TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2601 *et seq.* ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the ~~total~~ amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. Mortgagage Insurance. If Lender requires mortgagage insurance as a condition of making the loan secured by this security instrument, Borrower shall pay the premiums required to maintain the mortgagage insurance in effect. If, for any reason, Lender repossesses the property, Borrower shall pay the premiums required to maintain the mortgagage insurance as long as it is held by Lender.

Any amounts disbursed by Lennder under this paragraph 7 shall become additional debt of Bonny or secured by this Security instrument. Unless Borrower and Lennder agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lennder to Borrower requesting

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the property, paying any sums accrued by a licen which has priority over this Security Instrument, appearing in court, paying reasonable attorney fees and costs and enjoining the Propert to make repairs. Although Lender may take action under this paragraph, Lender does not have to do so.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Lender's Rights. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless execution of circuit court process or criminal, or committal waste on the Property, damage or impair the Property, allow the Project to deteriorate, or commit waste on the Property, Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise impair the lien created by this Security Instrument or Lender's security interest in the Project, Borrower may cure such a default and retitle, as provided in paragraph 18, by causing the action to be dismissed with prejudice that, in Lender's good faith determination, precludes further action of the Borrower's interest in the Project.

Unless Lender and Borrower otherwise agree in writing, any application or proceeds to participate shall not exceed or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 2 the property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security instrument immediately prior to the acquisition.

3. Hazard or Property Insurance. Borrower shall keep the insurance of hazard or property coverage on the property insured against loss by fire, hazards included within the term "extinguished coverage" and any other hazards, including perils of flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonable within the period of coverage. If Borrower fails to maintain coverage as required by Lender, Lender may make good of loss if not made promptly by Borrower.

THIS ADJUSTABLE RATE MORTGAGE RIDER is made this 3rd day of JUNE, 1991 and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to ST. PAUL FEDERAL BANK FOR SAVINGS (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

13602 MISSION HILLS COURT, ORLAND PARK, ILLINOIS 60462

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S ADJUSTABLE INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE AND MINIMUM RATE THE BORROWER MUST PAY. THE NOTE ALSO CONTAINS THE OPTION TO CONVERT THE ADJUSTABLE RATE TO A FIXED RATE.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

The Note provides for an initial interest rate of 8.500%. The Note, as amended, provides for changes in the adjustable interest rate and the monthly payments, a fixed rate conversion option and transfer provisions as follows:

4. ADJUSTABLE INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The adjustable interest rate I will pay may change on the first day of JULY, 1992 and on that day every 12th month thereafter. Each date on which my adjustable interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my adjustable interest rate will be based on an Index. The "Index" is the monthly average yield on United States Treasury securities adjusted to a constant maturity of one year, as made available by the Board of Governors of the Federal Reserve System. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding TWO AND THREE QUARTERS-----percentage points (2.750%) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate that I am required to pay at the first Change Date will not be greater than 8.500% or less than 7.250%. Thereafter, my adjustable interest rate will never be increased or decreased on any single Change Date by more than -----TWO----- percentage point(s) (2.000%) from the rate of interest I have been paying for the preceding 12 months. So long as I have not exercised my Conversion Option under Section 5 of this Note my interest rate will never be greater than 13.875%, which is called the "Maximum Rate." After the first year of my loan, my interest rate will never be less than 7.250%, which is called the "Minimum Rate."

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my adjustable interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

5. FIXED INTEREST RATE CONVERSION OPTION

(A) Option to Convert to Fixed Rate

I have a Conversion Option that I can exercise unless I am in default or this Section 5(A) will not permit me to do so. The "Conversion Option" is my option to convert the interest rate I am required to pay by this Note from an adjustable rate with interest rate limits to the fixed rate calculated under Section 5(B) below.

The conversion can take place at any time during the term of my loan. The "Conversion Date" will be the first day of the month after I have satisfied the conditions below as determined by the Note Holder.

UNOFFICIAL COPY

If I want to exercise the Conversion Option, I must first satisfy any conditions which may be required by the Federal National Mortgage Association as a condition to its purchasing the loan at the time of conversion. I must also satisfy these conditions: (i) I must give the Note Holder 15 days advance notice that I want to do so; (ii) on the Conversion Date, I must not be in default under the Note, or the Security Instrument; (iii) prior to the Conversion Date, I must pay the Note Holder a conversion fee of US \$ 250.00 ; (iv) I must sign and give the Note Holder any documents the Note Holder requires to effect the conversion; and (v) I may have to pay an appraisal fee and prepay a portion of the principal balance of the loan under the following circumstances: if at loan origination, the principal amount is greater than 80% of the stated value of the appraisal report obtained in connection with my loan and private mortgage insurance from a company acceptable to St. Paul is not in force in connection with the loan, then a new appraisal of the property securing the loan may be required. I cannot exercise the Conversion Option unless I pay an amount which is enough to reduce the amount I owe on the Conversion Date to an amount equal to 80% of the new appraisal's stated value of the property.

(B) Calculation of Fixed Rate

My new, fixed interest rate will be equal to the Federal National Mortgage Association's required net yield as of a date and time of day specified by the Note Holder for 30-year fixed rate mortgages covered by applicable 60-day mandatory delivery commitments, plus a percentage ranging from five-eighths of one percentage point (0.625%), to one and one-eighth percentage points (1.125%), rounded to the nearest one-eighth of one percentage point (0.125%), depending on the amount of the unpaid principal balance I am expected to owe on the Conversion Date pursuant to the following schedule:

Add:	0 . 625	for unpaid balances of up to 191,250.00
	0 . 875	for unpaid balances from 191,251.00 to 250,000.00
	1 . 125	for unpaid balances from 250,001.00 to 750,000.00

If this required net yield cannot be determined because the applicable commitments are not available, the Note Holder will determine my interest rate by using comparable information. My new rate calculated under this Section 5(B) will not be greater than 13.473%, which is the "Fixed Maximum Rate".

(C) New Payment Amount and Effective Date

If I choose to exercise the Conversion Option, the Note Holder will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal I am expected to owe on the Conversion Date in full on the Maturity Date at my new fixed interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment. Beginning with my first monthly payment after the Conversion Date, I will pay the new amount as my monthly payment until the Maturity Date.

12. UNIFORM SECURED NOTE

In addition to the protections given to the Note Holder under this Note, a Mortgage, Deed of Trust or Security Deed (the "Security Instrument"), dated the same date as this Note, protects the Note Holder from possible losses that might result if I do not keep the promises that I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. Some of those conditions are described as follows:

(A) Until I exercise my Conversion Option under the conditions stated in Section 5 of this Adjustable Rate Note, Uniform Covenant 17 of the Security Instrument is described as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person), without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if the exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by the Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender also may require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

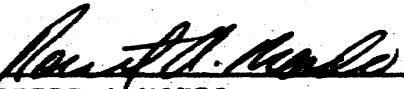

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

(B) If I exercise my Conversion Option under the conditions stated in Section 5 of this Adjustable Rate Note, Uniform Covenant 17 of the Security Instrument described in Section 12(A) above shall then cease to be in effect, and Uniform Covenant 17 of the Security Instrument shall instead be described as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person), without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider.
