You may require me to assign any rights, claims or defenses which I may have against parties who supply labor or materials to improve or maintain the property.
3. **Insurance:** I will keep the property insured under terms acceptable to you at my expense and for your benefit. You will be named as loss payee or as the insured on any such insurance policy. If any construction on the property is continued or not carried on in a reasonable manner, you may do whatever is necessary to protect your security interest in the property. This may include completing the construction.
- Your failure to perform will not preclude you from exercising any of your other rights under the law or this mortgage.

12. **Condemnation:** I assign to you the proceeds of any award or claim for damages connected with a condemnation or other taking of all or any part of the property. Such proceeds will be applied as provided in Covenant 1. This assignment is subject to the terms of any prior security agreement.

If I co-sign this mortgage but do not co-sign the underlying debt I do so only to mortgage my interest in the property under the terms of this mortgage. I also agree that you and any party to this mortgage may extend, modify or make any other changes in the terms of this mortgage or the secured debt without my consent. Such a change will not release me from the terms of this mortgage.
- The duties and benefits of this mortgage shall bind and benefit the successors and assigns of either or both of us.
15. **Notice:** Unless otherwise required by law, any notice to me shall be given by delivering it or by mailing it by certified mail to your address on the front side of this mortgage, or to any other address which you have designated.
- Any notice shall be deemed to have been given to either of us when given in the manner stated above.
16. **Transfer of the Property or a Beneficial Interest in the Mortgage:** If all or any part of the property or any interest in it is sold or transferred without your prior written consent, you may demand immediate payment of the secured debt. However, you may not demand payment if the mortgagor is not a natural person and a beneficial interest in the mortgage is sold or transferred. However, you may not demand payment in the above situations if it is prohibited by federal law as of the date of this mortgage.

Form with fields for No., Date (June 14, 1991), Trans Acct # (333.101.991-3), Line of Credit \$ (20,000.00), Initial Advance \$ (500.00), Minimum Advance \$, Minimum Balance \$, Draw Period, Repayment Period, Maturity Date (June 14, 1996), Billing Cycle: Ends (25th), of every (month), Payment Date (15th), of every (month).

HOME EQUITY LINE OF CREDIT

GENERALLY: This is an agreement about your home equity line of credit. Many of the terms we use in this agreement have special meanings. The term "loan account balance" means the sum of the unpaid principal of loans made under this plan plus unpaid but earned finance charges plus any credit insurance premiums that are due.

SECURITY: To secure the payment of what you owe, we have the right of set-off. This means we can pay the amount you owe us out of money that we are required to pay you (such as money in your savings or checking account).

TAX DEDUCTIBILITY: You should consult a tax advisor regarding the deductibility of interest and charges under this home equity plan.

REQUESTING A LOAN: You request a loan under this plan whenever you while a check for at least the minimum advance listed above using one of the special checks you have for that purpose.

HOW THE LOAN IS ADVANCED: When you request a loan, we will, subject to any limitations contained in this agreement, advance exactly the amount you request, so long as the requested amount equals or exceeds the minimum advance listed above. We may advance the money by depositing the amount in your transaction account or by wiring the money directly to you, or by paying a designated third party on your account, depending on how we agree to make the advance.

Junior mortgage on the property commonly known as 186 Briarwood Court, Elgin, IL, 60120, and held in the name of Emmanuel A. Felarca and Daisy M. Felarca, his wife

However, we will not ordinarily grant any request for a loan which would cause the unpaid principal of your loan account balance to be greater than the Line of Credit listed above. We may, at our option, grant such a request without obligating ourselves to do so in the future.

If checked, collateral securing other loans you have with us may also secure loans under this agreement.

HOW FINANCE CHARGES ARE COMPUTED: Finance charges begin to accrue immediately when we make a loan to you. To figure the finance charge we use the average daily balance method. The average daily balance of your loan account is computed as follows: Finance charges are computed on the average daily balance of your loan account at the beginning of the day and subtract any unpaid finance charges and credit insurance premiums (if any) that are due. Next, we subtract the payments or payments of credits received that day and apply to the remaining balance of your loan account. A portion of each payment you make is applied to finance charges and credit insurance premiums (if any). Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance."

Filing fees \$

If this agreement is secured by real property we agree to pay any expenses involved in releasing the security interest.

CHANGING THE TERMS OF THIS AGREEMENT: Generally, we may not change the terms of this agreement. However, we may change the terms in the following circumstances:

- If this is a variable rate plan, we may change the index and margin if the original index described above becomes unavailable. Any new index will have a historical movement similar to the original, and, together with a new margin, will produce a similar interest rate. We may make changes that you have agreed to in writing. We may make changes that retroactively benefit you. We may make changes to insignificant terms of this agreement.

In addition, we may make the following specific changes, upon the occurrence of the events described:

- We will increase the ANNUAL PERCENTAGE RATE n/a % if you leave your position with us. We will increase the margin n/a % if you leave your position with us. We will increase the ANNUAL PERCENTAGE RATE n/a % if you fail to maintain a qualifying minimum balance of \$ n/a in a savings or money market account at our institution. We will increase the margin n/a % if you fail to maintain a qualifying minimum balance of \$ n/a in a savings or money market account at our institution. We will refuse to make additional extensions of credit or reduce your credit limit if the minimum annual percentage rate is reached. We will change the terms of this agreement, we will mail notice of the change to you. When the change becomes effective, it will apply to all outstanding loan account balances, including amounts arising out of transactions occurring before the change. If the change has the effect of increasing your interest rate or other charges, we will mail you notice at least 30 days before the effective date of the change. In such a case, the change will take effect only if you make a purchase or obtain a loan after the date specified in the notice. Otherwise, you may pay the outstanding loan account balance according to the terms of the plan without regard to the change.

The periodic rate of FINANCE CHARGE is .0246575%, which is equal to an ANNUAL PERCENTAGE RATE of 9.00%. The annual percentage rate includes interest and not other costs.

VARIABLE RATE: The annual percentage rate may change, and will be percentage point above the following "base rate":

Prime rate as quoted in the Wall Street Journal on the first day of each month. The annual percentage rate may increase if the "base rate" increases. An increase will take effect on the first cycle date. An increase will result in an increase in the finance charge and it may have the effect of increasing your periodic minimum payment. The annual percentage rate will not increase more often than once a month. A decrease will have the opposite effect of an increase described above. If the base rate changes more frequently than the annual percentage rate, we will always use the base rate in effect on the day the annual percentage rate is determined. The new annual percentage rate. In such a case, we will ignore any changes in the base rate that occur between annual percentage rate adjustments.

The "annual percentage rate" referred to in this section is the annual rate which corresponds to the periodic rate applied to the balance as described above. This corresponding ANNUAL PERCENTAGE RATE will never exceed 19.9% and will never exceed the highest allowable rate for this type of agreement as determined by applicable state or federal law.

HOW YOU REPAY YOUR LOANS: On or before each payment date you agree to make a minimum payment. The minimum payment is the accrued finance charges and credit insurance premiums (if any) on the last day of the billing cycle. If you fail to make a payment, we may, but are not required to, advance money to you to make the payment. All the terms of this agreement would apply to such a loan.

You can pay off all or any part of what you owe at any time. However, so long as you owe any amount you must continue to make the minimum payment. The amounts you pay will first reduce the amount owed for any credit insurance (then will reduce the finance charges).

FINAL PAYMENT: On the maturity date listed above, you must pay any remaining loan account balance outstanding. The minimum payment will not reduce the principal that is outstanding on your line. You will then be required to pay the entire balance in a single balloon payment.

We are not obligated to refinance your loan account balance at that time, but we will consider your request to do so. If you refinance this account at maturity, you may have to pay some or all of the closing costs normally associated with a new loan even if you obtain financing from us.

ADDITIONAL REPAYMENT TERMS: If your loan account balance on a payment date is less than the minimum payment amount, you must pay only the loan account balance.

If you fail to make a payment, we may, but are not required to, advance money to you to make the payment. All the terms of this agreement would apply to such a loan.

You can pay off all or part of what you owe at any time. However, so long as you owe any amount you must continue to make your periodic minimum payment.

The amounts you pay will first reduce the amount owed for credit insurance (if any), then will reduce the finance charges, and finally will reduce the amount of unpaid loans.

AUTOMATIC WITHDRAWAL: If checked, you authorize us to automatically withdraw your payment from your transaction account on each payment date. If your transaction account does not have enough money in it to make the minimum payment, we may, but are not required to, lend you money to make the payment. All the terms of this agreement will apply to such a loan. If your loan account balance is less than the minimum payment amount, we will withdraw only the amount necessary to reduce your loan account balance to zero.

ADDITIONAL CHARGES: You agree to pay the following additional charges:

- A late charge on any payment not paid within 10 days of the payment date of 5% of the payment of \$5.00, whichever is less. A charge of \$10.00 for any advance made in an amount less than the minimum advance. A fee of \$ 50.00 per year in order to participate in this plan. We will add this amount to your loan account balance on an annual basis. Stop payment charge: A \$12.50 charge will be assessed for stop payment orders. Over the limit charge: A \$15.00 charge for any check which is returned because it was in excess of the line. Application Fee \$ Perms Appraisal \$ Official Fee Property Survey \$ Title Search Credit Report Fees \$ Title Insurance Documentation Fees \$ Taxes Termination Fee \$ 50.00 (Other)

ATTORNEY'S FEES: You agree to pay all our costs, including reasonable attorney's fees, that we incur in legal proceedings to collect or enforce this debt should you be in default.

NOTICE: See the reverse side for additional terms and for information about your rights in the event of a billing error.

SIGNATURES: By signing below, you agree to the terms on both sides of this agreement and you promise to pay any amounts you owe under this agreement. You also state that you received a completed copy of the agreement on today's date.
