to the Premises in an amount which is acceptable to Mortgagee. All policies shall be issued by companies satisfactory to Mortgagee. Each insurance policy shall be payable, in case of loss or damage, to Mortgagee. Each insurance policy shall contain a lender's loss payable clause or endorsement in form and substance satisfactory to Mortgagee. In the event of any loss, Mortgagor shall give immediate notice thereof to Mortgagee and any appropriate insurers. The Mortgagee may make any proof of loss to any insurer, if the Mortgagor fails to make a proof of loss immediately to any such insurer. In case of insurance about to expire, Mortgagor shall deliver to Mortgagee renewal policies not less than ten days prior to the respective dates of expiration. 2.7. Unless otherwise agreed to in writing, Mortgagor covenants and agrees to deposit at the place as Mortgagee may, from time to time, in writing appoint and, in the absence of appointment, then at the office of Mortgagee commencing with the first interest payment pursuant to the Note secured hereby, and on each and every interest payment date thereafter until the Liabilities secured by this Mortgage is fully paid, a sum equal to the last total annual taxes and assessments for the last ascertainable year (general and special) with respect to the Premises divided by the number of annual interest payments due hereunder. Notwithstanding the foregoing, if the taxes or assessments for the last ascertainable year exclude the buildings or improvements or any part thereof, now constructed or to be constructed on the Premises, then the amount of the deposits to be paid pursuant to this paragraph shall be based upon the reasonable estimate of Mortgagee as to the amount of taxes and assessments which shall be levied or assessed. Concurrent with the initial disbursement of the Note, Mortgagor will also deposit with Mortgagee an amount based upon the taxes and assessments so ascertainable or so estimated by Mortgagee, as the case may be, for taxes and assessments with respect to the Premises on an accrual basis for the period from January 1, immediately following the year for which all taxes and assessments have been fully paid to and including the date of the first installment tax and assessment deposit hereinabove mentioned. The deposits are to be held in trust without allowance of interest and are to be used for the payment of taxes and assessments (general and special) on the Premises next due and payable when they become due. If the funds so deposited are insufficient to pay any of the taxes or assessments (general or special) for any year when the same shall become due and payable, Mortgagor shall, within ten days after receipt of a notice and demand from Mortgagee deposit the additional funds as may be necessary to pay such taxes and assessments (general and special). Any excess shall be applied to subsequent deposits for taxes and assessments.

91260816

AB

2.8. Upon request by Mortgagee, concurrent with and in addition to the deposits for general and special taxes and assessments pursuant to the terms of Section 2.7 of this Mortgage, Mortgagor will deposit with Mortgagee a sum equal to the premiums that will next become due and payable on any insurance policies required hereunder, divided by the number of annual interest payments due hereunder so that such payments are sufficient to pay the insurance premiums when they become due and payable. All sums deposited hereunder shall be held in trust without interest for the purpose of paying the insurance premiums.

2.9. Mortgagor is the sole owner of the Premises free from any lien, encumbrance or claim, except this Mortgage.

MORTGAGEE RIGHTS

3.1. No remedy or right of Mortgagee hereunder shall be exclusive. Each right or remedy of Mortgagee with respect to the liabilities, this Mortgage or the Premises shall be in addition to every other remedy or right now or hereafter existing at law or in equity. No delay by Mortgagee in exercising or omitting to exercise any remedy or right accruing on Default shall impair any such remedy or right, or shall be construed to be a waiver of any such Default, or acquiescence therein, or shall affect any subsequent Default of the same or a different nature. Every such remedy or right may be exercised concurrently or independently, and when and as often as may be deemed expedient by Mortgagee.

3.2. If Mortgagee makes any payment authorized by this Mortgage relating to taxes, assessments, charges, liens, security interests, encumbrances or insurance, Mortgagee may do so according to any bill, statement or estimate received

91260816

from the appropriate party claiming such funds without inquiry into the accuracy or validity of such bill, statement or estimate or into the validity of the lien, encumbrance, security interest, tax, assessment, sale, forfeiture, tax lien or title or claim thereof.

3.3. Mortgagee shall have the right to inspect the Premises at all reasonable times and access thereto shall be permitted for that purpose.

DEFAULT AND RIGHTS ON DEFAULT

4.1. Upon Default, at the sole option of Mortgagee, the Note or any other Liabilities shall become immediately due and payable, and Mortgagor shall pay all expenses of Mortgagee, including attorneys' and paralegals' fees, incurred in connection with this Mortgage and all expenses incurred in the enforcement of Mortgagee's rights in the Premises and other costs incurred in connection with the disposition of the Premises. The term "Default" when used in this Mortgage means any one or more of the events, conditions or acts defined as a "DEFAULT" in the Note, or the failure of Mortgagor to pay and perform the Note or Liabilities in accordance with their terms, or failure of Mortgagor to comply with or to perform in accordance with any representation, warranty, term, provision, condition, covenant or agreement contained in this Mortgage, or any instrument, agreement or writing securing any Liabilities to which the Mortgagor and Mortgagee are parties. Any DEFAULT (as defined in the Note) under the Note shall be Default under this Mortgage.

4.2. Upon any Default hereunder, Mortgagee may, but need not, make any payment or perform any act required of Mortgagor hereunder in any form and

91260816

manner deemed expedient by Mortgagee, and Mortgagee may, but need not, make full or partial payments of principal or interest on any encumbrances, liens or security interests affecting the Premises and Mortgagee may purchase, discharge, compromise or settle any tax lien or other lien or title or claim thereof, or redeem from any tax sale or forfeiture affecting the Premises or contest any tax or assessment. All moneys paid for any of the purposes herein authorized and all expenses paid or incurred in connection therewith, including attorneys' and paralegals' fees, and any other funds advanced by Mortgagee to protect the Premises or the lien hereof, plus reasonable compensation to Mortgagee for each matter concerning which action herein authorized may be taken, shall be so much additional indebtedness secured hereby and shall become immediately due and payable without notice and with interest thereon at a per annum rate equivalent to the post maturity rate set forth in the Note. Inaction of Mortgagee shall never be considered as a waiver of any right accruing to Mortgagee on account of any Default hereunder.

4.3. When the indebtedness secured hereby shall become due whether by acceleration or otherwise, Mortgagee shall have the right to foreclose the lien of this Mortgage. In any suit to foreclose the lien of this Mortgage, there shall be allowed and included as additional indebtedness in the judgment of foreclosure all expenditures and expenses which may be paid or incurred by or on behalf of Mortgagee for attorneys' and paralegals' fees, appraisers' fees, outlays for documentary and expert evidence, stenographers' charges, publication costs and costs of procuring all abstracts of title, title searches and examinations, title insurance policies, Torrens certificates, tax and lien searches, and similar data and assurances with respect to title as Mortgagee may deem to be reasonably necessary either to prosecute the foreclosure suit or to evidence to bidders at any

91260816

foreclosure sale. All of the foregoing items, which may be expended after entry of the foreclosure judgment, may be estimated by Mortgagee. All expenditures and expenses mentioned in this paragraph, when incurred or paid by Mortgagee shall become additional indebtedness secured hereby and shall be immediately due and payable, with interest thereon at a rate equivalent to the post maturity interest rate set forth in the Note. This paragraph shall also apply to any expenditures or expenses incurred or paid by Mortgagee or on behalf of Mortgagee in connection with (a) any proceeding, including without limitation, probate and bankruptcy proceedings, to which Mortgagee shall be a party, either as plaintiff, claimant or defendant, by reason of this Mortgage or any indebtedness secured hereby; or (b) any preparation for the commencement of any suit for the foreclosure of this Mortgage after accrual of the right to foreclose whether or not actually commenced or preparation for the commencement of any suit to collect upon or enforce the provisions of the Note or any instrument which secures the Note after Default, whether or not actually commenced; or (c) any preparation for the defense of any threatened suit or proceeding which might affect the Premises or the security hereof, whether or not actually commenced.

4.4. The proceeds of any foreclosure sale shall be distributed and applied in the following order of priority: first, on account of all costs and expenses incident to the foreclosure proceedings, including all the items that are mentioned in the immediately preceding paragraph; second, all other items which under the terms of this Mortgage constitute indebtedness secured by this Mortgage additional to that evidenced by the Note, with interest thereon as herein provided; third, all principal and interest remaining unpaid on the Note and the Liabilities (first to interest and then to principal); fourth, any surplus to Mortgagor or Mortgagor's heirs, legal representatives, successors or assigns, as their rights may appear.

4.5. Upon, or at any time after the filing of a complaint to foreclose this Mortgage, the court in which such suit is filed may appoint a receiver of the Premises. The receiver's appointment may be made either before or after sale, without notice, without regard to the solvency or insolvency of Mortgagor at the time of application for the receiver and without regard to the then value of the Premises or whether the Premises shall be then occupied as a homestead or not. Mortgagee may be appointed as the receiver. Such receiver shall have power to collect the rents, issues and profits of the Premises during the pendency of the foreclosure suit and, in case of a sale and a deficiency, during the full statutory period of redemption, if any, whether there be redemption or not, as well as during any further times when Mortgagor, except for the intervention of the receiver, would be entitled to collect the rents, issues and profits. Such receiver shall also have all other powers which may be necessary or are usual for the protection, possession, control, management and operation of the Premises. The court in which the foreclosure suit is filed may from time to time authorize the receiver to apply the net income in the receiver's hands in payment in whole or in part of the indebtedness secured hereby, or secured by any judgment foreclosing this Mortgage, or any tax, special assessment or other lien or encumbrance which may be or become superior to the lien hereof or of the judgment, and the deficiency judgment against Mortgagor or any guarantor of the Note in case of a foreclosure sale and deficiency.

4.6. No action for the enforcement of the lien or of any provision of this Mortgage shall be subject to any defense which would not be good and available to the party interposing the same in an action at law upon the Note.

91260816

DISBURSEMENT REQUIREMENTS

A 1.1 Disbursements. All disbursements for the Project, including the Initial Disbursement to be made hereunder (hereinafter referred to as "Disbursements") will be made by Lender as hereinafter provided, at Lender's option; but not more than one Disbursement in any calendar month. The making of any Disbursement hereunder is subject to the condition precedent that all terms and conditions of this Agreement required to be performed by Borrower prior to said Disbursement have been satisfied and that an Event of Default (as hereinafter defined) has not occurred. Each Disbursement shall be made at the office of Lender and, at its option, shall be made to any one or more of the following: (a) the Borrower; (b) the Title Company for the account of the Borrower (disbursement may, at Lender's election, be through an escrow with the Title Company or another escrow agent satisfactory to Lender pursuant to a Disbursing Agreement in form and substance satisfactory to Lender at Borrower's expense); or C) directly to such persons or firms that have supplied labor, materials or services in connection with or incidental to the Project.

A 1.2 Sworn Statements. Prior to the Initial Disbursement and as a condition precedent thereto, unless waived in writing by Lender, Borrower shall deliver, in form satisfactory to Lender and the Title Company, initial sworn statements of the contractor and of the subcontractors or materialmen to whom payments have been or will be made, and covering all work done and to be done, together with waivers of lien covering all work and materials for which payments have been made by the Borrower prior to such disbursements.

A 1.3 Request for Advance. As a condition precedent to Lender's obligation to make any Disbursement under the Construction Loan, Lender and the title insurer shall be furnished with the original or copies of each of the following documents and instruments, unless determined to be inapplicable by Lender in its discretion, in form and substance satisfactory to Lender (sometimes collectively referred to as the "Request for Advance"). All documents and instruments comprising a Request for Advance shall be submitted to Lender at least five (5) days prior to the date of any proposed Disbursement. The documents shall be duly completed, and signed and sworn to by the party or parties executing same.

- (a) Borrower's disbursement request.
- (b) Owner's and Contractor's Sworn Statements and certifications for which a disbursement request is being made.
- (c) An Application for payment by Contractor executed by Contractor.
- (d) An updated Budget showing changes or variations from the original Budget provided to Lender.
- (e) Unless Lender receives a full interim certification from the Title Company, waivers and releases of lien on forms approved by the Title Company from each materialman, contractor and subcontractor who has done work or furnished materials for construction of the Project as set forth in each Borrower's disbursement request summary and sworn statements, affidavits, indemnities, bonds and other documents or instrument as may be required by the Title Company.
- (f) Continuation, date-down and interim mechanics' lien endorsements to the Title Insurance Policy, insuring the priority of the Mortgage for the full amount previously and then being advanced as a valid first lien on the Premises as of the date of and including the amount covered by each such disbursement.
- (g) Copies of approved building permits for all aspects of construction contemplated with respect to the Project, obtained since the date of the most recent disbursement and not theretofore furnished to Lender.

A 1.4 Sufficiency of Funds to Complete Construction. If the Lender at any time determines from any certification, report, cost projection, work stoppage, price or wage changes or from any other source or for any reason, that the cost of completion of portion of the Project for which funds have or are to be disbursed will exceed those costs and projections estimated by Borrower as set forth in this Paragraph 1.4, and that the undistributed proceeds of the Loan shall be less than the amount necessary, in Lender's reasonable judgment, to pay for all work done or to be done and all other expenses for completion of such portion of the Project, then in such event, Borrower will, within ten (10) days after written request by the Lender, deposit such of its own funds with Lender as Lender deems necessary ("Borrower's Deposit"), in an amount which, when added to the undisbursed loan proceeds would be sufficient to complete the Project. Borrower's Deposit shall first be exhausted before any further disbursement of the Construction Loan shall be made. Any such Borrower's Deposit shall not be secured by a lien or security interest on the Premises.

A 1.5 Absence of Default. Lender shall not be obligated to fund any request for disbursement if an Event of Default or an event which with the lapse of time would give rise to an Event of Default has occurred hereunder.

A 1.6 Interest Upon Disbursement. Each disbursement shall bear interest from the date of such disbursement by Lender to any party.

A 1.7 Objections. Notwithstanding anything herein to the contrary, in the event that Lender should determine that the quality or value of the work performed or the material furnished as represented by a Request for Advance delivered to Lender does not in fact correspond with the actual work performed or materials actually furnished, Lender shall notify Borrower of its objection to such payment and, until such time as such objection is corrected to the satisfaction of Lender, Lender may withhold payment. In the event that such objection is not corrected within ten (10) days after the date of notification to Borrower of Lender's objection, such withheld funds may be credited to Borrower's account for the Loans and the payment thereof deleted from the Request for Advance.

A 1.8 Inspection. Borrower shall be responsible for making inspections of the Project during the course of construction and shall determine to its own satisfaction that the work done or materials supplied has been properly done or supplied. In addition, Lender at its option may cause the inspection of the construction of the improvements from time to time to verify that there has been satisfactory completion of the improvements in accordance with the Plans and specifications to the extent noted in the contractors' sworn statement and request for payment and such other matters as Lender desires to investigate. Borrower shall pay to Lender the reasonable fees of its agent for inspection of the Project and review of contractor sworn statements and waivers by representatives or agents of Lender.

A 1.9 Lender's Disclaimer. It is expressly understood and agreed that Lender assumes no liability or responsibility for the satisfactory completion of the Project, nor for the adequacy of funds advanced by it pursuant hereto to complete the Project, nor for inspection during construction, nor for any other acts on the part of Borrower or the Contractors to be performed in the construction of the project.

A 1.10 Responsibility for Disbursements. Disbursements shall be made on the sole responsibility of Borrower. Borrower shall indemnify and hold Lender harmless as to any claims, losses, costs or damages of any party regarding liability to make such disbursements, progress of construction, quality of workmanship or quality of materials.
