The interest rate will be _____ percentage points above the Bank Prime Loan Rate published in the Federal Reserve Board's Statistical Release H.15. The interest rate will not change before the First Payment Date.

Adjustments in the Agreed Rate of Interest shall be given effect by changing the dollar amounts of the remaining monthly payments in the month following the anniversary date of the loan and every 12 months thereafter so that the total amount due under said Loan Agreement will be paid by the last payment date of June 10, 2002. Associates waives the right to any interest rate increase after the last anniversary date prior to the last payment due date of the loan.

2. Grantors shall pay before any penalty attaches all general taxes, and shall pay special taxes, special assessments, water charges, sewer service charges, and other charges against the premises when due, and shall, upon written request, furnish to Trustee or to Beneficiary duplicate receipts therefor. To prevent default hereunder Grantors shall pay in full under protest, in the manner provided by statute, any tax or assessment which Grantor may desire to contest.

3. Grantors shall keep all buildings and improvements now or hereafter situated on said premises insured against loss or damage by fire, lightning or wind-storm under policies providing for payment by the insurance companies of money sufficient either to pay the cost of replacing or repairing the same or to pay in full the indebtedness secured hereby, all in companies satisfactory to the Beneficiary, under insurance policies payable, in case of loss or damage, to Trustee for the benefit of the Beneficiary, such rights to be evidenced by the standard mortgage clause to be attached to each policy, and shall deliver all policies, including additional and renewal policies, to Beneficiary, and in case of in-surance about to expire, shall deliver renewal policies not less than ten days prior to the respective dates of expiration.

4. In case of default therein, Trustee or Beneficiary may, but need not, make any payment or perform any act to reimburse grantor of Grantors in any form and manner deemed expedient, and may, but need not, make full or partial payments of principal or interest to prior encumbrances, if any, and purchase, discharge, compromise or settle any tax lien or other prior lien or title or claim thereto, or redeem from any tax sale or forfeiture affecting said premises or cancel any tax or assessment. All moneys paid for any of the purposes herein authorized and all expenses paid or incurred in connection therewith, including attorney's fees, and any other moneys advanced by Trustee or Beneficiary to protect the mortgaged premises and the lien hereof, shall be so much additional indebtedness secured hereby and shall become immediately due and payable without notice and with interest thereon at the annual percentage rate stated in the Loan Agreement this Trust Deed secures. No action of Trustee or Beneficiary shall never be considered as a waiver of any right accruing to them on account of any default hereunder on the part of Grantors.

5. The Trustee or Beneficiary hereby agrees making any payment hereby authorized relating to taxes or assessments, may do so according to any bill, statement or estimate procured from the appropriate public office without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, fee, forfeiture, tax, lien or title or claim thereto.

6. Grantors shall pay each item of indebtedness herein mentioned, both principal and interest, when due according to the terms hereof. At the option of Beneficiary, and without notice to Grantors, all unpaid indebtedness secured by this Trust Deed shall, notwithstanding anything in the Loan Agreement or in this Trust Deed to the contrary, become due and payable immediately in the case of default in making payment of any instalment on the Loan Agreement, or (b) when default shall occur and continue for three days in the performance of any of the covenants of the Grantors herein contained, or (c) immediately if all or part of the premises are sold or transferred by the Grantors without Beneficiary's prior written consent.

7. When the indebtedness hereon secured shall become due whether by acceleration or otherwise, Beneficiary or Trustee shall have the right to foreclose the lien hereof. In any suit to foreclose the lien hereof, there shall be allowed and one side, as additional indebtedness, the decree for sale, all expenditures and expenses which may be paid or incurred by or on behalf of Trustee or Beneficiary for attorney's fees, Trustee's fees, appeals, costs, outlay for documentary and expert evidence, stamp-duty charges, publication costs, and costs which may be estimated as to items to be expended after entry of the decree of procuring all such abstracts of title, title searches and examinations, grantor's policies, Tortious certificate, and similar data, and assurances with respect to title as Trustee or Beneficiary may deem to be reasonably necessary either to prosecute such suit or to quiet titleholders of any sale which may be had pursuant thereto, to determine the true condition of the title or the value of the premises. All expenditures and expenses of the kind set forth in this paragraph mentioned shall be paid so much additional indebtedness secured by this Trust Deed to the amount of the principal and interest thereon at the annual percentage rate stated in the Loan Agreement this Trust Deed secures, when paid or incurred by Trustee or Beneficiary in connection with the same, including all late and bankruptcy proceedings, to which either of them shall be a party, even if plaintiff, claimant or defendant, by reason of this trust deed or any obligation to pay incurred in the preparation for the commencement of any suit for the foreclosure hereof after acceleration or in suit to foreclose whether or not actually commenced, or in preparations for the defense of any threatened suit or proceeding which might affect the premises or the security hereof, whether or not actually commenced.

8. The proceeds of any foreclosure sale of the premises shall be distributed and applied in the following order of priority. First, on account of all costs and expenses incident to the foreclosure proceedings, including all such items as are mentioned in the preceding paragraph hereof; second, all other items which under the terms hereof constitute secured indebtedness due to that evidenced by the Loan Agreement, with interest thereon as herein provided; third, all principal and interest remaining unpaid on the note; fourth, any overplus to Grantors, their heirs, legal representatives or assigns, as their rights may appear.

9. Upon, or at any time after the filing of a bill to foreclose this trust deed, the court in which such bill is filed may appoint a receiver of said premises. Such appointment may be made either before or after sale, without notice, without regard to the solvency or insolvency of Grantors, and the time of application for such receiver and without regard to the then value of the premises or whether the same shall be then occupied as a home-stand or not and the Trustee hereunder may be appointed as such receiver. Such receiver shall have the power to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and, in case of a sale and deficiency, during the full statutory period of redemption, whether there be redemption or not, so as to bind any further times when Grantors, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or convenient in such cases for the protection, possession, control, management and operation of the premises during the whole of said period. The court from time to time may authorize the receiver to apply the net income in his hands in payment in whole or in part of (1) the indebtedness secured hereby, or by any decree foreclosing this Trust Deed, or any tax, special assessment or other lien which may be or be one superior to the lien hereof or of such decree, provided such application is made prior to foreclosure date; (2) the deficiency in case of a sale and deficiency.

10. The Trustee or Beneficiary has the option to demand that the balance due on the sum secured by this trust deed be paid in full on the third anniversary of the loan date of the loan and annually on each subsequent anniversary date if the loan has a fixed interest rate. If the option is exercised, Grantors will be given written notice of the election at least 90 days before payment in full is due. If payment is not made when due, Trustee or Beneficiary has the right to exercise any remedies permitted in under this trust deed.

11. No action for the enforcement of the lien or of any provision hereof shall be subject to any defense which would not be good and available to the party interposing same in an action at law upon the note hereby secured.

14. Upon presentation of satisfactory evidence that all indebtedness secured by this Trust Deed has been fully paid, either before or after maturity, the Trustee shall have full authority to release this trust deed, the lien hereof, by proper instrument.

15. In case of the resignation, inability or refusal to act of Trustee, the Beneficiary shall have the authority to appoint a successor in Trust. Any Successor in Trust hereunder shall have the identical title, powers and authority as are herein given Trustee.

16. This Trust Deed and all provisions hereof, shall extend to and be binding upon Grantors and all persons claiming under or through Grantors, and the word "Grantors" when used herein shall include all such persons and all persons liable for the payment of the indebtedness or any part thereof, whether or not such persons shall have executed the Loan Agreement or this Trust Deed.
