Agreed Rate of Interest This is a variable interest rate loan and the interest rate will increase or decrease with changes in the Prime Loan Rate. The interest rate will be 7.84 percentage points above the Bank Prime Loan Rate published in the Federal Reserve Board's Statistical Release H.15. The initial Bank Prime Loan rate is 6.50 %, which is the published rate as of the last business day of May 1992; therefore, the initial interest rate is 14.34 % per year. The interest rate cannot increase or decrease more than 2% in any year. In no event, however, will the interest rate ever be less than 12.34 % per year nor more than 20.54 % per year. The interest rate will not change before the First Payment Date. Adjustments in the Agreed Rate of Interest shall be given effect by changing the dollar amounts of the remaining monthly payments in the month following the anniversary date of the loan and every 12 months thereafter so that the total amount due under said Loan Agreement will be paid by the last payment date of July 1, 2007. Associates waives the right to any interest rate increase after the last anniversary date prior to the last payment due date of the loan.

The Grantors promise to pay the said sum in the said Loan Agreement of even date herewith, made payable to the Beneficiary, and delivered in 180 consecutive monthly installments at \$ 1412.20, followed by \$.00 at \$.00, followed by \$.00, with the first installment beginning on August 1, 19 92, and the remaining installments continuing on the same day of each month thereafter until fully paid.
