The interest rate will not change before the First Payment Date.

Adjustments in the Agreed Rate of Interest shall be given effect by changing the dollar amounts of the remaining monthly payments in the month following the anniversary date of the loan and every 12 months thereafter so that the total amount due under said Loan Agreement will be paid by the last payment date of July 1, 19 2006. Associates waives the right to any interest rate increase after the last anniversary date prior to the last payment due date of the loan.
