IV. Environmental Information

A. Regulatory Information During Current Ownership

1. Has the transferor ever conducted operations on the property which involved the generation, manufacture, processing, transportation, treatment, storage or handling of "hazardous substances" as defined by the Illinois Environmental Protection Act? This question shall not be applicable for consumer goods stored or handled by a retailer in the same form, approximate amount, concentration and manner as they are sold to consumers, provided that such retailer does not engage in any commercial mixing (other than paint mixing or tinting or tinting of consumer-sized containers), finishing, refinishing, servicing or cleaning operations on the property.

2. Has the transferor ever conducted operations on the property which involved the processing, storage or handling of petroleum, other than that which was associated directly with the transferor's vehicle usage?

3. Has the transferor ever conducted operations on the property which involved the generation, transportation, storage, treatment or disposal of "hazardous or special wastes," as defined by the federal Resource Conservation and Recovery Act and the Illinois Environmental Protection Act?

4. Are there any of the following specific units (operating or closed) at the property which are or were used by the transferor to manage waste, hazardous wastes, hazardous substances or petroleum?

- Yes  No  Landfill
- Yes  No  Surface Impoundment
- Yes  No  Land Treatment
- Yes  No  Waste Pile
- Yes  No  Incinerator
- Yes  No  Storage Tank (Above Ground)
- Yes  No  Storage Tank (Underground)
- Yes  No  Container Storage Area

If any of the above items are answered Yes and the transfer is other than a mortgage or collateral assignment of beneficial interest, attach a site plan which identifies the location of each unit, such site plan to be filed with the Environmental Protection Agency along with this disclosure document.

5. Has the transferor ever held any of the following in regard to this real property?

- a. Permits for discharges of wastewater to waters of the State. Yes  No
- b. Permits for emissions to the atmosphere. Yes  No
- c. Permits for any waste storage, waste treatment or waste disposal operation. Yes  No

6. Has the transferor had any wastewater discharges (other than sewage) to a publicly owned treatment works?

7. Has the transferor taken any of the following actions relative to this property?

- a. Prepared a Chemical Safety Contingency Plan pursuant to the Illinois Chemical Safety Act. Yes  No
- b. Filed an Emergency and Hazardous Chemical Inventory Form pursuant to the federal Emergency Planning and Community Right to Know Act of 1986. Yes  No
- c. Filed a Toxic Chemical Release Form pursuant to the federal Emergency Planning and Community Right to Know Act of 1986. Yes  No

8. Has the transferor or any facility on the property been the subject of any of the following State or federal governmental actions?

- a. Written notification regarding known, suspected or alleged contamination on or emanating from the property. Yes  No
- b. Filing an environmental enforcement case with a court or the Pollution Control Board for which a final order or consent decree was entered. Yes  No
- c. If item b was answered by checking Yes, then indicate whether or not the final order or decree is still in effect for this property. Yes  No

9. Environmental Releases During Transferor's Ownership

- a. Has any situation occurred at this site which resulted in a reportable "release" of any hazardous substances or petroleum as required under State or federal laws? Yes  No
- b. Have any hazardous substances or petroleum, which were released, come into direct contact with the ground at this site? Yes  No
- c. If the answers to questions a and b are Yes, have any of the following actions or events been associated with a release on the property?

91255712

5. The text of the statutes set out above is subject to change by amendment. Persons using this form may update it to reflect changes in the text of the statutes cited, but no disclosure statement shall be invalid merely because it sets forth an obsolete or superseded version of such text.

Notwithstanding any other provision or rule or law, except as provided otherwise in subsection (b), the owner or operator, or both, of an underground storage tank shall be liable for all costs of preventive action, corrective action and enforcement action incurred by the State of Illinois as a result of a release or a substantial threat of release of petroleum from an underground storage tank.

4. Section 22.18(a) of the Act states:

other penalty or relief provided by this Act or any other law. addition to any costs recovered from such person pursuant to this Section and in addition to any other penalty or relief provided by this Act or any other law. If any person who is liable for a release or substantial threat of release of a hazardous substance fails without sufficient cause to provide removal or remedial action upon or in accordance with a notice and request by the agency or upon or in accordance with any order of the Board or any court, such person may be liable to the State for punitive damages in an amount at least equal to, and not more than three times, the amount of any costs incurred by the State of Illinois as a result of such failure to take such removal or remedial action. The punitive damage imposed by the Board shall be in addition to any costs recovered from such person pursuant to this Section and in addition to any other penalty or relief provided by this Act or any other law.

3. Section 22.2(k) of the Act states:

perform the response action. Such notice shall include the identified response action and an opportunity for such person to Section 22.2(l) of this Act for a release or a substantial threat of a hazardous substance. The Agency shall have the authority to provide notice to any person who may be liable pursuant to

2. Section 4(q) of the Act states:

hazardous substance. (4) Any person who accepts or accepted any hazardous substances for transport to disposal, storage or treatment facilities or sites from which there is a release or a substantial threat of a release of a hazardous substance.

(3) Any person who by contract, agreement, or otherwise has arranged with another party or entity for transport, storage, disposal or treatment of hazardous substances owned, controlled or possessed by such person at a facility from which there is a release or substantial threat of a release of such hazardous substances; and

(2) Any person who at the time of disposal, transport, storage or treatment of a hazardous substance owned or operated the facility or vessel used for such disposal, transport, treatment or storage from which there was a release or substantial threat of a release of any such hazardous substance;

(1) The owner and operator of a facility or vessel from which there is a release or substantial threat of release of a hazardous substance;

Notwithstanding any other provision or rule of law, and subject only to the defenses set forth in subsection (l) of this Section, the following persons shall be liable for all costs of removal or remedial action incurred by the State of Illinois as a result of a release or substantial threat of a release of a hazardous substance:

1. Section 22.2(j) of the Act states:

Under the Illinois Environmental Protection Act, owners of real property may be held liable for costs related to the release of hazardous substance.
