ORDINANCE NO. 91-9

AN ORDINANCE ESTABLISHING VILLAGE OF BROOKFIELD
SPECIAL SERVICE AREA NUMBER ONE FOR STREET AND
STORM SEWER IMPROVEMENTS IN THE SOUTH END
PHASE I AREA OF THE VILLAGE AND PROVIDING
FOR THE ISSUANCE OF \$900,000.00 AD VALOREM
TAX BONDS IN CONNECTION THEREWITH

BE IT ORDAINED by the President and Board of Trustees of the Village of Brookfield, Cook County, Illinois, as follows:

SECTION 1: Authority. Special Service Area Number One is established pursuant to the provisions of Article VII, Section 7 of the Constitution of the State of Illinois and pursuant to Ill.Rev.Stat. Ch. 120, §§1301 et seq., entitled "Special Service Areas-Levy of Taxes,"

An Act to provide the manner of levying or imposing taxes for the provision of special services to areas within the boundaries of home rule units and non-home rule municipalities and counties (Public Act 78-901)

SECTION 2: Findings.

A. The question of the establishment of the area hereinafter described as a special service area is considered by the Village Board pursuant to Ordinance 90-48 pertaining to the proposal to establish a special service area for street and storm sewer improvements in the South End Phase I Area of the Village of Brookfield, to authorize the issuance of \$900,000.00 in ad valorem property tax bonds and to provide for a public hearing and other procedures in connection therewith, adopted on November 26, 1990; and is considered pursuant to a hearing held on December 17, 1990 by the Village Board following Notice duly published in the Suburban Life Citizen, a newspaper published in the Village of Brookfield, at least fifteen (15) days prior to the hearing, and

pursuant to Notice by mail addressed to the person or persons in whose name the general taxes for the last preceding year were paid on each lot, block, tract or parcel of land lying within the proposed special service area. Said Notice was given by depositing said Notice in the United States mails not less than ten (10) days prior to the time set for the public hearing. In the event taxes for the last preceding year were not paid, the said Notice was sent to the person last listed on the tax rolls prior to that year as the owner of said property. A Certificate of Publication of said Notice and an Affidavit of Mailing of said Notice are attached to this Ordinance as Exhibits 1 and 2. Said Notices conformed in all respects to the requirements of Ch. 120, §1305 of the aforesaid Act.

B. A public hearing on the questions set forth in the Notice was held on December 17, 1990. Presentations were made by Village staff and all interested persons were given an opportunity to be heard on the question of the creation of the special service area, the cost of construction of the project and the special service area share, the question of the issuance of \$900,000.00 in ad valorem property tax bonds to fund the construction and the levy of a direct tax to retire the bonds over a period not to exceed twenty (20) years.

C. The 60-day waiting period required by the aforesaid Act has expired. Petitions purporting to contain signatures of persons opposed to the establishment of Special Service Area Number One were filed on February 15, 1991. Said petitions failed to satisfy

the statutory requirements set forth in §1309 of the Act and are therefore declared insufficient to defeat the special service area.

D. After considering the data as presented at the public hearing, the Board of Trustees finds that it is in the public interest and in the interest of the Village of Brookfield Special Service Area Number One that said special service area, as hereinafter described, be established.

E. Said area is compact and contiguous, and the primarily residential area will be enhanced by the construction of improved roads and curbs and a critically needed storm sewer system in the South End Phase I Area of the Village.

F. It is in the best interests of said special service area that the furnishing of the special municipal service proposed herein be considered for the common interests and the safety and welfare of the residents of said area.

G. Said area is zoned primarily for residential purposes and will benefit specially from the municipal service proposed to be provided. The proposed municipal service is unique and in addition to the municipal service provided to the Village of Brookfield as a whole.

F. It is in the best interest of the Village of Brookfield and Village of Brookfield Special Service Area Number One that \$900,000.00 be borrowed for the purposes aforesaid and, in evidence thereof, that ad valorem property tax bonds of the Village payable from taxes levied against said Special Service Area be issued.
