- e. That the Borrower may repossess the Mortgage after acceleration; and
- f. That Borrower may bring suit in court to argue that all promises were kept and to present any other defenses Borrower has to acceleration.

Lender need not send the notice if the promise Borrower failed to keep consists of Borrower's sale or transfer of all or a part of the Property or any rights in the Property without Lender's written consent. If the Borrower does not correct the failure by the date stated in the notice, Lender may accelerate. If Lender accelerates, Lender may foreclose this Mortgage according to law. Borrower also agrees to pay Lender's attorneys' fees and costs for the foreclosure in the maximum amount allowed by law. Lender will apply the proceeds of the foreclosure sale to the amount Borrower owes under this Mortgage, and to the costs of the foreclosure and Lender's attorneys' fees.

24. Obligations After Assignment. Any person who takes over Borrower's right or obligations under this Mortgage with Lender's consent will have Borrower's rights and will be obligated to keep all of the promises Borrower made in this Mortgage. If another person takes over Borrower's rights or obligations under this Mortgage, Borrower will not be released. Any person or organization who takes over Lender's rights or obligations under this Mortgage will have all of Lender's rights and must keep all of Lender's obligations under this Mortgage.

25. Waiver of Homestead. Under the exemption laws, Borrower's homestead is usually free from the claims of creditors. Borrower gives up the homestead exemption right for all claims arising out of this Mortgage. This includes Borrower's right to demand that property other than Borrower's homestead that has been mortgaged to Lender be foreclosed first, before the homestead is foreclosed.

26. Condemnation. If all or part of the Property is condemned, Borrower directs the party condemning the Property to pay all of the money to Lender. Lender will apply the money to pay the amount Borrower owes Lender, unless Lender agrees in writing that the proceeds can be used differently. If Lender uses the money to reduce the amount Borrower owes under the Agreement, Borrower will still have to make regular monthly payments until everything Borrower owes is paid.

27. Paragraph Headings. The headings of the paragraphs are for convenience only, and are not a part of this Mortgage.

6. Notice of Variable Rate of Interest. This Mortgage secures a line of credit that has a variable rate of interest. This means that the interest rate may increase or decrease from time to time, as explained in section 4.
7. Finance Charge. Borrower will pay a Finance Charge until Borrower has repaid everything owed under the Agreement. Lender fig-
ures the Finance Charge at the end of every month by adding cycle. The monthly billing cycle starts the first day of a month to
and including the last day of that month. To figure the Finance Charge for a monthly billing cycle, Lender multiplies the Daily Periodic Rate times the Daily Balance of Borrower's account each day, adding the result to the previous day's balance. To figure the Finance Charge for a monthly billing cycle, Lender divides up the Daily Periodic Rate by the number of days in the billing cycle. Lender determines the Daily Balance of Bor-
rower's account on that day (or each day in the monthly billing cycle), Lender figures the Daily Periodic Rate by dividing the Annual Percent-
age Rate by 365 (or 366, in any leap year). Lender determines the Daily Balance by first adding the beginning balance of Borrower's account
each day, adding it to new loan advances, subtracting any payments or other credits to the account and subtracting any unpaid finance
charges and other charges. This gives Lender the Daily Balance for each day. Borrower pays a Finance Charge on loan advances begin-
ning with the day they are made.
8. Transfer of Rights in the Property. Borrower promises to Lender that he shall not mortgage his property to anyone else without the
consent of Lender, by signing this Mortgage. Borrower grants and conveys the Property to Lender subject to the terms of this Mort-
gage. This means that, by signing this Mortgage, grants and conveys the Property to Lender subject to the terms of this Mort-
gage, that law gives to Lenders who have taken mortgages on land, Borrower is giving Lender these rights to protect Lender's rights
against Lender's claims or charges against the Property that are currently shown in the office where
real estate records are filed for the County where the Property is located.
9. Termination of this Mortgage. If Borrower fails to keep the promises made in this Mortgage and Lender under this Mortgage
agreement, and keeps all promises made in this Mortgage and in the Agreement, then Lender's rights in the Property will stand. Lender will
lose his ownership of the Property if he fails to file a claim for the rights in the Property against the Borrower.

and which covers all buildings on the Property. The insurance must be satisfactorily to Lender and must cover loss or damage caused by fire
and hazards normally covered by extended coverage. Lender may obtain the insurance from any company that is authorized to do business in this state. Lender is responsible to Lender for damage to the property that is not covered by the insurance.
14. Borrower's Promise to Buy Flood Insurance. If the land or any part of the property is situated in the maximum amount available to Lender,
Borrower promises to buy flood insurance to Lender. The insurance must be in the amounts and for periods of time required by Lender.
Lender may require that Borrower pay premiums to Lender for the insurance. Lender may file a "Proof of Loss" with the insurance company
to collect the premium.
15. Borrower's Promise to Maintain the Property. If any improvements are made to the Property, Borrower won't damage or destroy the Property. Borrower
also promises to keep the Property in good repair if any improvements are made to the Property. Borrower will still have to make the
repairs.

necessary to enforce its rights against the Mortgagee as an individual or against all of them. However, if someone signs this Mortgage
separately, Lender may enforce them one at a time for all acre.
