every 36 th month thereafter. Each date on which my interest rate could change is called a "Change Date"
(B) The Index Beginning with the first Change Date, my mu met rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of3 year(s), as made available by the Federal Reserve Board. The most n cent Index figure available as of the date 45 days before each Change Date is called the "Current Index."
If the Index is no longer available, the Note Holder will thoose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.
(C) Calculation of Changes
Before each Change Date, the Note Holder will calculate my new interest rate by adding
percentage points (3_000_%) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). This rounded amount will be my new interest rate until the next Change Date.
The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal balance of my loan I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of the calculation is called the "Full Payment Amount," and it will be the new amount of my monthly payment, subject to subsection (D) below.
(D) Limits on Interest Rate Changes My interest rate is subject to the following limits if the appropriate box is checked:
The rate of interest I am required to pay shall never be increased or decreased on any single Interest Change Date by more than
My interest rate also shall never be greater than15.000 %.
(E) Effective Date of Changes My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

The Note Holder will deliver or mail to me a notice of any changes in the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.
