We may not charge for holding and applying the funds,analyzing the account or certifying the escrow items, unless we pay you interest on the funds and applicable law permits us to make such a charge. The interest rate effective on the first change date will be the current reference rate plus a margin of ONE & 1/4. The interest rate effective on subsequent change dates will be the current reference rate plus a margin of ONE & 1/4. The interest rate effective on the final change date will be the current reference rate plus a margin of ONE & 1/4.

Each day on which the interest rate effective during the Closed-End Repayment Term may change, and the first day of the Closed-End Repayment Term, is a "Change Date". Interest rates during the Closed-End Repayment Term may occur on the first day of the Closed-End Repayment Term or on the same day of the month every twelve (12) months.

(E) INTEREST DURING THE CLOSING-TERM. You agree to pay interest (a finance charge) during the closing on the day after the outstanding principal balance of your equity source account which has not been paid. Your outstanding principal balance until the full outstanding principal balance has been paid. Periodic outstanding principal payments at the beginning of the closing-end repayment term is that sum discounted on the date of closing statement for your one hundred twenty-first closing cycle as the closing-end repayment term. Is referred to hereinafter as the "initial closing-end principal balance". If you have used equity source account checks that have not been posted to your account as of the closing-end principal balance date, if you have used equity source account checks that have not been posted to your account as of the closing-end principal balance date, or if you have used equity source account checks that have not been posted to your account as of the closing-end principal balance date.

The rate of interest ("Annual Percentage Rate"), will be determined and will vary based upon a "Reference Rate". This Reference shall be the prime rate of interest as published in the Money Rates Section of the Wall Street Journal or the first business day of each month, regardless of when such rates were quoted by the Commerical Banks to the Wall Street Journal. The Reference Rate is defined by the Wall Street Journal as the base rate on corporate loans at large U.S. Money Center Commercial Banks. In the event more than one Reference Rate is published by the Wall Street Journal, the lowest rate shall apply. In the event such a Reference Rate ceases to be published by any applicable day, the lowest rate so published shall apply. In the event such a Reference Rate ceases to be published by the Wall Street Journal, we will select a new Reference Rate that is based upon comparable information, and if necessary a substitute "Margin", so that the change in the Reference Rate results in substantially the same "Annual Percentage Rate as previously used", the previous Reference Rate.

(D) INTEREST DURING THE REVOLVING LINE OF CREDIT TERM. You agree to pay interest at the same rate as credit term as determined by the applicable balloon of your equity source account during the revolving line of credit term as determined by

(5) Principal necessary to reduce the Outstanding Balance of Your account to Your Credit Limit; and (6) Any Past due payments. The payment due date for each Billing Cycle is approximately twenty-five (25) days after the close of the Billing Cycles. During the Closed-End Repayment Term You agree to pay on or before the same day as above the payment due date shown on each Closed-End Principal Balance (the Principal Balance owed by You to us at the end of the revolving line of credit). If you have used an Equity Source Account check that has not been posted to your account as of the Conversion Date, as defined in the Agreement, and that check is subsequently paid by us instead of your initial Closed-End Principal Balance, a fraction of the minimum payment principal balance of 1/240th of your initial Closed-End Principal Balance, a fraction of the outstanding principal balance of that check that has a numerator of 1 and a denominator equal to the number of payments thereafter will include, instead of 1/240th of your initial Closed-End Principal Balance, a fraction of the outstanding principal balance of that check that has a numerator of 1 and a denominator equal to the number of Billing Cycles left in the Closed-End Repayment Term, so that your account is fully paid in substantially equal principal installments by the Maturity Date.

Under paragraph 20, if the property is sold or acquired by us, we shall apply, no later than immediately prior to the sale of the property or its acquisition by us, any funds held by us at the time of application as a credit against the sums secured by this Mortgage.

The above and foregoing provisions contained in this paragraph 2 relating to payment by you to us of funds in escrow shall be excused so long as you are required on the date hereof, and continue after the date hereof, to make comparable payment of funds in escrow to the holder of a Note secured by a mortgage or similar security agreement on the property, which such mortgage or similar security agreement has priority over this Mortgage. You agree to provide us with proof of payment of such funds in escrow.

3. APPLICATION OF PAYMENTS. Unless applicable law provides otherwise, all payments received by us under the Agreement and this Mortgage shall be applied, first to the Finance Charge stated in your oldest past due periodic Billing Statement, if any, and then (during the Closed-End Repayment Term) to the fraction of the Initial Closed-End Principal Balance due for the same Periodic Billing Statement. Payments will then be applied similarly to Finance Charges and the fraction of the Initial Closed-End Principal Balance due on the next oldest past due statement, and then to successive past due statements, until all past due Finance Charges and the fraction of the Initial Closed-End Principal Balance due are fully paid. The balance of your payments will next be applied to the amounts stated due on the current periodic Billing Statement in the following order: (1) insurance premiums billed and past due; (2) any Annual Fee which is due and payable; (3) any other charge, excluding insurance premiums, authorized by the Agreement; (4) Finance Charges billed but not past due; (5) insurance premiums billed but not yet past due as of the current statement; and (6) payment of any Outstanding Principal Balance. Any balance of payment will be applied to payment of all Finance Charges which accrue after the Periodic Billing Statement date and prior to the date payment was received by us. You shall promptly furnish to us all notices of amounts to be paid under this paragraph. If you make these payments directly, you shall promptly furnish to us receipts evidencing the payments.

5. HAZARD INSURANCE. You shall keep the improvements now existing or hereafter erected on the property insured against loss by fire, any hazard included within the term "extended coverage" and any other hazard for which we require insurance. This insurance shall be maintained in the amounts and for the periods that we require. The insurance carrier providing the insurance shall be chosen by you subject to our approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to us and shall include a standard mortgage clause. We shall have the right to hold the policies and renewals. If we require, you shall promptly give to us all receipts of paid premiums and renewal notices. In the event of loss, you shall give prompt notice to the insurance carrier and us. We may make proof of loss if not made promptly by you.

Unless we and you otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the property damages. If the restoration or repair is economically feasible and our security is not lessened. If the restoration or repair is not economically feasible or our security would be lessened, the insurance proceeds shall be applied to the sums secured by this Mortgage, whether or not then due, with any excess paid to you. If you abandon the property, or do not answer within thirty (30) days a notice from us that the insurance carrier has offered to settle a claim, we may collect the insurance proceeds. We may use the proceeds to repair or restore the property or to pay sums secured by this Mortgage, whether or not then due. The 30-day period will begin when the notice is given.

Unless we and you otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 20, the property is acquired by us, your right to any insurance policies and proceeds resulting from damage to the property prior to the acquisition shall pass to us to the extent of the sums secured by this Mortgage immediately prior to the acquisition.

If you fail to perform the covenants and agreements contained in this Mortgage, or there is a legal proceeding that may significantly affect our rights in the property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then we may do and pay for whatever is necessary to protect the value of the property and our rights in the property. Our action may include paying any sums secured by a lien which has priority over this Mortgage, appearing in court, paying reasonable attorneys' fees and entering on the property to make repairs. Although we may take action under this paragraph 7, we do not have to do so.

Any amounts disbursed by us under this paragraph 7 shall become additional debt of yours secured by this Mortgage. Unless you and we agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the rate provided in the Agreement and shall be payable, with interest, upon notice from us to you requesting payment.

If we require mortgage insurance as a condition of making the loan secured by this Mortgage, you shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with your and our written agreement or applicable law.

8. INSPECTION. We or our agent may make reasonable entries upon and inspections of the property. We shall give you notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

9. CONDEMNATION. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to us.

In the event of a total taking of the property, the proceeds shall be applied to the sums secured by this Mortgage, whether or not then due, with any excess paid to you. In the event of a partial taking of the property, unless you and we otherwise agree in writing, the sums secured by this Mortgage shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the property immediately before the taking.
