Any application of the proceeds to the principal shall not extend or postpone the due date of the monthly payments, which are referred to in paragraph 2, or change the amount of such payments. Any excess proceeds over an amount required to pay all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity legally entitled thereto.

**8. Fees.** Lender may collect fees and charges authorized by the Secretary.

**9. Grounds for Acceleration of Debt.**

**(a) Default.** Lender may, except as limited by regulations issued by the Secretary in the case of payment defaults, require immediate payment in full of all sums secured by this Security Instrument if:

(i) Borrower defaults by failing to pay in full any monthly payment required by this Security Instrument prior to or on the due date of the next monthly payment, or

(ii) Borrower defaults by failing, for a period of thirty days, to perform any other obligations contained in this Security Instrument.

**(b) Sale Without Credit Approval.** Lender shall, if permitted by applicable law and with the prior approval of the Secretary, require immediate payment in full of all the sums secured by this Security Instrument if:

(i) All or part of the Property is otherwise transferred (other than by devise or descent) by the Borrower, and

(ii) The Property is not occupied by the purchaser or grantee as his or her primary ~~or secondary residence~~, or the purchaser or grantee does so occupy the Property but his or her credit has not been approved in accordance with the requirements of the Secretary.

**(c) No Waiver.** No circumstances occur that would permit Lender to require immediate payment in full, but Lender does not require such payments, Lender does not waive its rights with respect to subsequent events.

**(d) Regulations of the Secretary.** In many circumstances regulations issued by the Secretary will limit Lender's rights in the case of payment defaults to require ~~immediate payment in full and foreclose if not paid~~. This Security Instrument does not authorize acceleration or foreclosure if not permitted by regulations of the Secretary.

**10. Reinstatement.** Borrower has a right to be reinstated if Lender has required immediate payment in full because of Borrower's failure to pay an amount due under the Note or this Security Instrument. This right applies even after foreclosure proceedings are instituted. To reinstate the Security Instrument, Borrower shall tender in a lump sum all amounts required to bring Borrower's account current including, to the extent they are obligations of Borrower under this Security Instrument, foreclosure costs and reasonable and customary attorneys' fees and expenses properly associated with the foreclosure proceeding. Upon reinstatement by Borrower, this Security Instrument and the obligations that it secures shall remain in effect as if Lender had not required immediate payment in full. However, Lender is not required to permit reinstatement if: (i) Lender has accepted reinstatement after the commencement of ~~foreclosure proceedings within two years immediately preceding the commencement of a current foreclosure proceeding~~, (ii) reinstatement will preclude foreclosure on different grounds in the future, or (iii) reinstatement will adversely affect the priority of the interest created by this Security Instrument.

**11. Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time of payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successor in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

**12. Successors and Assigns Bound; Joint and Several Liability; Co-Signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9.b. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the term of this Security Instrument or the Note without that Borrower's consent.

**13. Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

**14. Governing Law; Severability.** This Security Instrument shall be governed by Federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

**15. Borrower's Copy.** Borrower shall be given one conformed copy of this Security Instrument.

**16. Assignment of Rents.** Borrower unconditionally assigns and transfers to Lender all the rents and revenues of the Property. Borrower authorizes Lender or Lender's agents to collect the rents and revenues and hereby directs each tenant of the Property to pay the rents to Lender or Lender's agents. However, prior to Lender's notice to Borrower of Borrower's breach of any covenant or agreement in the Security Instrument, Borrower shall collect and receive all rents and revenues of the Property as trustee for the benefit of Lender and Borrower. This assignment of rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower: (a) all rents received by Borrower shall be held by Borrower as trustee for benefit of Lender only, to be applied to the sums secured by the Security Instrument; (b) Lender shall be entitled to collect and receive all of the rents of the Property; and (c) each tenant of the Property shall pay all rents due and unpaid to Lender or Lender's agent on Lender's written demand to the tenant.

Borrower has not executed any prior assignment of the rents and has not and will not perform any act that would prevent Lender from exercising its rights under this paragraph 16.

Lender shall not be required to enter upon, take control of or maintain the Property before or after giving notice of breach to Borrower. However, Lender or a judicially appointed receiver may do so at any time there is a breach. Any application of rents shall not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of rents of the Property shall terminate when the debt secured by the Security Instrument is paid in full.

7. **Condemnation.** The proceeds of any award or claim for damages, director or consequential loss or expense resulting from a condemnation of any part of the Property, or to the removal of the fixtures under the Note and this Security instrument, shall be paid to Lender to the full amount of the value of the fixtures under the Note and this Security instrument. Lender shall apply such proceeds to the redemption of the Note and this Security instrument, first to any deficiency left after payment of the principal balance due and then to prepayment of principal.

Any amounts disbursed by Lender under this paragraph shall bear interest from the date of disbursement, at the Note rate, and at the option of Lender, shall be immediately due and payable.

If Borrower fails to make these payments to Lender under this paragraph 2, or fails to perform any other covenants in the Property (such as a proceeding in bankruptcy), or there is a legal proceeding that may significantly affect Lender's rights and agreements contained in this Security instrument, or to pay more than one-sixth of the estimated monthly payment of taxes, hazard insurance and other items mentioned in paragraph 2.

If Borrower fails to make these payments to Lender under this paragraph 2, or fails to pay all government charges, fines and impositions that are not included in paragraph 2, Borrower shall pay all government charges to the extent which is owed to the payee. If failure to pay would adversely affect Lender's interests in the Property, upon Lender's request, Borrower shall promptly furnish to Lender receipts evidencing these payments.

6. **Charges to Borrower and Preemption of Lender's Rights in the Property.** Borrower shall pay all government or municipal charges and expenses which are a part of the payment. If failure to pay would adversely affect Lender's interests in the Property, upon Lender's request, Borrower shall promptly furnish to Lender receipts evidencing these payments.

5. **Preservation and Abatement of the Property.** Lender shall not commit waste or destroy, damage or substantially change the Property or allow the Property to deteriorate, reasonably take reasonable action to protect the Property if it is vacant or abandoned or otherwise let it in default. Lender may take reasonable action to preserve such vacant or abandoned Property. If this Security instrument is on a leasehold, Borrower shall agree to the merger in writing.

In the event of forced sale of this Security instrument or other transfer of title to the Property that extinguishes the independent, all right, title and interest of Borrower in and to insurance policies in force, shall pass to the purchaser. In the event of forced sale of this Security instrument or other transfer of title to the Property that extinguishes the

Lender agrees to the merger in writing. In the event of forced sale of the Property, Borrower acquires fee title to the Property. If this Security instrument is on a leasehold, Borrower shall hold compensation for all outstanding insurance premiums over and above the monthly premium paid by Lender and shall be liable for any excess insurance of the month paid by Lender. Any application of the monthly premium paid by Lender to the insurance held by Lender is hereby rejected.

In the event of loss, Borrower shall give Lender immediate notice by mail. Lender may make proof of loss if not made

promptly by Borrower. Each insurance company concerned is hereby authorized and directed to make prompt payment of its share of the monthly premium paid by Lender to the insurance held by Lender, and in a form acceptable to, Lender.

In the event of loss, Borrower shall pay its share of the monthly premium paid by Lender to the insurance held by Lender. The insurance held by Lender now in existence or subsequently created, except as follows, shall also insure at improved rates and for the periods that Lender requires. Borrower shall also insure against damage to the Property or subsequent to the Property, whether now in existence or subsequently created, for which Lender now in

Second, to the monthly mortgage insurance premium to be paid by Lender to the Note.

Third, to any interest due under the Note:

Fourth, to the monthly mortgage insurance premium to be paid by Lender to the Note.

Second, to any interest due before the date the item becomes due.

Third, to any interest due before the date the item becomes due.

Fourth, to any interest due before the date the item becomes due.

Each monthly installment for items (a), (b), and (c) shall be equal one-twelfth of the annual amounts.

The full annual amount for each item shall be accumulated within a period ending one-month before an item would

become delinquent. Lender shall hold the amounts collected in trust to pay items (a), (b), and (c) before they become delinquent.

If at any time the total of the payments held by Lender for items (a), (b), and (c) exceeds by more than one-sixth of the estimated monthly payment,

the excess over one-sixth of the estimated payments on the Note are credited to the Note account.

For such items payable to Lender prior to the due dates of such items, together with the future monthly payments

of payments required to pay such items, and if payments on the Note are credit one-sixth of the estimated monthly payments to the Note account, then Lender either estimates to refund

the excess over one-sixth of the estimated payments on the Note, or if the Note account is not more than one-month before the due date of the Note, then Lender shall

be liable for the entire monthly payment due on the Note.

## ADJUSTABLE RATE RIDER

THIS ADJUSTABLE RATE RIDER is made this **27th** day of **JUNE**, **19 91**, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed ("Security Instrument") of the same date given by the undersigned ("Borrower") to secure Borrower's Note ("Note") to

**DRAPER AND KRAMER, INC.**  
(the "Lender") of the same date and covering the property described in the Security Instrument and located at:  
**754 DODGE AVENUE EVANSTON, ILLINOIS 60202**

(Property Address)

**THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.**

**ADDITIONAL COVENANTS.** In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

1. Under the Note, the initial stated interest rate of **SEVEN** per centum (**7.00** %) per annum ("Initial Interest Rate") on the unpaid principal balance is subject to change, as hereinafter described. When the interest rate changes, the equal monthly installments of principal and interest also will be adjusted, as hereinafter provided, so that each installment will be in an amount necessary to fully amortize the unpaid principal balance of the Note, at the new adjusted interest rate, over the remaining term of the Note.
2. The first adjustment to the interest rate (if any adjustment is required) will be effective on the first day of **OCTOBER**, **19 92**, (which date will not be less than twelve months nor more than eighteen months from the due date of the first instalment payment under the Note), and thereafter each adjustment to the interest rate will be made effective on the day of each succeeding year during the term of the Security Instrument ("Change Date").
3. Each adjustment to the interest rate will be made based upon the following method of employing the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one year ("Index"); the Index is published in the Federal Reserve Bulletin and made available by the United States Treasury Department in Statistical Release H.15 (519). As of each Change Date, it will be determined whether or not an interest rate adjustment must be made, and the amount of the new adjusted interest rate, if any, as follows:
  - (a) The amount of the Index will be determined, using the most recently available figure, thirty (30) days before the Change Date ("Current Index").
  - (b) **TWO AND ONE HALF** percentage points (**2.50** %; the "Margin") will be added to the Current Index and the sum of this addition will be rounded to the nearest one-eighth of one percentage point (0.125%). The rounded sum, of the Margin plus the Current Index, will be called the "Calculated Interest Rate" for each Change Date.
  - (c) The Calculated Interest Rate will be compared to the interest rate being earned immediately prior to the current Change Date (such interest rate being called the "Existing Interest Rate"). Then, the new adjusted interest rate, if any, will be determined as follows:
    - (i) If the Calculated Interest Rate is the same as the Existing Interest Rate, the interest rate will not change.
    - (ii) If the difference between the Calculated Interest Rate and the Existing Interest Rate is less than or equal to one percentage point, the new adjusted interest rate will be equal to the Calculated Interest Rate (subject to the maximum allowable change over the term of the Security Instrument of five percentage points, in either direction, from the Initial Interest Rate, herein called the "5% Cap").
    - (iii) If the Calculated Interest Rate exceeds the Existing Interest Rate by more than one percentage point, the new adjusted interest rate will be equal to one percentage point higher than the Existing Interest Rate (subject to the 5% Cap).
    - (iv) If the Calculated Interest Rate is less than the Existing Interest Rate by more than one percentage point, the new adjusted interest rate will be equal to one percentage point less than the Existing Interest Rate (subject to the 5% Cap).
  - (d) Notwithstanding anything contained in this Adjustable Rate Rider, in no event will any new adjusted interest rate be more than five percentage (5%) points higher or lower than the Initial Interest Rate. If any increase or decrease in the Existing Interest Rate would cause the new adjusted interest rate to exceed the 5% Cap,
