ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument and the Rider, Borrower and Lander further covenant and agree as follows:

A. FIXED INTEREST PATE OPTION

The Note provides for the Borrower's option to convert from an adjustable interest rate to a fixed interest rate, as follows:

1. Option to Convert to Fixed Rate

I have a Conversion Option that I can exercise unless I am in default or this Section A 1 will not permit me to do so. The "Conversion Option" is my option to convert the interest rate I am required to pay by the Note from an adjustable rate to the fixed rate calculated by the Note Holder under Section A 2 below.

The conversion can only take place on (a) if the first Change Date is 21 months or less from the date of the Note, the third, fourth or fifth Change date or (b) if the first Change Date is more than 21 months from the date of the Note, the first, second or third Change Date. Each Change Date on which my interest rate can convert from an adjustable rate to a fixed late also is called the "Conversion Date." I can convert my interest rate only on one of the three Conversion Dates.

If I want to exercise the Conversion Option, I must first meet certain conditions. Those conditions are that: (i) I must give the Note Holder notice that I want to do so at least 15 days before the next Conversion Date; (ii) on the Conversion Date, I must not be in default under the Note or the Security instrument; (iii) by a date specified by the Note Holder, I must pay the Note Holder a conversion foe of U.S. \$ 100.00 ; and (iv) I must sign and give the Note Holder any documents the Note Holder requires to effect the conversion.

2. Calculation of Fixed Rate

My new, fixed interest rate will be determined by the Note Holder Greec on the Federal National Mortgage Association's required net yield as of a date and time of day specified by the Note Holder for (i) if the original term of the Note is greater that 15 years, 30-year fixed rate mortgages covered by applicable 80-day mandatory delivery commitments, plus five-eighths of one percentage point (0.125%), or (ii) if the original term of the Note is 15 years or less, 15-year fixed rate mortgages covered by applicable 80-day mandatory delivery commitments, plus five-eighths of one percentage point (0.625%), rounded to the nearest one-eighth of one percentage point (0.625%), rounded to the nearest one-eighth of one percentage point (0.125%). If this required net yield cannot be determined because the applicable commitments are not available, the Note Holder will determine my interest rate by using comparable information. My new rate calculated under this Section A 2 will not be greater than the Maximum Rate stated in the Note.

3. New Payment Amount and Effective Date

If I am permitted to exercise the Conversion Option, the Note Holder will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal I am expected to owe on the Conversion Date in full on the maturity date of the Note at my new fixed interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment. Beginning with my first monthly payment after the Conversion Date. I will pay the new amount as my monthly payment until the maturity date of the Note.

However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security instrument.

if Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument.
